Sex And Subterfuge Women Novelists To 1850:

Sex and Subterfuge Eva Figes,1982 **Sex and Subterfuge** Eva Figes,1988 **British Women Writers, 1700-1850** Barbara Joan Horwitz,1997 A guide to British women authors their works and the writing about them **Sexual Politics and the Romantic Author** Sonia Hofkosh,1998-06-18 Exploring a range of early nineteenth century cultural materials from canonical poetry and critical prose to women s magazines and gift book engravings Sexual Politics and the Romantic Author offers new perspectives on the role of gender in Romanticism s defining paradigms of authorship The Romantic author s claim to individual agency is complicated by its articulation in a market system perceived to be impelled in large part by fantasies of female desire by what women read and write what they buy and sell how they look and where they look for pleasure These studies in the contested public spaces of literary labour elaborate the fundamental if invisible function of the woman as embodiment of authorial ambivalence in writing by Austen Byron Coleridge William Hazlitt Sarah Hazlitt Leigh Hunt Keats Mary Shelley William Wordsworth and others *Cultural Constructions of Madness in Eighteenth-Century Writing* A. Ingram,M. Faubert,2004-11-30 Cultural Constructions of Madness in the Eighteenth Century deals with the mis representation of insanity through a substantial range of literary forms and figures from across the eighteenth century and beyond Chapters cover the representation distortion sentimentalization and elevation of insanity and such associated issues as gender personal identity and performance in some of the best as well as some of the least known writers of the period A selection of visual material including works by Hogarth Rowlandson and Gillray is also discussed While primarily adopting a literary focus the work is informed throughout by an alertness to significant issues of medical and psychiatric history **Frances Burney, Dramatist** Barbara Darby,2021-12-14 The position Frances Burney 1752 1840 holds as a novelist journalist and letterwriter is now undisputed thanks to reevaluations of the canon in recent years Yet Burney was always intrigued by and wrote for the stage Though only one of Burney s dramas was performed in her lifetime Barbara Darby places the plays in the context of performance and feminist theory challenging past assertions about Burney that were based entirely on her novels and journals Darby maintains that in exposing the failure of such practices and institutions as courtship marriage family government and the church Burney s dramas often exceed her novels in the depth of their social commentary In her four comedies and four tragedies Burney uses stage space dialogue blocking and gesture to highlight the ways power is distributed among society s members According to Darby these plays show that the eighteenth century female experience was dominated by physical psychic and emotional regulation that included bodily punishment and the limitation of personal choice Placing Burney alongside other prominent female playwrights of the period Darby brings to light a substantial body of work revealing that Burney s drama was not a casual sideline to her novel writing Frances Burney Dramatist expands our appreciation of the extent to which eighteenth century women playwrights used the stage as a forum

Rousseau and the Politics of Ambiguity Mira Morgenstern,2010-11-01 Malady and Mortality Helen

Thomas,2016-06-22 This ground breaking study examines visual and literary responses to and representations of illness dying and death from the perspective of the chronically ill their families and carers medics artists photographers authors and academics It encourages a re examination of cultural taboos and visual and literary practices that engage with illness and death Focusing upon a wide range of creative and critical engagements this book makes a significant contribution to the medical humanities via its exploration of medical practice literature and film digital media studies graphic design and both contemporary and historical attitudes towards illness death including infant mortality mourning and bereavement For some the experience of illness provokes feelings of exile crisis or social critique whilst for others it instigates utopian discourses predicated upon personal reflection communication or connectivity wherein the self is redefined beyond the parameters and constraints of the body

The Cambridge Guide to Women's Writing in English Lorna Sage,1999-09-30 This Guide aims to consolidate and epitomise the re reading of women s writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women s writing

The Brontës and Religion Marianne Thormählen,1999-11-04 This is the first full length study of religion in the fiction of the Bront s Drawing on extensive knowledge of the Anglican church in the nineteenth century Marianne Thorm hlen shows how the Bront s familiarity with the contemporary debates on doctrinal ethical and ecclesiastical issues informs their novels Divided into four parts the book examines denominations doctrines ethics and clerics in the work of the Bront s The analyses of the novels clarify the constant interplay of human and Divine love in the development of the novels While demonstrating that the Bront s fiction usually reflects the basic tenets of Evangelical Anglicanism the book emphasises the characteristic spiritual freedom and audacity of the Bront s Lucid and vigorously written it will open up new perspectives for Bront specialists and enthusiasts alike on a fundamental aspect of the novels greatly neglected in recent decades

