Longest Debate A Legislative History Of The 1964 Civil Rights Act

Nikki Brown, Barry M. Stentiford

Longest Debate A Legislative History Of The 1964 Civil Rights Act:

The Longest Debate Charles Whalen, Barbara Whalen, 1986-03-01 The behind the scenes story of the debate in Congress over the 1964 Civil Rights Act chronicles the compromises filibusters deals and deceptions involved in passing the bill

Landmark Debates in Congress Stephen W. Stathis, 2009 Presents and analyzes numerous pivotal historical debates from the Declaration of Independence to authorizing war with Iraq

Building the Bloc Ruth Bloch Rubin, 2017-08-11 Traversing more than a century of American history this book advances a new theory of congressional organization to explain why and how party dissidents rely on institutions of their own making arguing that these intraparty organizations can radically shift the balance of power between party leaders and rank and file members Intraparty organizations empower legislators of varying ideological stripes to achieve collective and coordinated action by providing selective incentives to cooperative members transforming public good policies into excludable accomplishments and helping members to institute rules and procedures to promote group decision making Drawing on rich archival evidence and interview data the book details the challenges dissident lawmakers encounter when they face off against party leaders and their efforts to organize in response Eight case studies complicate our understanding of landmark fights over rules reform early twentieth century economic struggles mid century battles over civil rights legislation and contemporary debates over national health care and fiscal policy

Encyclopedia of African-American Education Charles A. Asbury, D. Kamili Anderson, Michael Fultz, Sylvia M. Jacobs, Faustine C. Jones-Wilson, Margo Okazawa-Rey, 1996-08-28 This indispensable reference is a comprehensive guide to significant issues policies historical events laws theories and persons related to the education of African Americans in the United States Through several hundred alphabetically arranged entries the volume chronicles the history of African American education from the systematic long term denial of schooling to blacks before the Civil War to the establishment of the Freedmen s Bureau and the era of Reconstruction to Brown v Board of Education and the civil rights reforms of the last few decades Entries are written by expert contributors and contain valuable bibliographies while a selected bibliography of general sources concludes the volume The African American population is unique in that its educational history includes as law and public policy the systematic long term denial of the acquisition of knowledge In the 18th century African Americans were initially legally forbidden to be taught academic subjects in the South where most African Americans lived This period which ended around 1865 with the conclusion of the Civil War and the establishment of the Freedmen s Bureau was followed by the introduction of laws policies and practices providing for rudimentary education for 69 years under the dual school separate but equal policies established by Plessy v Ferguson 1896 These policies did not end until the Brown v Board of Education decisions of 1954 and 1955 were reinforced by the passage of civil rights and equal opportunity legislation in the mid 1960s The education of African Americans has been a continuing moral political legal economic and psychological issue throughout this country s history It continues to consume time and attention and it remains

an unresolved dilemma for the nation Through several hundred alphabetically arranged entries this indispensable reference offers a comprehensive overview of significant issues policies historical events laws persons and theories related to African American education from the early years of this country to the present day The entries are written by expert contributors and each entry includes a bibliography of works for further reading A selected general bibliography concludes the volume Big Jim Eastland J. Lee Annis Jr.,2016-07-21 For decades after the Second World War Senator James O Eastland 1904 1986 was one of the more intransigent leaders of the Deep South s resistance to what he called the Second Reconstruction And yet he developed late in his life a very real friendship with state NAACP chair Aaron Henry Big Jim Eastland provides the life story of this savvy unpredictable powerhouse From 1947 to 1978 Eastland wore that image of resistance proudly even while recognizing from the beginning his was the losing side Biographer J Lee Annis Jr chronicles such complexities extensively and also delves into many facets lesser known to the general public Born in the Mississippi Delta as part of the elite planter class Eastland was appointed to the US Senate in 1941 by Democratic Governor Paul B Johnson Sr Eastland ran for and won the Senate seat outright in 1942 and served in the Senate from 1943 until his retirement in 1978 A blunt man of few words but many contradictions Eastland was an important player in Washington from his initial stint in 1941 where he rapidly salvaged several key local projects from bungling intervention to the 1970s when he shepherded the Supreme Court nominees of Richard Nixon and Gerald Ford to Senate confirmation Annis paints a full picture of the man describing the objections Eastland raised to civil rights proposals and the eventual accommodations he needed to accept after the passage of the Voting Rights Act of 1965 **Senator Sam Ervin, Last of the Founding Fathers (Volume 3 of 3) (EasyRead Super Large 20pt Edition) ,** **Harvard Law Review: Volume 125, Number 6 - April 2012** Harvard Law Review,2012-04-20 The Harvard Law Review is offered in a digital edition featuring active Table of Contents linked footnotes and cross references linked URLs in notes legible tables and proper ebook formatting This current issue of the Review is April 2012 the sixth issue of academic year 2011 2012 Volume 125 Featured articles and essays in this issue are from such recognized scholars as Cary Franklin in an article on inventing the traditional concept of sex discrimination Richard Pildes on law and the President in an essay reviewing a book by Eric Posner and Adrian Vermeule and Robert Weisberg on the tragedy of crime and criminal law reviewing a book by the late William Stuntz Student contributions explore the law relating to everlasting software incarcerating immigration detainees the First and Fourteenth Amendments Sixth Amendment implications of napping defense counsel copyright under the first sale doctrine war powers in Libya and eyewitness identification evidence **Readings in Arkansas Politics and Government** Kim U. Hoffman,Janine A. Parry,Catherine Reese,2019-12-11 This second edition of the authoritative Readings in Arkansas Politics and Government brings together in one volume some of the best available scholarly research on a wide range of issues of interest to students of Arkansas politics and government The twenty one chapters are arranged in three sections covering both historical and contemporary issues

