Sidney Hook The Contemporary World:

Sidney Hook and the Contemporary World Paul Kurtz, 1968 **The American Evasion of Philosophy** Cornel West, 1989-12-01 A study of American pragmatism this book looks at all the different stages from the Emersonian roots through the dilemma of the mid century pragmatic intellectual up to the decline and resurgence of American pragmatism It also discusses prophetic pragmatism *Critical Crossings* Neil Jumonville, 2023-11-15 The period immediately following the Second World War was a time observed Randall Jarrell when many American writers looked to the art of criticism as the representative act of the intellectual Rethinking this interval in our culture Neil Jumonville focuses on the group of writers and thinkers who founded edited and wrote for some of the most influential magazines in the country including Partisan Review Politics Commentary and Dissent In their rejection of ideological visionary and romantic outlooks reviewers and essayists such as Sidney Hook Irving Howe Lionel Trilling Harold Rosenberg and Daniel Bell adopted a pragmatic criticism that had a profound influence on the American intellectual community By placing pragmatism at the center of intellectual activity the New York Critics crossed from large belief systems to more tentative answers in the hope of redefining the proper function of the intellectual in the new postwar world Because members of the New York group always valued being intellectuals more than being political leftists they adopted a cultural elitism that opposed mass culture Ready to combat any form of absolutist thought they found themselves pitted against a series of antagonists from the 1930s to the present whom they considered insufficiently rational and analytical to be good intellectuals the Communists and their sympathizers the Beat writers and the New Left Jumonville tells the story of some of the paradoxes and dilemmas that confront all intellectuals In this sense the book is as much about what it means to be an intellectual as it is about a specific group of thinkers This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991 **The New Encyclopedia of Unbelief** Tom Flynn, 2007-04-30 Successor to the highly acclaimed Encyclopedia of Unbelief 1985 edited by the late Gordon Stein the New Encyclopedia of Unbelief is a comprehensive reference work on the history beliefs and thinking of America s fastest growing minority those who live without religion All new articles by the field s foremost scholars describe and explain every aspect of atheism agnosticism secular humanism secularism and religious skepticism Topics include morality without religion unbelief in the historicity of Jesus critiques of intelligent design theory unbelief and sexual values and summaries of the state of unbelief around the world In addition to covering developments since the publication of the original edition the New Encyclopedia of Unbelief includes a larger number of biographical entries and much expanded coverage of the linkages between unbelief and social reform movements of the 19th and 20th centuries including the labor movement woman suffrage anarchism sex radicalism

and second wave feminism More than 130 respected scholars and activists worldwide served on the editorial board and over 100 authoritative contributors have written in excess of 500 entries The distinguished advisors and contributors philosophers scientists scholars and Nobel Prize laureates include Joe Barnhart David Berman Sir Hermann Bondi Vern L Bullough Daniel Dennett Taner Edis the late Paul Edwards Antony Flew Annie Laurie Gaylor Peter Hare Van Harvey R Joseph Hoffmann Susan Jacoby Paul Kurtz Gerd L demann Michael Martin Kai Nielsen Robert M Price Peter Singer Victor Stenger Ibn Warraq George A Wells David Tribe Sherwin Wine and many others With a foreword by evolutionary biologist and best selling author Richard Dawkins this unparalleled reference work provides comprehensive knowledge about unbelief in its many varieties and manifestations

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history

Dictionary Of Modern American Philosophers John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

Sidney Hook and the contemporary world; essays on the pragmatic intelligence, edited by Paul Kurtz , *Makers of Modern Culture* Justin Wintle, 2002 This volume provides