Maria Edgeworth's Irish Writing B. Hollingworth,1997-08-29 Edgeworth is regarded as a pioneer in the development of the regional novel and the use of vernacular language This study investigates her attitudes towards language and regionalism It shows by a detailed discussion of her major Irish texts *Castle Rackrent* *Essay on Irish Bulls* *Ennui* *The Absentee* and *Ormond* how her intellectual Lunar background and her life in Ireland during the momentous years of the Union is reflected in the form and language of her writing

Norwegian Women's Writing 1850-1990 Janet Garton,2000-12-01 Volume One in a new series this book covers Norwegian women s writing over the last

150 years setting literary developments against the background of the emergence and growth of the women's movement in Norway. The work is divided chronologically into three sections: the period up to 1913 when the universal suffrage was granted; the period from 1913 to 1960, a time of stagnation in the women's movement with little involvement in contemporary political, social, and economic debates; and the period from 1960 to the present day, which has seen an increasing participation of women in public life. Chapters on individual authors concentrate on the images of the women portrayed and investigate the conflicts behind the text, the tensions between the authors and their work, and the ambivalent feelings of women authors towards the act of writing. The book should be of interest to all those concerned with women's writing and with Scandinavian literature and culture. The series provides a survey, country by country, of women's writing from the beginnings of the major struggle for emancipation up to the present day. While the main emphasis is on literature, the social, political, and cultural development of each country provides a context for understanding the position and preoccupations of women writers. Modern critical currents are also taken into account in relating feminist criticism to recent critical theory. Forthcoming volumes in this series include *Women's Writing in Italy 1870-1990* and *Swedish Women's Writing 1850-1990*. *The Routledge Companion to Feminism and Postfeminism* Sarah Gamble, 2004-11-23. Approachable for general readers as well as for students in women's studies related courses at all levels, this invaluable guide follows the unique Companion format in combining over a dozen in-depth background chapters with more than 400 A-Z dictionary entries. The background chapters are written by major figures in the field of feminist studies and include thorough coverage of the history of feminism as well as extensive discussions of topics such as Postfeminism, Men in Feminism, Feminism and New Technologies, and Feminism and Philosophy. The dictionary entries cover the major individuals and issues essential to an understanding both of feminism's roots and of the trends that are shaping its future. Readers will find entries on people such as Aphra Behn, Simone de Beauvoir, Princess Diana, Courtney Love, and Robert Bly, and on subjects such as Afro-American feminism, cosmetic surgery, the new man, prostitution, reproductive technologies, and slasher films.

The History of British Women's Writing, 1970-Present Mary Eagleton, Emma Parker, 2016-04-29. This book maps the most active and vibrant period in the history of British women's writing. Examining changes and continuities in fiction, poetry, drama, and journalism, as well as women's engagement with a range of literary and popular genres, the essays in this volume highlight the range and diversity of women's writing since 1970.

The Rise of the Novel Nicholas Seager, 2017-09-16. Why have scholars located the emergence of the novel in eighteenth-century England? What historical forces and stylistic developments helped to turn a disreputable type of writing into an eminent literary form? This Reader's Guide explores the key critical debates and theories about the rising novel from eighteenth-century assessments through to present-day concerns. Nicholas Seager surveys major criticism on authors such as Aphra Behn, Daniel Defoe, Samuel Richardson, Henry Fielding, and Jane Austen. Covers a range of critical approaches and topics including feminism, historicism, postcolonialism, and print culture. Demonstrates how critical work is

