Bryant & May off the Rails Christopher Fowler, 2011-09-13 Arthur Bryant and John May and their team of proud eccentrics in the Peculiar Crimes Unit have been given only one week to hunt down a murderer they've already caught once but who somehow escaped from a locked room and killed one of their best and brightest Facing a shutdown Bryant and May men of opposite methods learn that their nemesis expertly disguised has struck again and now he is luring them down into the vast labyrinth of tunnels and dark shadows of the London Underground But soon they will discover a fresh mystery one as bizarre as anything they have ever faced Bryant & May: The Lonely Hour Christopher Fowler, 2019-12-03 Oh joy a new

Peculiar Crimes Unit case by Christopher Fowler the best fun is running all over the city with these amiable partners The New York Times Book Review The brilliant Arthur Bryant and John May take the late late shift in a cat and mouse hunt with a killer who preys on his victims at the same time every night the lonely hour of 4 A M When a man is found hanging upside down inside a willow tree on Hampstead Heath surrounded by a baffling assortment of occult objects the Peculiar Crimes Unit is called in to investigate Was this a botched satanic ritual pulled off by bored teenagers a gang initiation or the work of a mastermind with grander intentions Bryant and May set off in search of answers and are soon reminded that London is a city steeped in blood and magic When another body is pulled from the river at dawn it becomes clear that a killer lurks in the night To catch him the PCU switches to graveyard shifts but the team still comes up short As they explore a night city where the normal rules do not apply they re drawn deeper into a case that involves murder arson kidnapping blackmail loneliness and bats May takes a technological approach while Bryant goes in search of his usual academics and misfits for help for this investigation reveals impossibilities at every turn How do you stop a killer who appears not to exist Luckily impossibilities are what the Peculiar Crimes Unit does best Bryant & May Christopher Fowler,2016 In another impossible case for the Peculiar Crimes Unit a woman is found drowned in the Thames after being tied to a pillar at low water and only her footprints lead to the spot where she was killed *Bryant & May: Oranges and Lemons* Christopher Fowler,2021-01-12 The most delightfully wickedly entertaining duo in crime fiction The Plain Dealer When a prominent politician is crushed by a fruit van making a delivery the singular team of Arthur Bryant and John May overcome insurmountable odds to reunite the PCU and solve the case in this brainy new mystery from acclaimed author Christopher Fowler On a spring morning in London s Strand the Speaker of the House of Commons is nearly killed by a van unloading oranges and lemons for the annual St Clement Danes celebration It s an absurd near death experience but the government is more interested in investigating the Speaker s state of mind just prior to his accident The task is given to the Peculiar Crimes Unit the only problem being that the unit no longer exists Its chief Raymond Land is tending his daffodils on the Isle of Wight and senior detectives Arthur Bryant and John May are out of commission May has just undergone surgery for a bullet wound and Bryant has been missing for a month What s more their old office in King s Cross is being turned into a vegetarian tapas bar Against impossible odds the team is reassembled and once again what should be a simple case becomes a lunatic farrago involving arson suicide magicians academics and a race to catch a killer with a master plan involving London churches Joining their team this time is Sidney a young woman with no previous experience plenty of attitude and a surprising secret **Bryant & May and the Bleeding Heart** Christopher Fowler,2014-12-02 NAMED ONE OF THE TEN BEST MYSTERIES OF THE YEAR BY THE SEATTLE TIMES London s wildest detectives Arthur Bryant and John May are on the case in this fiendishly clever mystery And when a cemetery becomes the scene of a crime neither secrets nor bodies stay buried Romain Curtis sneaks into St George s Gardens one evening with his date planning to show her the stars A centuries old burial ground the small quiet park

is the perfect place to be alone Yet the night takes a chilling turn when the two teenagers spy a strange figure rising from among the tombstones a corpse emerging from the grave Suffice it to say that wherever there s a dead man walking Bryant and May and the Peculiar Crimes Unit are never far behind As the PCU investigates the sighting a second urgent matter requires their unusual brand of problem solving Seven ravens have gone missing from their historic home in the Tower of London and legend has it that when the ravens disappear England will fall Bryant has been tasked with recovering the lost birds but when Romain is suddenly found dead the two seemingly separate mysteries start to intertwine and point to a plot more sinister than anyone could ever imagine Soon Bryant and May find themselves immersed in London s darkest lore from Victorian era body snatchers to arcane black magic to the grisly myth behind Bleeding Heart Yard a courtyard long associated with murder And as the body count spikes and more coffins are unearthed they will have to dig deep to catch a killer and finally lay these cases to rest Darkly funny and fast paced Bryant May and the Bleeding Heart is a brilliantly twisting puzzle conjured from the inventive mind of Christopher Fowler Praise for Bryant May and the Bleeding Heart Let s talk about guilty pleasures A historic burial ground like St George s Garden scene of the unfortunate incident of resurrection is right up Arthur Bryant s dark alley And mine Marilyn Stasio The New York Times Book Review Delectably droll criminally underappreciated guaranteed to amuse Bryant May are endearing throwbacks to a time when this genre was brainy and pure They are the last of a breed and they know it Their very credibility puts quaint old Bryant May in a class of their own Janet Maslin The New York Times Fans of the series will enjoy the continuing travails of these two long suffering octogenerian friends and their fellow officers Newcomers will appreciate the twists and turns of the case as well as the many details from the odd corners of one of the world s great cities Library Journal Endearingly eccentric intriguing Publishers Weekly Hilarious a charming and intriguing mystery mixed with marvelous characters Christopher Fowler s snarky writing elevates what could be dull or routine and makes it a true joy to read RT Book Reviews Make Bryant May and the Bleeding Heart the next book you read These stories are witty challenging engrossing informative and incredibly well written Picture a television series that is a rough mash up of Law Order The X Files and Monty Python s Flying Circus I sensed Sir Arthur Conan Doyle Ed McBain and Agatha Christie nodding in approval Fowler s latest book contains some of his best writing Bookreporter

Bryant & May on the Loose Christopher Fowler,2010-09-14 The Peculiar Crimes Unit is no more disbanded finished kaput After years of defying the odds and infuriating their superiors detectives Arthur Bryant and John May have finally crossed the line While Bryant takes to his bed his bathrobe and his esoteric books the rest of the team takes to the streets looking for new careers until one of them stumbles upon a gruesome murder Now the Unit is back for an encore performance in a rented office with no computer network no legal authority and a broken toilet They ve got until the end of the week to solve a mystery with links to gangland crime the 2012 London Olympics and a half man half stag creature that s carrying off young women It s the kind of case that Bryant and May live to solve and it could be the one that finally kills them