lively and clearly written expositions of those figures who have done most to shape our views in the period since 1914 Music cinema drama art fiction poetry and philosophy are just some of the fields covered Works about John Dewey, 1886-1995 Barbara Levine,1996 Although she has devised a new format for this bibliography Barbara Levine has included most of the materials published in the two editions of the Checklist of Writings about John Dewey Material new to this volume includes recently discovered items published during the ninety years covered by the Checklist as well as items published since 1977 Because certain studies at best have only marginal value or because they can be obtained through ordinary library research tools Levine has deleted some classes of material that appeared in the 1974 and 1978 Checklist editions primary sources with only brief references to Dewey the entire section entitled Unpublished Works about Dewey which included theses dissertations and papers presented at meetings and Educational Resources Information Center ERIC documents Levine has included all of the material published about Dewey during the 108 years between 1886 and 1994 and has included many 1995 items as well She has verified all items and whenever possible obtained copies She has discovered hundreds of items omitted from the second edition of the Checklist and has augmented the current bibliography by nearly two thousand items published since 1977 The bibliography is divided into four parts The first Books and Articles about Dewey lists works alphabetically by author Replies and responses to articles immediately follow the work cited The Reviews of Dewey s Works lists titles alphabetically Reviews are grouped alphabetically by journal under the Dewey work reviewed The Author Index includes multiple authors and editors authors of replies and responses and reviewers of works both by and about Dewey The Title Key Word Index lists key words from most titles and subtitles The CD ROM version of Works about John Dewey contains both Windows and Macintosh formats and provides increased search capabilities **Marxism in the United States** Paul Buhle,2020-05-05 A crown jewel of New Left historiography this overview of U S Marxism was hailed on its first publication for its nuanced storytelling balance and incredible sweep Brimming over with archival finds and buoyed by the recollections of witnesses and participants in the radical movements of decades past Marxism in the United States includes fascinating accounts of the immigrant socialism of the nineteenth century the formation of the CPUSA in the wake of the Bolshevik Revolution the rise of American communism and of the hugely influential Popular Front in the 1920s and 30s the crisis and split of the 50s and the revival of Marxism in the 60s and 70s This revised and updated edition also takes into account the last quartercentury of life in the U S bringing the story of American Marxism up to the present With today s resurgent interest in radicalism this new edition provides an unparalleled guide to 150 years of American left history

Contemporary Arab Thought Ibrahim M. Abu-Rabi,2003-11-20 Contemporary Arab Thought is a multifaceted book encompassing a constellation of social political religious and ideological ideas that have evolved over the past two hundred years ideas that represent the leading positions of the social classes in modern and contemporary Arab societies Distinguished Islamic scholar Ibrahim Abu Rabi addresses such questions as the Shari ah human rights civil society

secularism and globalisation This is complimented by a focused discussion on the writings of key Arab thinkers who represent established trends of thought in the Arab world including Muhammad Abid al Jabiri Adallah Laroui Muhammad al Ghazali Rashid al Ghannoushi Qutatnine Zurayk Mahdi Amil and many others Before 1967 some Arab countries launched hopeful programmes of modernisation After the 1967 defeat with Israel many of these hopes were dashed This book retraces the Arab world s aborted modernity of recent decades Abu Rabi explores the development of contemporary Arab thought against the historical background of the rise of modern Islamism and the impact of the West on the modern Arab world

Nine American Jewish Thinkers Milton Konvitz, 2018-04-17 The nine American Jews of whom Milton Konvitz writes are philosophers jurists or rabbis widely known and readily accepted as American Jewish thinkers Their work reflects all essential Jewish values Each person in his own way has dedicated his work to the betterment of life and the advancement of human ideals In this sense their Jewishness is not defined by religion alone Americanism permeated all they thought and all they did Konvitz argues that in the complex modern world secularists often serve God more handsomely than do members of synagogues or churches For example when the Supreme Court in 1954 with Felix Frankfurter playing a key role behind the

scenes agreed to outlaw segregation of the races in public schools was the Court's action secular or religious When Congress passed the statute known as the Americans with Disabilities Act requiring equal treatment of handicapped persons was the action secular or religious Is a minimum wage act secular or religious Is Medicaid a secular or a religious act Konvitz believes the distinction is not useful or even possible The book is divided into three parts reflecting Konvitz's range of intellectual interests The nine essays offer concise intellectual biographies of three American Jewish philosophers three Supreme Court Justices and three rabbis The philosophers Horace M Kallen Morris Raphael Cohen and Sidney Hook are world renowned The jurists Louis D Brandeis Benjamin N Cardozo and Felix Frankfurter hold prominent places in American legal history And the three rabbis Leo Jung Robert Gordis and Jacob Agus are known wherever Jewish thought is studied By treating with equal seriousness the lives and writings of both religious and secularist thinkers the author intentionally minimizes the conventional antagonism and frequent conflict between religion and secularism An unusual feature of the book is the fact that the author was a close friend of six of the persons whose lives and work are examined allowing him a perceptive insight into their character and thought Although the book is about serious subjects its graceful style makes the contents easily accessible to lay persons as well as scholars and students of Judaica **Sidney Hook and the**

Sidney Hook The Contemporary World Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sidney Hook The Contemporary World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sidney Hook The Contemporary World has opened up a world of possibilities. Downloading Sidney Hook The Contemporary World provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sidney Hook The Contemporary World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sidney Hook The Contemporary World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sidney Hook The Contemporary World. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sidney Hook The Contemporary World,

users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sidney Hook The Contemporary World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
