Reflections On The Transformation Of Industrial Relations

James Chelius, James Dworkin

Reflections On The Transformation Of Industrial Relations:

Reflections on the Transformation of Industrial Relations James Chelius, James Dworkin, 1990-06 The profound changes in the relationship between employers and employees during the 1980s have included increases in the extent of employee participation declining unionization wage restraint concession bargaining and labor management cooperation These essays examine whether these significant changes constitute a fundamental transformation of the American system of industrial relations

Rethinking Industrial Relations John Kelly, 2012-10-12 This original book is a wide ranging radical and highly innovative critique of the prevailing orthodoxies within industrial relations and human resource management It covers central problems in industrial relations the mobilization theory of collective action the growth of non union workplaces and the prospects and desirability of a new labour management social partnership an historical account of worker collectivism organization and militancy and state or employer counter mobilization a critique of postmodernism and accounts of the end of the labour movement Containing a detailed examination of the evolution of industrial relations it argues that the area is often under theorized and influenced by the policy agenda of the state or employers and will prove informative reading for students of industrial relations

Industrial Relations: Approaches to industrial relations and trends in national systems John E. Kelly, 2002 This set is designed to capture both the complexity of the field of industrial relations globally as well as bringing out the continuing relevance of competing theoretical approaches to the subject

The Chaebol and Labour in Korea Seung Ho Kwon, Michael O'Donnell, 2003-09-02 This important new study argues that an historical analysis of the labour management policies of the Korean family conglomerates or chaebol is essential for a complete understanding of the dynamics of South Korean industrial relations Focusing on the labour management strategies of the Hyundai Business Group the book offers a new perspective on the Asian tiger economy
