Title of LIA Project:	Gender Equality for Girls Internship with GVI Ghana

My LIA Project:

My project began as the Gender Equality for Girls Internship with GVI Ghana in Kokrobite, Greater Accra. This project aimed to break cultural and societal constraints by educating and empowering girls to break generational cycles of poverty. This project is important because despite rapid transformation to girls' access to education in recent decades, with Ghana placing 7th for all Sub-Saharan Africa on gender parity in education in 2018, this remained at 61%. This importance is further entrenched by how this average conceals the large national discrepancies negatively affecting girls in poor rural coastal communities such as Kokrobite.

The stakeholders for my project concerned the organisation I was working with and the community benefiting from the organisation's presence. My internship was with GVI, an NGO founded on working towards the UN's sustainable development goals. Split into country-based branches, I worked within GVI Ghana, a people-focused NGO aiming to prosper sustainable community development within Kokrobite. When picking an organisation, I was very intentional about sustainable impact over the often neo-colonialist or counter-productive projects occurring within many people-based volunteer programmes.

I felt GVI aligned with my values upon learning about the organisation's priority of 'impact above all else' and its ultimate goal of achieving community self-sufficiency, thereby making GVI's presence in the community unnecessary.

Facing the impacts of climate change and industrialisation, Kokrobite was afflicted by both the rising sea levels alongside over-fishing, diminishing local industries. Consequently, as industrialisation was taking off in the cities, this community was being left behind, rendering GVI's presence vital for supporting the community and improving opportunities.

Despite my project originally having a gender-based focus, as my internship progressed, it expanded to also encompass the Justice, Equality, Diversity and Inclusion (JEDI) internship. This is because whilst my gender-based focus surrounded being the lead on the Menstrual Health Project and Girl Guides, I also got the opportunity to create my project called 'Human Rights and Fundamental Freedoms' focused on more JEDI topics. In doing so, this project progression allowed me to tailor my internship to include both my legal and gender equality passions.
