member of the World Bank PMCs Fiji Federated States of Micronesia Kiribati Marshall Islands Solomon Islands Tonga Vanuatu and Western Samoa The themes selected are the impact of recent changes in the external trading environment of the PMCs economic diversification into tourism improving the management of and getting better returns for natural resources such as fisheries and forestry and regional cooperation The report also includes profiles of these eight countries

India, GCC, and the Global Energy Regime Samir Ranjan Pradhan, 2008 Addressing the bilateral economic relations between India and the Gulf Cooperation Council in the face of massive energy consumption increases this analysis argues that the evolving pattern of energy related links will act as a stimulant and boost these relations This volume cites India's trajectory and importance explaining that Asia's burgeoning demand for oil and gas is a crucial factor in the current world energy market and has occupied center stage in the contemporary discourse on global energy security

Uganda's AIDS Crisis Jill Armstrong, 1995-01-01 Examines the economic problems that arise when governments own and operate enterprises that could be managed by the private sector Despite more than a decade of divestiture state owned enterprises account for nearly as large a share of developing countries economies today as twenty years ago This report examines the economic problems that arise when governments own and operate enterprises that could be managed by the private sector It finds that such enterprises are often inefficient and shows how the resulting losses to the economy hinder growth making it harder for people to escape poverty Why have reforms had such little impact In an innovative study of the political economy of state enterprise reform the report describes common obstacles to reform and describes ways that some countries have overcome them Drawing on a rich database and detailed country case studies the report provides the most comprehensive assessment yet of a decade of divestiture and reform of state owned enterprises It evaluates the experiences of 12 countries some of these countries reformed successfully and some did not but all tried to improve the incentive structure by changing the contract between the government and state owned firms The report offers guidance for successful reform and suggests ways that foreign assistance can more effectively support reform efforts The countries covered in the case studies are Chile China Czech Republic Egypt Ghana India Republic of Korea Mexico Philippines Poland Senegal and Turkey Published for the World Bank by Oxford University Press

Targeted Credit Programs and Rural Poverty in Bangladesh Shahidur R. Khandker, Osman H. Chowdhury, 1996-01-01 World Bank Discussion Paper No 347 Describes the elements of health reform in Sierra Leone as the West African nation attempts to overhaul its health system and focus it on the neediest populations To highlight the role of key stakeholders the study reviews the actions proposed and taken for reforming a package of health services organizing the provision of those services and financing the health sector The paper also identifies factors critical for success and concludes with an assessment of future prospects for reform of this crucial sector

Africa Can Compete!, 1996 All 15 new independent states established in the economic space of the former Soviet Union suffered big declines in output and trade after gaining independence This study summarizes cross country experience on the role of trade and

payments policies in the linked contraction of output and trade by drawing on eight country case studies Estonia the Kyrgyz Republic Latvia Lithuania Moldova Russia Ukraine and Uzbekistan The results of the case studies show that trade reform and reorientation of trade toward the rest of the world have done much to arrest the decline in output usually associated with the transformation from plan to market Also available in English Stock no 13615 ISBN 0 8213 3615 0 The Role of Family Planning and Targeted Credit Programs in Demographic Change in Bangladesh Shahidur R. Khandker, Muhammad Abdul Latif, 1996-01-01 FIAS Occasional Paper No 6 Examines and compares the recent experiences of a number of developing countries in encouraging backward linkages the purchasing of goods and services from locally owned suppliers by companies controlled by foreign firms The authors argue that economic liberalization helps rather than hurts domestic suppliers that institutional support focusing on upgrading the capabilities of domestic suppliers is critical and that promotional programs combining public and private resources can accelerate linkage development
