Settle Down Simon Katz:

Settle Down Simon Katz Bernard Kops, 1977 Settle Down Simon Katz Bernard Kops, 1973 *Bernard Kops* William Baker, Jeanette Roberts Shumaker, 2013-12-18 This is the first book length study of the work of contemporary writer Bernard Kops Born on November 28 1926 to Dutch Jewish immigrants Bernard Kops became famous after the production of his play *The Hamlet of Stepney Green A Sad Comedy with Some Songs* in 1958 This play like much of his work focuses on the conflicts between young and old Identified as an angry young man Kops like his contemporaries John Osborne Shelagh Delaney and Harold Pinter belonged to the so called new wave of British drama that emerged in the mid 1950s Kops went on to create important documentaries about the Blitz and living in London during the early 1940s He has written two autobiographies over ten novels many journalistic pieces and more than forty plays for TV stage and radio A prolific poet Kops has authored a long pamphlet poem and eight poetry collections Now in his mid 80s the prolific and versatile Kops still produces his creativity undimmed by age **British Playwrights, 1956-1995** William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright's critical reception an assessment of the dramatist's work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **Beyond Marginality** Efraim Sicher, 2012-02-01 In a unique study of Anglo Jewish writers in the post war period Dr Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence This period is one of crucial social change in Britain At the same time Dr Sicher raises serious questions about the modern writer's cultural and ethnic identity In this

process Dr Sicher advances the thesis that under the impetus of the Holocaust the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality Dr Sicher's perspective on this particular period of literature is a highly original one and it should provoke creative reconsideration of other contexts and times as well *A Career in Writing* David John Carter, 1993 This thesis examines the literary career of Judah Waten 1911-1985 in order to focus on a series of issues in Australian cultural history and theory The purpose is not to discover a single key to Waten's writing across the oeuvre but rather to plot the specific occasions of this writing in the context of the structure of a career and the cultural institutions within which it was formed **Writers Directory** NA NA, 2016-03-05
