Rimbaud A Critical Introduction:

Rimbaud Cecil Arthur Hackett,1981-06-04 Professor Hackett shows Rimbaud s poetic work had decisive influence on the development of French poetry **The Cambridge Introduction to French Literature** Brian Nelson,2015-06-11 An engaging highly accessible and informative introduction to French literature from the Middle Ages to the present **A Study of Nietzsche** J. P. Stern,1979-07-05 Molière: A Playwright and His Audience W. D. Howarth,1982-07 This study explores the evolution of Moli re s comedy as a careful amalgamation of comedy and philosophical satire **The Poetry of Life in Literature** Anna-Teresa Tymieniecka,2013-03-09 Poetry of life in literature and through literature and the vast territory in between as vast as human life itself where they interact and influence each other is the nerve of human existence Whether we are aware of it or not we are profoundly dissatisfied with the stark reality of life s swift progress onward and the enigmatic and irretrievable meaning of the past And so we dramatise our existence probing deeply for a lyrical and heartfelt yet universally valid sense of our experience It is in great works of literature that we seek those hidden springs that so move us It is in honour of this search that this collection focuses on the creative imagination at work in literature and aesthetics

Jaroslav Hašek Cecil Parrott,1982-03-18 This 1982 book was the first major critical study of Jaroslav Ha ek and his most important literary creation The Good Soldier vejek For many people Ha ek s book is simply extremely funny Cecil Parrott begins from the point of view that a closer examination of the conditions under which the book was written reveal it to be a much deeper work than it appears on the surface a tragic as well as a comic masterpiece A leading authority on Ha ek Parrott wrote the definitive biography The Bad Bohemian and translated the unexpurgated version of vejek and many of Ha ek s short stories This book is lucidly written and aimed at the non specialist reader who requires guidance in coming to terms with this strange book All quotations are translated and the book also includes a number of illustrations including the only sketch of vejek that Ha ek approved **Boileau and the Nature of Neoclassicism** Gordon Pocock,1980-06-19 Boileau has traditionally been regarded as the spokesman of French neo classicism but some elements of scholarship have discounted the importance of neo classical doctrine in general and of Boileau s particular contribution to it Many critical approaches have stressed instead the liveliness and wit of Boileau s poems his love of language and his passionate temperament Mr Pocock uses these critical approaches to demonstrate in detail how Boileau s verve love of contrasts and essentially dramatic imagination animate the major poems But he also argues that such approaches do not in themselves suffice to explain Boileau s special qualities Neo classicism was an important element in the intellectual life of Europe in the most critical period of the decline of Christianity and the rise of rationalism and science Mr Pocock proposes a reformulation of those views which take account not only of modern criticism but also of Boileau s commitment to neo classicism and his embodiment of it in his work **The Concise New Makers of Modern Culture** Justin Wintle,2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from

1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms
