Righteousness Or Iniquity Your Choice And Your Just Rewards:

Treatment and Management of Maladaptive Schemas Eric A. Kreuter, Kenneth M. Moltner, 2014-08-01 This volume explores new ground in the area of personal transformation achieved partly through a person's volition with a guide or catalyst. The authors research and define the dynamics of paradigmatic thinking incorporating a series of case vignettes of personal transitions. They describe impediments to such change as well as the post transformation state of mind where vulnerabilities may persist. The resultant need for on going commitment may include guidance or coaching in order to sustain the positive effect of a change in paradigm. An important feature of the book is a case study written by Rex a participant in Dr Kreuter's earlier work. Rex has achieved significant change in his thought process both in how he sees the world less sinister and his self perspective worthy and connected. An in depth view of the new Rex shows the extent to which change has been possible in one human being. Combined with other evidence of shifting paradigms drawn from a cross section of therapeutic practice the authors connect the clinical data with their own developed philosophy on the subject of human behavior and the ability to change with the assistance of a therapist guide to effectuate and sustain such change. **Publishers Trade List** R R Bowker Publishing, 2001 Righteousness Or Iniquity William J.
