The Myth of the Twelve Tribes of Israel Andrew Tobolowsky, 2022-03-17 The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing historical phenomenon from biblical times to the present By treating the Hebrew Bible s accounts of Israel as one of many efforts to construct an Israelite history rather than source material for later legends Andrew Tobolowsky brings a long term comparative approach to biblical and nonbiblical Israelite histories In the process he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel and generates new questions How can we explain the enduring power of the myth of the twelve tribes of Israel How does becoming Israel work why has it proven so popular and how did it change over time Finally what can the changing shape of Israel itself reveal about those who claimed it **Israel, the Occupied West Bank and Gaza Strip, and the Palestinian Authority Territories** , Israel The Peaceful Belligerent 1967-79 Yael Yishai, Amnon Sella, 1986-01-20 Leaving Zion Ori Yehudai, 2020-05-14 Explores Jewish emigration from Palestine and Israel during the critical period between 1945 and the late 1950s by weaving together the perspectives of governments aid organizations Jewish communities and the personal stories of individual migrants The Theory and Practice of Communism United States. Congress. House. Committee on Internal Security, 1973 **Israel, the Embattled Ally** Nadav Safran, 2009-07-01 Through thirty turbulent years the United States has been deeply enmeshed in Israel s destiny Seldom in the history of international relations has such a world power been involved so intensely for so long with such a small power How this phenomenon came to pass and how it will affect the future are explained in this compelling history of Israel and its relations with the United States from the 1947 United Nations resolution through Kissinger s shuttle diplomacy to Carter s peace campaign To form the backdrop for this extraordinary relationship Nadav Safran paints a detailed portrait of the historical forces that combined to create the Jewish state He unfolds panel after panel of Israeli life its physical environment people economy politics and religion He examines Israel s responses to the many security crises it has faced since becoming a nation and presents a clear and thorough exposition of its defense strategy and descriptions of all its wars Safran then presents his brilliant analysis of Israel and America in international politics Cutting through the tangle of the Arab Israeli conflict the East West struggle the disagreement among Western powers the conflicts within and among the Arab states and the impact of special interest groups in the United States on its foreign policy Safran deftly pursues fluctuations in the American Israeli relationship as it moved from simple friendship to an alliance of friends A concluding chapter recapitulates the highlights of that evolution and projects its relevance for the future of the Middle East and American Israeli relations *Intifada* Don Peretz, 2019-03-04 This book is intended as an overview of the uprising the Intifada of the Palestinian Arabs in the West Bank and Gaza territories occupied by Israel since the June 1967 war In the two years since the Intifada began during December 1987 it has acquired unusual international importance and visibility and has led to a number of significant changes in the

policies of the principal actors involved especially Israel the United States the Palestine Liberation Organization and the Palestinian inhabitants of the occupied territories The Intifada has altered in many ways the dimensions of the Arab Israeli conflict by rearranging the order of political and diplomatic priorities of those involved and by thrusting the conflict to the forefront of international attention This book describes the background origins and causes of the uprising and its impact on the actors it also examines the prospects for coping with it I am obligated to my wife Dr Maya Peretz for her assistance in preparing the manuscript and in helping to meet the publisher s deadlines which sprang upon us more quickly than anticipated Thanks also go to Deena Hurwitz to Palestine Perspectives and to the UNRWA Liaison Office in New York for the photos used Finally I wish to express my appreciation to the Rockefeller Foundation for the time I spent at its Study Center in Bellagio Italy during the final editing stage of this book

Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *Golda Meir Meron*

Medzini, 2017-04-26 For five decades Golda Meir was at the center of the political arena in Israel and left her mark on the development of the Yishuv and the state She was a unique woman great leader with a magnetic personality a highly complex individual She held some of the most important positions that her party and the State could bestow She fulfilled most of them

with talent and dignity She failed in the top job that of Prime Minister This biography traces her origins her American roots her immediate family her failed marriage her rise in the party the trade union movement her massive and enduring achievements as Secretary of Labor and Housing her ten year stint as foreign minister and finally the reasons that led to her failure as prime minister She was a very good tactician far less a strategist She was a major builder of modern Israel whose influence on that country on Israel American relations and on Jewish history was evident primarily from 1969 to 1974 The author who served as spokesman for Golda Meir in 1973 1974 weaves a gripping story of one of the builders and leaders of the State of Israel *Israel and the Palestinian Refugee Issue* Jacob Tovy,2014-03-05 Examining the development of Israel s policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel s policy were finalized Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister s advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly Cold War Spencer C. Tucker,Priscilla Roberts,2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century **The Shortest History of Israel and Palestine** Michael Scott-Baumann,2023-02-28 An accessible chronicle of how the Israel Palestine conflict originated and developed over the past century The Shortest History books deliver thousands of years of history in one riveting fast paced read The ongoing struggle between Israel and Palestine is one of the most bitter conflicts in history with profound global consequences In this book Middle East expert Michael Scott Baumann succinctly describes its origins and charts its evolution from civil war to the present day Each chapter offers a lucid

