Shelby Foote C. Stuart Chapman,2006 A biography that plumbs the ambiguous life of the gentlemanly novelist and historian *The Best Short Stories of O. Henry* O. Henry,2010-07-28 The more than 600 stories written by O Henry provided an embarrassment of riches for the compilers of this volume The final selection of the thirty eight stories in this collection offers for the reader s delight those tales honored almost unanimously by anthologists and those that represent in variety and balance the best work of America s favorite storyteller They are tales in his most mellow humorous and ironic moods They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O Henry one of the great masters of the short story **Out of Print: Ten Years: An Anthology of Stories** Indira Chandrasekhar,2024-07-03 About the book Out of Print in print A decade ago in 2010 Indira Chandrasekhar set up Out of Print to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty **Decades of Terror 2021: 2000s Weird Movies** Steve Hutchison,2023-02-23 Steve Hutchison reviews 100 amazing weird horror films from the 2000s Each film is analyzed and discussed with a synopsis and a rating The movies are ranked How many have you seen **The Tragedies of Shakespeare** William Shakespeare,2000-11-01 A collection of Shakespearean tragedies including the full texts of Titus Andronicus Romeo and Juliet Julius Caesar Macbeth Hamlet King Lear Othello and Antony and Cleopatra ROMEO AND JULIET One of the Bard s most popular plays Romeo and Juliet is both the quintessential account of young love and the cautionary tale of the tragedy that can occur when the forces of passion and pride are at odds JULIUS CAESAR In this striking tragedy of political conflict Shakespeare turns to the ancient Roman world and to the famous assassination of Julius Caesar by his republican opponents MACBETH When a trio of witches foretell that Macbeth will become King of Scotland the brave general is consumed by ambition Encouraged by his wife to seize the throne their quest for power leads down a blood strewn path that ends in madness and death in this play that explores the consequences of guilt and corruption HAMLET One of the greatest plays of all time the compelling tragedy of the tormented young prince of Denmark continues to capture the imaginations of modern audiences worldwide Confronted with evidence that his uncle murdered his father and with his mother s infidelity Hamlet must find a means of reconciling his longing for oblivion with his duty as avenger Includes the following plays Troilus and Cressida Coriolanus Titus Andronicus Romeo and Juliet Timon of Athens Julius Caesar Macbeth Hamlet Prince of Denmark King Lear Othello the Moor of Venice Antony and Cleopatra Cymbeline Pericles Prince of Tyre *The Best Australian Stories 2009* Delia C. Falconer,2010 In The Best

Australian Stories 2009 Delia Falconer collects the year's most outstanding short fiction showcasing the strength and diversity of Australian writing today There are masterful stories from some of the country's best loved authors as well as exciting new work from up and coming young writers This is a perfect book for summer and a delightful introduction to Australia's best contemporary writing Contributors include Cate Kennedy DBC Pierre Gail Jones Karen Hitchcock Peter Goldsworthy Robert Drewe Steven Amsterdam and more The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark's narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities The Varieties of Religious Experience William James, 2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The Varieties of Religious Experience is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential one written on religion in the twentieth century said Walter Houston Clark in Psychology Today The book was an immediate bestseller upon its publication in June 1902 Reflecting the pluralistic views of psychologist turned philosopher William James it posits that individual religious experiences rather than the tenets of organized religions form the backbone of religious life James's discussion of conversion repentance mysticism and hopes of reward and fears of punishment in the hereafter as well as his observations on the religious experiences of such diverse thinkers as Voltaire Whitman Emerson Luther Tolstoy and others all support his thesis James characteristic humor his ability to put down the pretentious and to be unpretentious and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book noted Professor Martin E. Marty A reader will come away with more reasons to raise new questions than to feel that old ones have been resolved Stories of Four Decades Glenn Meeter, 2009-09 A number of the stories in Glenn Meeter's Stories of Four Decades have been reprinted most frequently Hard Row and A Harvest but they all made their first appearance in publications as diverse as The Atlantic Monthly Redbook Epoch The Literary Review and The Reformed Journal Each story has its own individual appeal Each has its own style theme mood its own plot and setting and its own cast of characters who come fully to life only within its boundaries Even Peter Heitz in The Oppressor has different problems and preoccupations from the slightly older character with the same name in The Convert But set with

others in a collection that touches major points in life stories of Youth followed by those of Marriage and Parenthood and finally New Journeys each story takes on new dimensions Together they form a tableau of life in the American Midwest and California a mid century Mecca for Midwesterners from the forties through the seventies One thinks of the slow clank clank of tire chains on mall town winter streets in the first story the visitors to Grandmother s house paying Chicago tolls in the last and in between Lost Angeles freeways and South Dakota gravel roads Another dimension is as ancient as Joseph in Egypt the clash of rural and village culture with urban modernity Some characters need to break away from the village culture faith family community some lose it and re create it Some seek it out All need to re interpret it And all struggle to maintain and pass on some aspects of that culture if only the awed thankfulness of the traveler in A Harvest who exclaims about his own journey but my God what a delight just to travel through

The Souls of Black Folk W.E.B. Du Bois,2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The problem of the twentieth century is the problem of the color line Thus speaks W E B Du Bois in The Souls Of Black Folk one of the most prophetic and influential works in American literature In this eloquent collection of essays first published in 1903 Du Bois dares as no one has before to describe the magnitude of American racism and demand an end to it He draws on his own life for illustration from his early experiences teaching in the hills of Tennessee to the death of his infant son and his historic break with the conciliatory position of Booker T Washington Far ahead of its time The Souls Of Black Folk both anticipated and inspired much of the black conciousness and activism of the 1960 s and is a classic in the literature of civil rights The elegance of DuBois s prose and the passion of his message are as crucial today as they were upon the book s first publication