interrelated allowing readers to discern trends in the critical conversation Approachable and stimulating this is an invaluable introduction for anyone studying the origins of the novel and the surrounding body of scholarship *Women and Romanticism* 5V Roxanne Eberle, 2022-07-30 Demonstrating the breadth and scope of women's writing in the Romantic period this collection covers a variety of topics ranging across polemical treatises private correspondence philosophical and historical disquisitions and poetry and prose fiction Helping to contextualise the areas discussed the collection includes a general introduction by the editor which traces the history of criticism in the field and thus current definitions of Women and Romanticism before going on to discuss the contents of each volume **The English Novel, 1700-1740** Robert Letellier, 2003-02-28 The English novel written between 1700 and 1740 remains a comparatively neglected area In addition to Daniel Defoe whose Robinson Crusoe and Moll Flanders are landmarks in the history of English fiction many other authors were at work These included such women as Penelope Aubin Jane Barker Mary Davys and Eliza Haywood who made a considerable contribution to widening the range of emotional responses in fiction These authors and many others continued writing in the genres inherited from the previous century such as criminal biographies the Utopian novel the science fictional voyage and the epistolary novel This annotated bibliography includes entries for these works and for critical materials pertinent to them The volume first seeks to establish the existing studies of the era along with anthologies It then provides entries for a wide ranging selection of works which cover fictional theoretical historical political and cultural topics to provide a comprehensive background to the unfolding and understanding of prose fiction in the early 18th century This is followed by an alphabetical listing of novels their editions and any critical material available on each The next section provides a chronological record of significant and enduring works of fiction composed or translated in this period The volume concludes with extensive indexes *The Oxford Companion to Twentieth-Century Literature in English* Jenny Stringer, 1996-09-26 This is a unique new reference book to English language writers and writing throughout the present century in all major genres and from all around the world from Joseph Conrad to Will Self Virginia Woolf to David Mamet Ezra Pound to Peter Carey James Joyce to Amy Tan The survivors of the Victorian age who feature in *The Oxford Companion to Twentieth Century Literature in English* writers such as Thomas Hardy Olive Schreiner Rabindranath Tagore Henry James could hardly have imagined how richly diverse Literature in English would become by the end of the century Fiction plays poetry and a whole range of non fictional writing are celebrated in this informative readable and catholic reference book which includes entries on literary movements periodicals and over 400 individual works as well as articles on some 2 400 authors All the great literary figures are included whether American or Australian British Irish or Indian African or Canadian or Caribbean among them Samuel Beckett Edith Wharton Patrick White T S Eliot Derek Walcott D H Lawrence Tennessee Williams Vladimir Nabokov Wole Soyinka Sylvia Plath as well as a wealth of less obviously canonical writers from Ana's Nin to L M Montgomery Bob Dylan to Terry Pratchett The book comes right up to date with contemporary figures such as Toni

Morrison Ben Okri Salman Rushdie Carol Shields Tim Winton Nadine Gordimer Vikram Seth Don DeLillo and many others
 Title entries range from Aaron's Rod to The Zoo Story topics from Angry Young Men Bestsellers and Concrete Poetry to Soap Opera Vietnam Writing and Westerns A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century and the increasingly international sources of writing in English which the Companion records Catering for all literary tastes this is the most comprehensive single volume guide to modern and postmodern literature

Modern Genre Theory David Duff, 2014-09-11 Since Aristotle genre has been one of the fundamental concepts of literary theory and much of the world's literature and criticism has been shaped by ideas about the nature function and value of literary genres Modern developments in critical theory however prompted in part by the iconoclastic practices of modern writers and the emergence of new media such as film and television have put in question traditional categories and challenged the assumptions on which earlier genre theory was based This has led not just to a reinterpretation of individual genres and the development of new classifications but also to a radically new understanding of such key topics as the mixing and evolution of genres generic hierarchies and genre systems the politics and sociology of genres and the relations between genre and gender This anthology the first of its kind in English charts these fascinating developments Through judicious selections from major twentieth century genre theorists including Yuri Tynyanov Vladimir Propp Mikhail Bakhtin Hans Robert Jauss Rosalie Colie Fredric Jameson Tzvetan Todorov Gérard Genette and Jacques Derrida it demonstrates the central role that notions of genre have played in Russian Formalism structuralism and post structuralism reception theory and various modes of historical criticism Each essay is accompanied by a detailed headnote and the volume opens with a lucid introduction emphasising the international and interdisciplinary character of modern debates about genre Also included are an annotated bibliography and a glossary of key terms making this an indispensable resource for students and anyone interested in genre studies or literary theory

Re-reading the Short Story Clare Hanson, 1989-06-18 This collection of essays maintaining links with theory and practice applies a critical approach to the short story form Some are theoretical in orientation covering such issues as gender and marginality while others offer readings of works by writers such as Alice Munro and John McGahern
