Seven Pillars Of Popular Culture Contributions To The Study Of Popular Culture:

Seven Pillars of Popular Culture Marshall W. Fishwick, 1985-02-28 Marshall Fishwick acknowledges that the impression of popular culture as being full of fads and follies which change every season sometimes month by month is superficially true but basically and historically incorrect The essential features of the people and the ways in which their basic needs are met have changed little over the centuries Fishwick s analysis highlights stasis and shows that most contemporary expressions of popular culture are extensions of traditional forms values and formulas

Dancing in the Dark Quentin James Schultze, 1991 This is a print on demand book and is therefore non returnable The authors offer an insightful analysis of the symbiotic relationship between the popular entertainment industry and America s youth suggest principles for evaluating popular art and entertainment and propose strategies for rebuilding strong local cultures in the face of global media giants

The Rhetoric of Popular Culture Robert Root, 1987-03-12 This analysis of popular culture and the uses of rhetoric as a methodological tool begins with a brief theoretical introduction Root applies rhetorical analysis to the fields of advertising advocacy and entertainment with examples that focus on the written verbal and visual aspects of rhetoric ISBN 0 313 24403 0

Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today s religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

Bibliographic Index , 1986 *Quarterly Journal of Ideology* , 1985 A critique of the conventional wisdom

Subject Guide to Books in Print , 1997 **Bibliographic Guide to North American History** , 1986 **The American West in Film** Jon Tuska, 1985 Analyzing Western films from different vantage points and by using different critical methods Tuska compares the recorded fantasies about the American West with the actual historical events He deals with the social and psychological aspects of the systematic distortion and misrepresentation of the American past and the influence of this practice on the national character Part I investigates the structure of Westerns the formula Western the historical romance and the historical reconstruction Part II highlights the themes and film characteristics in the directorial efforts of John Ford Howard Hawks Henry Hathaway Anthony Mann Budd Boethicher and Sam Peckinpah Part III examines the use of legends and

historical personalities of the American frontier Part IV investigates Hollywood's misrepresentation of both women and Native Americans in Western films ISBN 0 313 24603 3 29 95 Hibernian Green on the Silver Screen Joseph M. Curran,1989-05-04 This study explores the relationship of an ethnic group of vital importance in America's history the Irish and a preeminently American art form and business the movies Curran maintains that movies reflected and influenced their viewers' perceptions of the Irish and that both the movies and the Irish who made them facilitated the assimilation of the Irish ethnic group into American society The initial chapter traces the history of Irish immigration to America concentrating on the experiences of Irish Catholic immigrants to the United States during the second half of the nineteenth century Irish American involvement in the movie industry dates from its beginnings in the Nickelodeon Era at the turn of the twentieth century From that time until their replacement by sound movies around 1930 silent films helped to popularize the Irish ethnic group while simultaneously transmitting assimilationist values to its members and other ethnic minorities Three chapters are devoted to the 1930-1960 period Hollywood's heyday when American motion pictures attained technical maturity and enjoyed their greatest popular influence During this period the Irish made their biggest gains both in the movies and the nation as screen personae such as the Irish priest antihero and Irish All American entered popular culture James Cagney Spencer Tracy John Ford Gene Kelly and Grace Kelly are just a few of the Irish American movie greats discussed Irish success in the movies facilitated and mirrored their rise in America and helped to transform them from outsiders to a no longer readily distinguishable ethnic minority The culmination of this transformation and integration was the election of the first Irish Catholic President of the United States John F Kennedy A final chapter discusses the post 1960 era The volume is illustrated with stills from some of America's most popular and memorable movies including such favorites and prototypically Irish films as *Angels with Dirty Faces* *Going My Way* *The Fighting 69th* *The Informer* *The Quiet Man* *A Tree Grows in Brooklyn* and *On the Waterfront* among others As well as having great nostalgic appeal for readers interested in the Irish or movies *Hibernian Green on the Silver Screen* is an excellent text for courses in Irish Studies and American Ethnic or Film History *Current Geographical Publications* University of Wisconsin--Milwaukee. Library,1986 *Current Geographical Publications* CGP is a non profit service to the scholarly community initiated in 1938 by the American Geographical Society of New York Beginning in 2006 the format changed to include the tables of contents of current geographical journals The journal titles listed link to web pages or PDF scans of the current issue's contents **Devouring Whirlwind** Will H Rockett,1988-11-17 As the popularity of the genre increases and special effects are pushed to greater extremes of terror and cruelty more and more people have begun to wonder what is the attraction of horror films Do they have any socially redeeming features Rockett offers some surprising and provocative answers to these questions in his analysis of the cinema of cruelty First commenting on our fascination with experiences that transcend the world of ordinary reality he looks at film as a means of expressing the dark side of human nature Next he examines the essential ingredients that go into the making of a horror film the variations