explanation of the politics and ends with personal testimony from Palestinians and Israelis whose lives have been impacted by the dispute While presenting competing interpretations Scott Baumann examines the key flash points including the early role of the British the establishment of the state of Israel in 1948 the Six Day War of 1967 and the Trump administration s peace plan pitched as the deal of the century in 2020 He delineates both the nature of Israeli control over the Palestinian territories and Palestinian resistance going to the heart of the clashes in recent decades The result is an indispensable history including a time line glossary and analysis of why efforts to restore peace have continually failed and what it will take to succeed The Shortest History books deliver thousands of years of history in one riveting fast paced read Transcultural Jazz Noam Lemish,2023-12-22 Transcultural Jazz Israeli Musicians and Multi Local Music Making studies jazz performance and composition through the examination of the transcultural practices of Israeli jazz musicians and their impact globally An impressive number of Israeli jazz performers have received widespread exposure and worldwide acclaim creating music that melds aspects of American jazz with an array of Israeli Jewish and Middle Eastern influences and other non Western musical traditions While each musician is developing their own approach to musical transculturation common threads connect them all Unraveling and analyzing these entangled sounds and related discourses lies at the center of this study This book provides broad insight into the nature role and politics of transcultural music making in contemporary jazz practice Focusing on a particular group of Israeli musicians to enhance knowledge of modern Israeli society culture discourses and practices the research and analyses presented in this book are based on extensive fieldwork in multiple sites in the United States and Israel and interviews with musicians educators journalists producers and scholars Transcultural Jazz is an engaging read for students and scholars from diverse fields such as jazz studies ethnomusicology Jewish studies Israel studies and transnational studies **Evangelicals and Israel** Stephen Spector,2008-12-09 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In Evangelicals and Israel Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Chu **Encyclopedia of Diasporas** Melvin Ember,Carol R. Ember,Ian Skoggard,2004-11-30 Immigration is a topic that is as important among anthropologists as it is the general public Almost every culture has experienced adaptation and assimilation when immigrating to a new country and culture usually leaving for what is perceived as a better life Not only does this diaspora change the country of adoption but also the country

of origin Many large nations in the world have absorbed and continue to absorb large numbers of immigrants The foreseeable future will see a continuation of large scale immigration as many countries experience civil war and secessionist pressures Currently there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world's cultures and provides an overview of important topics in the world's diasporas The encyclopedia consists of two volumes covering three main sections Diaspora Overviews covers over 20 ethnic groups that have experienced voluntary or forced immigration These essays discuss the history behind the social economic and political reasons for leaving the original countries and the cultures in the new places Topics discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures including the arts they bring the struggles they face and some of the cities that are in the forefront of receiving immigrant cultures Diaspora Communities include over 60 portraits of specific diaspora communities Each portrait follows a standard outline to facilitate comparisons The Encyclopedia of Diasporas can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures topics and communities It will prove of great value to researchers and students curriculum developers teachers and government officials It brings together the disciplines of anthropology social studies political studies international studies and immigrant and immigration studies

Anticipatory Action in Self-Defence Kinga Tibori Szabó, 2011-08-22 The legality of preemptive strikes is one of the most controversial questions of contemporary international law At the core of this controversy stands the temporal dimension of self defence when and for how long can a state defend itself against an armed attack Can it resort to armed force before such an attack occurs Is anticipatory action covered by the rules of self defence or should it be treated as a different concept This book examines whether anticipatory action in self defence is part of customary international law and if so under what conditions The pre Charter concept of anticipatory action is demarcated and then assessed against post Charter state practice Several instances of self defence both anticipatory and remedial are examined to elucidate the rules governing the temporal dimension of the right The Six Day War 1967 the Israeli bombing of an Iraqi reactor 1981 the US invasion of Iraq 2003 and other instances of state practice are given thorough attention

Country Reports on Human Rights Practices ,1992 **Four Arab-Israeli Wars and the Peace Process** Sydney D. Bailey, 2016-07-27 In focusing on four major wars in the Arab Israeli conflict from 1947 to 1979 all of them ending in agreed ceasefires truces or armistices this book concentrates on the external efforts after each war to help resolve the conflict

The Late Great State of Israel Aaron Klein, 2009 In The Late Great State of Israel Aaron Klein author of the critically acclaimed Schmoozing with Terrorists draws upon years of experience living and working as a journalist based in Israel His book is an urgent clarion call to supporters of Israel around the world The great Mideast democracy faces catastrophe Klein shows how Israel is often its own worst enemy and how Hamas Hezbollah Iran and a variety of Palestinian terrorists threaten to end the Zionist dream once and for all He also exposes the important role that America and the news media have played in

putting the Jewish nation in such a dangerous position Israel is in the fight of its life facing perils from inside and outside its borders Unless these perils are countered soon warns Klein the only remnant of the Jewish nation may be an epitaph The Late Great State of Israel **The Voice of Israel** ,1845
