Sexual Violence in Conflict and Post-Conflict Societies Doris Buss, Joanne Lebert, Blair Rutherford, Donna Sharkey, Obijiofor Aginam, 2014-07-17 This book brings together a unique blend of researchers civil society and community activists all working on different aspects of conflict sexual violence on the African continent The contributions included here offer a detailed reading of the social and political climate within which some patterns of sexual violence unfold and the increased policy and institutional responses shaping post conflict environments The chapters are organized around three main themes the continuities between conflict sexual violence and post conflict insecurity the troubling category of victim and its representation in post conflict settings and the international contexts such as international programming aid and justice interventions that shape how conflict sexual violence is addressed The authors come to the topic from various academic disciplines anthropology gender studies law and psychology and from different non academic contexts including civil society organizations in affected regions and policy and activist organizations in the Global North Collectively the chapters in this volume offer complex and detailed analysis of some of the debates and dynamics shaping contemporary understandings of conflict sexual violence highlighting in turn new insights and emerging topics on which further research and advocacy is needed

Multidisciplinary Perspectives on Family Violence Renate C.A. Klein, 2005-08-15 This book presents a wide range of issues pertaining to conflict and violence in close personal relationships It crosses disciplinary and national boundaries by presenting the work of scholars in psychology family studies anthropology women s studies sociology and legal philosophy who come from Denmark France Germany Britain Greece Poland Spain and The Netherlands to provide a range of geographical cultural and historical backgrounds In association with the International Society for the Study of Personal Relationships

Sex and Violence Penelope Harvey, Peter Gow, 2021-04-29 Produced in response to the growing international demand for information this book details the latest research in understanding and controlling violent and sexual offences Increasing numbers of psychologists are now studying and working with offenders to the advancement of forensic psychology Chapters cover contributions from ten different countries and are grouped into three sections dealing with risk assessment sex offenders and offences and violent offenders and offences The first section discusses the progress that has been made towards making accurate decisions about the risk that an individual poses to the community and emphasises the need to draw on both clinical experience and research The second section explores understandings and investigations of sexual offences including discussion on American commitment laws for sexually violent predators the status of recovered memories in criminal trials factors influencing delays in reporting sexual abuse a model of rapists accounts of their offences and situational factors in sexual offending The final section on violent offenders and offences includes discussion on criminal careers domestic violence mutilation murder in Japan offender profiling and

sentencing of homicide cases This book will be of interest to scholars in criminology psychology and forensic psychiatry and to policy makers and practitioners who deal with sexual and violent offences

Voices from the Global Margin William P. Mitchell, 2021 *Voices from the Global Margin* looks behind the generalities of debates about globalization to explore the personal impact of global forces on the Peruvian poor In this highly readable ethnography William Mitchell draws on the narratives of people he has known for forty years offering deep insight into how they have coped with extreme poverty and rapid population growth and their creation of new lives and customs in the process In their own passionate words they describe their struggles to make ends meet many abandoning rural homes for marginal wages in Lima and the United States They chronicle their terror during the Shining Path guerrilla war and the government's violent military response Mitchell's long experience as an anthropologist living with the people he writes about allows him to put the stories in context helping readers understand the impact of the larger world on individuals and their communities His book reckons up the human costs of the global economy urging us to work toward a more just world

The SAGE Handbook of Fieldwork Dick Hobbs, Richard Wright, 2006-01-05 This is an excellent collection of papers which celebrates the best of traditional approaches to fieldwork whilst also looking to its future The Handbook will quickly become essential reading for the novice and experienced fieldworker across many of the social sciences Chris Pole University of Leicester Fieldwork is widely practiced but little written about yet accounts of the exotic mundane complex and often dangerous are central to not only sociology and anthropology but also geography social psychology and criminology In all these increasingly overlapping fields experience underlies any comprehensive understanding of social life The SAGE Handbook of Fieldwork presents the first major overview of this method in all its variety introducing the reader to the strengths weaknesses and real world applications of fieldwork techniques Its 22 carefully chosen chapters are each based on a substantive field of empirical enquiry written by an acknowledged expert in the field The range is impressive from the traditional to the virtual concerning subjects as diverse as emotion sexuality sport embodiment identity self narrative

fieldwork in organizations science and technology Specifically intended for use in undergraduate and postgraduate courses in qualitative research design and methodology in sociology anthropology criminology urban studies social geography public health and education the handbook will also prove beneficial to academic researchers in these and other disciplines **Sex Work** Teela Sanders,2013-01-11 This is a richly detailed account of the way the sex industry works and one of the few empirical studies that investigates the off street industry in Britain The book seeks to advance a greater knowledge of the social organisation of the sex industry by uncovering the day to day activities of women involved in the indoor markets What types of occupational risks do women experience in work of this kind How do these hazards affect their personal lives A key concern throughout the book is to assess whether women are passive victims of the circumstances of prostitution or whether they understand and calculate their responses to danger Drawing upon both sociological and criminological theories and on detailed research in the city of Birmingham the author addresses these questions by estimating the rationality of those responses and by providing a measure of how women make sense of different risks Sex Work a risky business describes how women create complex psychological and emotional techniques to maintain their sanity while selling sex and goes on to argue that the indoor sex markets in Britain have a distinct occupational culture with a set of social norms code of conduct and moral hierarchies that make it a high regulated workplace despite its illicit and sometimes illegal nature Mapping Feminist Anthropology in the Twenty-First Century Ellen Lewin,Leni M. Silverstein,2016-07-07 Feminist anthropology emerged in the 1970s as a much needed corrective to the discipline s androcentric biases Far from being a marginalized subfield it has been at the forefront of developments that have revolutionized not only anthropology but also a host of other disciplines This landmark collection of essays provides a contemporary overview of feminist anthropology s historical and theoretical origins the transformations it has undergone and the vital contributions it continues to make to cutting edge scholarship Mapping Feminist Anthropology in the Twenty First Century brings together a variety of contributors giving a voice to both younger researchers and pioneering scholars who offer insider perspectives on the field s foundational moments Some chapters reveal how the rise of feminist anthropology shaped and was shaped by the emergence of fields like women s studies black and Latina studies and LGBTQ studies Others consider how feminist anthropologists are helping to frame the direction of developing disciplines like masculinity studies affect theory and science and technology studies Spanning the globe from India to Canada from Vietnam to Peru Mapping Feminist Anthropology in the Twenty First Century reveals the important role that feminist anthropologists have played in worldwide campaigns against human rights abuses domestic violence and environmental degradation It also celebrates the work they have done closer to home helping to explode the developed world s preconceptions about sex gender and sexuality Understanding Child Abuse and Neglect - Research and Implications Diann Cameron Kelly,2024-06-05 Child abuse and neglect is a scourge in our global community In the United States alone the nation loses an average of five children a day to child abuse and neglect The impact of child

abuse and neglect is significant It can affect esteem health and development learning outcomes and more importantly closeness between a child and their parent This book highlights the issues associated with child abuse and neglect and captures the nuances of its effect on child development and psychosocial well being The authors are from the international community and speak to the dynamics of child abuse and neglect across nations
