The Spanish American Roots of William Carlos Williams Julio Marz?n, 1994-01-01 As David Ignatow s foreword notes the time is ripe for a multicultural canonical modernist and Marzan himself a poet with Puerto Rican roots has produced an insightful study of Williams sometimes hidden sometimes obvious debt to his Spanish American heritage At the same time Marzan raises serious questions about how ethnic literature shapes the modern canon American Literature I have been waiting for some time for a study of Williams s Latin American roots and this book fills that bill It s a significant addition to the Williams canon Paul Mariani author of *William Carlos Williams A New World Naked* William Carlos Williams wrote from an all encompassing American vision that recalls the spirit of Walt Whitman Paradoxically though this most American poet sprang from foreign roots a Puerto Rican mother and a father who was an English born Caribbean islander In this poetically evocative work Julio Marzan explores the Latin American roots of Williams poetry In particular he focuses on the dualities and contradictions between Williams public North American persona Bill and his private poetically encrypted Latin persona Carlos He shows how Williams poetry draws on Latin American and Spanish sources particularly the poetry of Spaniard Luis de Gongora to encode a Latin subtext in poems that ostensibly present a mainstream Anglo vision These explorations uncover a wealth of complexity in Williams and his poetry Reflecting the experience of many immigrants his life and work embody the unreconcilable desires to assimilate and win acceptance in a new land while remaining separate and immersed in the beloved culture of one s birth

A published poet Julio Marzan is also editor of *Inventing a Word An Anthology of Twentieth Century Puerto Rican Poetry*

The Cambridge History of Literary Criticism: Volume 3, The Renaissance George Alexander Kennedy, Glyn P. Norton, 1989 This 1999 volume was the first to explore as part of an unbroken continuum the critical legacy both of the humanist rediscovery of ancient learning and of its neoclassical reformulation Focused on what is arguably the most complex phase in the transmission of the Western literary critical heritage the book encompasses those issues that helped shape the way European writers thought about literature from the late Middle Ages to the late seventeenth century These issues touched almost every facet of Western intellectual endeavour as well as the historical cultural social scientific

and technological contexts in which that activity evolved From the interpretative reassessment of the major ancient poetic texts this volume addresses the emergence of the literary critic in Europe by exploring poetics prose fiction contexts of criticism neoclassicism and national developments Sixty one chapters by internationally respected scholars are supported by an introduction detailed bibliographies for further investigation and a full index *General Register* University of Michigan,1966 Announcements for the following year included in some vols Catalogue of the University of Michigan University of Michigan,1967 Announcements for the following year included in some vols **The Princeton Handbook of World Poetries** Roland Greene,Stephen Cushman,2016-11-15 An authoritative and comprehensive guide to poetry throughout the world The Princeton Handbook of World Poetries drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics provides a comprehensive and authoritative survey of the history and practice of poetry in more than 100 major regional national and diasporic literatures and language traditions around the globe With more than 165 entries the book combines broad overviews and focused accounts to give extensive coverage of poetic traditions throughout the world For students teachers researchers poets and other readers it supplies a one of a kind resource offering in depth treatment of Indo European poetries all the major Celtic Slavic Germanic and Romance languages and others ancient Middle Eastern poetries Hebrew Persian Sumerian and Assyro Babylonian subcontinental Indian poetries Bengali Hindi Marathi Punjabi Sanskrit Tamil Urdu and more Asian and Pacific poetries Chinese Japanese Korean Vietnamese Mongolian Nepalese Thai and Tibetan Spanish American poetries those of Mexico Peru Argentina Chile and many other Latin American countries indigenous American poetries Guaran Inuit and Navajo and African poetries those of Ethiopia Somalia South Africa and other countries and including African languages English French and Portuguese Complete with an introduction by the editors this is an essential volume for anyone interested in understanding poetry in an international context Drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics Provides more than 165 authoritative entries on poetry in more than 100 regional national and diasporic literatures and language traditions throughout the world Features extensive coverage of non Western poetic traditions Includes an introduction bibliographies cross references and a general index **Catalogue of the Trustees, Officers, and Students, of the University ... and of the Grammar and Charity Schools ...** University of Pennsylvania,1917 *Undergraduate Courses of Study* University of Pennsylvania,1917