that are found within the genre and the links between the best horror cinema and Artaud's Theatre of Cruelty Echoing Artaud Rockett argues that human beings are attracted to horror in films because of an unconscious craving for a reality in which the demonic supernatural acts as a living whirlwind devouring the darkness and bringing viewers closer to the transcendence they are actually seeking The final chapter shows how the finest works in the horror genre achieve this underlying aim He discusses filmmakers such as Roman Polanski who have been able to provide the realism and artistic quality that contemporary audiences demand while preserving the ambiguity and terror necessary to experience the power of transcendent force Rockett's skillful and imaginative exploration of the subject will be appreciated by scholars and general readers concerned with popular culture film literature drama and contemporary social issues *The Cumulative Book Index*, 1985 A world list of books in the English language S.J. Perelman Steven Gale, 1987-03-18 Filling a void with his critical study of an important American humorist Steven H Gale has provided a comprehensive description of S J Perelman's prose plays and screenplays along with a biographical portrait which emphasizes his connections to other writers of his time The work is supplemented by a chronology of events a bibliographic essay and a general subject index Buckskins, Bullets, and Business Sarah J. Blackstone, 1986-03-26 Blackstone focuses on the career of William F Buffalo Bill Cody during the years in which he organized promoted and starred in his celebrated Wild West show Basing her research on primary sources such as photographs programs route books and scrapbooks of newspaper clippings kept by Cody and other participants in the show Blackstone provides a vivid history of the famed extravaganza Included in her discussion are the logistics of touring a huge show the performers and their origins semiotic analysis of each performance event and the treatment of Indians and other minorities Blackstone also deals with the iconography of the show and the way in which it instilled in the public consciousness a mythic image of the American West that has survived to the present day Blackstone's conclusions help to put Buffalo Bill's Wild West into proper historical and cultural context The volume includes numerous photographs most of which have never been published before and a bibliography containing original listings of primary source information **Books in Series, 1876-1949** R.R. Bowker Company, 1982 Sport and Society in Latin America Joseph Arbena, 1988-07-07 A very exciting collection that explores sport in itself and also as a cultural phenomenon In unexpected ways bicycles are linked to modernization in Mexico baseball takes on socialist overtones in the Yucatan and the political outlook in Cuba and Nicaragua is explained in terms of their emphasis on sports This reviewer especially liked Lever's article on Brazil in which she demonstrates that sport helps complex modern societies cohere Spanning a time period from the turn of the century to the present the seven essays offer dramatic insights into Latin American societies Robert Levine's conclusion presents comparisons with sports in the US This new entry into the growing field of sport and social analysis is highly recommended for college and university libraries Choice A collection of eight original essays by distinguished scholars this book examines the role of sports particularly soccer and baseball in Latin America from the late 19th century to the present The first study

of its kind Sport and Society in Latin America vividly demonstrates the ways in which sport can be used to study various historical and social processes and expands our understanding of sport as a major form of social behavior in Latin America The contributors analyze the relationship of sport to foreign penetration and cultural imitation urbanization and the rise of mass society social divisiveness and social integration class conflict politics and nationalism and revolution Screwball Comedy Wes D. Gehring,1986-02-21 **The Publishers' Trade List Annual** ,1986 The Sleuth and the Scholar Barbara A. Rader,Howard G. Zettler,1988-02-11 Is the detective novel popular fiction or serious literature This collection of essays examines the historical literary and critical aspects of the genre Three interrelated aspects of detective fiction are addressed the mystery story as a vehicle for social criticism women crime writers and the American hard boiled detective story its origins in cowboy fiction recent trends and whether the mean streets still belong exclusively to men Contributors span the ranks of well known crime writers popular critics of detective fiction and academic scholars This unusual volume aptly illustrates the nature and attractions of a style of fiction that was once dismissed as merely sensational and is now seen as mainstream
