Swartz, 2016-08-01 This work is a memoir As a child and a young man I rarely felt entitled to breath air Emotionally neglected by my father as a teen I left home for a prep school at which I would spend the worst three years of my life Trouble followed two failed attempts at undergraduate college until I found my way to a horseshoeing school out west I was able to work as a professional farrier for several years until a ruptured disc in my back forced a career change I chose psychology as somewhere in the back of my mind the depression I endured as a child motivated me back to school to try to help others eventually becoming a licensed psychologist It was a good fit and I have been practicing for the past twenty five years including many years as an instructor in psychology for Harvard Medical School About seven years ago I acquired tinnitus along with 50 to 60 million other Americans and using my personal practice of meditation developed a program to help myself and my patients manage this chronic illness In short this work traces the forging of a debilitating sense of self and outlines the potential for it s death resulting in a selflessness that connects to the boundless goodness of the universe Lastly I have been helped in no small way throughout by the profound empathy I have shared with many magnificent beasts of the canine variety      **For the Unremembered** Susanna Graham-Pye, 2025-04-28 An evocative journey through Cape Cod Massachusetts uncovering the hidden and often overlooked stories of the enslaved people who lived and worked there As both a work of historical creative nonfiction and a guidebook For the Unremembered uncovers and reflects on Cape Cod s role in the institution of slavery Readers will learn about the Cape s involvement in the chattel slave trade and how colonists participated in and supported this inhumane system through various means Uncovering the traces left behind by the enslaved individuals who lived on the Cape author Susanna Graham Pye highlights the importance of recognizing the contributions and lives of those who were deliberately left out of mainstream history Through a blend of lyrical reflections and practical guidance this book invites readers to explore significant locations across Cape Cod offering a deeper understanding of its historical landscape By revisiting the places where enslaved people once stood and evoking the sights sounds and smells they might have experienced For the Unremembered seeks to bridge the gap between past and present Features include Addresses and coordinates for key locations to visit on the Cape to pursue a deeper understanding of its past A foreword by Lynne Rhodes president of the Cape Cod Chapter of NAACP Chapters that spotlight towns including Sandwich Yarmouth Barnstable and Dennis Eastham Brewster Falmouth and Mashpee Harwich and Chatham Orleans Wellfleet Truro and Provincetown For the Unremembered encourages readers to join the ongoing efforts to untangle the systemic racism rooted in our history and to honor the unremembered individuals who helped shape our communities This book is an important step toward a more inclusive and truthful understanding of Cape Cod s past and its role in slavery in the United States      Reflection of Memories Tesa Jones, 2017-07-21 Richard Malone and Caroline Sue Miller are born on the same day to parents who live on opposite sides of the societal fences in a small coal mining town of

western Pennsylvania Despite the economic differences between their families the two children become best friends and their unexpected friendship eventually blossoms into forbidden love In order to be together and escape their bleak small town opportunities they leave the security of their homes and settle in New Jersey where their future is a blank slate As Richard and Caroline make their way through life their choices often veer their love off course but the bond they share has deep roots that continually pull them together again This tale of family friendship and love incorporates the historical events and cultural changes of the tumultuous 1900s while following the course of one couple whose connection is stronger than class or circumstance Whether youre sailing through youthful days or enjoying your golden years *Reflection of Memories* will capture your heart and remind you of what is truly important in life Reflection D.L. *Reflections of New England* Ellen Lesser,1991-04 *Cape Cod* Henry David Thoreau,2004-03-01 In the plants animals topography weather and people of Cape Cod Thoreau finds another world Encounters with the ocean dominate this book from the fatal shipwreck of the opening chapter to his later reflections on the Pilgrims landing and reconnaissance Along the way Thoreau relates the experiences of fishermen and oystermen farmers and salvagers lighthouse keepers and ship captains

as well as his own intense confrontations with the sea as he travels the land's outermost margins. Chronicles of exploration, settlement, and survival on the Cape lead Thoreau to reconceive the history of New England and to recognize the parochialism of history itself.

*The Reflection of Hope* Natalie J. Damschroder, 2022-12-04 Vanessa Ripley does not call her Vanessa. She uses her rare combination of physical and mental super abilities only for consulting and training, staying out of the field after a catastrophic mission resulted in the death of a civilian. But now her old flame Evan Forgeron needs her help. His task force is this close to stopping the Citizens Against Superhero Existence (CASE) and he needs Ripley's mental powers to do it. When Evan's in trouble, she can't say no, even if getting involved with him again threatens to tear both of them apart. Then CASE's mission becomes intensely personal, ripping open secrets Ripley never knew existed and putting a target on Evan and every superhero in the country. If they can end CASE, she and Evan may have a chance at a future together. But if they fail, it will take everything and everyone they love.

**Self Reflection** Phillip A. Crosby, 2024-04-04 A writer I grow. My mind is open to new. So words do now flow. A poet I grow. I am old so free to be. Anything I know. An artist I be. My mind clearly formulates. Apps paint the mind, does see. I am the new old. Blessed be mind's longevity. It still burns white hot. There came a point after turning 82 that I reflected on the question: do people really know me? Do I really understand, thus know myself? I decided to reflect, understand, and express who I am through whatever expressive vehicle that moves me. At first, it was only prose, but I soon turned to poetry to flush out what I wanted to say. One day while writing, I noticed the fingerprints on my iPad screen. Morning sunlight was streaming in the window and illuminating the fingerprints. I was curious to see how apps designed to colorize old B/W photos would handle these apparent B/W fingerprints. This kicked in my curiosity regarding what I could create using any and all digital image tools at my disposal. My creativity was stimulated, and after a year of creating, I have hundreds of digitally created images that please me. I include a few early images in this book. What impact do I hope this book creates? At a minimum, I hope when my family thinks of me, they utilize this *Self Reflection* to stimulate or eventually introduce my essence to future generations. I hope others that read my *Self Reflection* consider creating a similar glimpse into their essence to edify future generations.

*The Darien Chronicles: Objects for Reflection, A Journey into Love: Part Two - Into the Wasteland* Steven Howard, 2018-02-07 Take this continued journey with Darien, an eighteen-year-old, as he breaks away from the restrictions of family and steps onto a path shaped by his past, one that leads him down into very dark places as he struggles to both hide from himself and find himself. Follow him through his early adult years as a private inner war plunges him into addiction. Witness the living of a life directed by the outside world, a life seemingly rescued from it for brief moments by a spirit guide named Sundee, a friend, protector, and teacher who has been with Darien since before he was born. Experience firsthand Darien's descent as he approaches a point of no return. Steven Howard shares a powerful odyssey of the universal struggle to awaken to the Spirit within.
