Seven Days To Forever:

Eternal Doctrine Eternal Doctrine, 2018-09-16 Eternal Doctrine The Bible in Sequence Edition 1 By Eternal Doctrine The Bible in Sequence Eternal Doctrine Volume 1 presents an in depth analysis of the bible is presented as a contemporary version of the King James Bible With commentary analysis and further enhancement of the familiar Bible text the books of the Bible are introduced in a way that lends itself to readability and new viewpoints Presenting both the Old and New Testaments in sequence and by events rather than the typical order this volume fully explores the Bible and extends the opportunity to scholars and readers for a greater understanding and appreciation **Biblical Christianity and Biblical Judaism Restored: Proving That Keeping the Law of Moses is Still Required for Salvation** Onieu ben David, 2013-09-04 In this book I seek to prove from the Old Testament New Testament and some of the Apocrypha that the Law of Moses must still be kept for salvation and that any Christians who want to be saved must keep all of the commandments of the Law of Moses To contact me email me at onieu777 gmail com By His Word Al 'Vojslav' Karanovich, 2006 Something cannot be created from nothing unless absolute truth first exists with intelligence of infinite wisdom designing things for specific purposes in a physical reality By His Word **Catholic Versus Christian** Vladimir Slackoff, 2024-08-09 Jesus said Before MY return many FALSE PROPHETS shall arise and shall DECEIVE MANY With so many different religions to choose from they can't all be true or correct Some must be false This fact proves that Christ's warning is true Let no preacher deceive you A good sermon based on God's Word includes scriptures from the Bible with chapter and verses After hearing a sermon you should check to see if the verses were used out of context If you don't you are actually betting that what you heard is true But maybe it isn't Maybe he or she doesn't really know what the truth is False prophets always use scripture out of context to promote their own version of their religion They twist the meaning of each verse so they can imply their own meaning and deceive believers Have you ever been lied to How did you feel after you found out Have you ever lost a bet How about a sports bet How about a bet between you and the devil Don't bet your soul on maybes Check with the Bible before accepting any sermon as true People are too busy to spend hours searching the Bible to find verses of scripture so they can check to see if the scriptures in the sermon were used correctly This book was designed to enable you to locate any chapter and verse quickly so you can check to see if the verses were used correctly or if they were twisted out of context If you use this book you won't need to research for hours or days It will only take minutes to locate many of the most important subjects Holy Scripture does affirm which version of the Bible is the most accurate When can believers expect the Rapture to occur Should believers expect Christ to tarry Will the trodden down of Jerusalem actually be the beginning of the last seven years Did Jesus really offer an escape to believers from the tribulation What does the Bible say about global warming Is carbon dioxide really the cause Will the Jews be at risk of being murdered as they look for their Messiah What did Jesus say about bigfoot hybrids and aliens Why does God allow wars How do you win the battle over your

inner voices Why doesn't God answer certain prayers Why does God allow natural disasters to cause so much suffering and pain death and destruction The Bible does tell us when to expect Christ's return How valuable are the Dead Sea Scrolls Does the curse of the second commandment affect you Make sure you spend eternity in heaven with God the Father and his Son Jesus Christ