ranging from the state's socioeconomic and political context to the workings of its policymaking institutions and key policy concerns in the modern political landscape. Topics covered include racial tension and integration, social values, political corruption, public education, obstacles facing the state's effort to reform welfare and others. Ideal for use in introductory and advanced undergraduate courses, the book will also appeal to lawmakers, public administrators, journalists, and others interested in how politics and government work in Arkansas.

The Contemporary History Handbook Brian Brivati, Julia Buxton, Anthony Seldon, 1996. This guide should be useful to those studying and researching modern history. International and up to date, it covers sources and controversies in the subject area and includes a section of useful addresses. The volume is divided into three main sections which together comprise a reference work for contemporary historians.

Catching the Wind Neal Gabler, 2021-11-02. NEW YORK TIMES NOTABLE BOOK. One of the truly great biographies of our time. Sean Wilentz, New York Times bestselling author of *Bob Dylan in America* and *The Rise of American Democracy*. A landmark study of Washington power politics in the twentieth century in the Robert Caro tradition. Douglas Brinkley, New York Times bestselling author of *American Moonshot*. The epic definitive biography of Ted Kennedy, an immersive journey through the life of a complicated man and a sweeping history of the fall of liberalism and the collapse of political morality. *Catching the Wind* is the first volume of Neal Gabler's magisterial two-volume biography of Edward Kennedy. It is at once a human drama, a history of American politics in the late twentieth and early twenty-first centuries, and a study of political morality and the role it played in the tortuous course of liberalism. Though he is often portrayed as a reckless hedonist who rode his father's fortune and his brother's coattails to a Senate seat at the age of thirty, the Ted Kennedy in *Catching the Wind* is one the public seldom saw: a man both racked by and driven by insecurity, a man so doubtful of himself that he sinned in order to be redeemed. The last and by most contemporary accounts the least of the Kennedys, a lightweight. He lived an agonizing childhood, being shuffled from school to school at his mother's whim, suffering numerous humiliations, including self-inflicted ones, and being pressed to rise to his brother's level. He entered the Senate with his colleagues' lowest expectations: a show horse, not a workhorse, but he used his ninth child's talent of deference to and comity with his Senate elders to become a promising legislator. And with the deaths of his brothers John and Robert, he was compelled to become something more: the custodian of their political mission. In *Catching the Wind*, Kennedy, using his late brother's moral authority, becomes a moving force in the great liberal hour which sees the passage of the anti-poverty program and the Civil Rights and Voting Rights Acts. Then, with the election of Richard Nixon, he becomes the leading voice of liberalism itself at a time when its power is waning, a shadow president challenging Nixon to keep the American promise to the marginalized while Nixon lives in terror of a Kennedy restoration. *Catching the Wind* also shows how Kennedy's moral authority is eroded by the fatal auto accident on Chappaquiddick Island in 1969, dealing a blow not just to Kennedy but to liberalism. In this sweeping biography, Gabler tells a story that is Shakespearean in its dimensions: the story of a star-crossed figure who rises above his seeming limitations and

the tragedy that envelopes him to change the face of America From Direct Action to Affirmative Action Paul D. Moreno, 1999-02-01 The nature of race based employment discrimination and its proper solution continue to be topics of much public debate Scarce however is the kind of dispassionate scholarly treatment that lends a helpful long range perspective on the matter In this welcome study Paul D Moreno retraces the legal and political responses to racial bias in America s workplaces From Direct Action to Affirmative Action makes clear that the demand for preferential employment practices originated decades before the Civil Rights Act of 1964 By casting the development of modern national policy in a broader historical context it brings depth and nuance to an understanding of this important area of civil rights **The A to Z of the Kennedy-Johnson Era** Richard Dean Burns, Joseph M. Siracusa, 2009-09-21 In the history of the United States few periods could more justly be regarded as the best and worst of times than the Kennedy Johnson era The arrival of John F Kennedy in the White House in 1961 unleashed an unprecedented wave of hope and optimism in a large segment of the population a wave that would come crashing down when he was assassinated only a few years later His successor Lyndon B Johnson enjoyed less popularity but he was one of the most experienced and skilled presidents the country had ever seen and he promised a Great Society to rival Kennedy s New Frontier Both presidents were dogged by foreign policy disasters Kennedy by the Bay of Pigs fiasco although he came out ahead on the Cuban missile crisis and Johnson from the backlash of the Vietnam War The 1960s witnessed unprecedented progress toward racial and sexual equality but it also played host to race and urban riots And while impressive advances in the sciences and arts were fueling the American imagination the counterculture rejected it all The A to Z of the Kennedy Johnson Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues *Race and Racism in the United States* Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts

Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research *White Flight* Kevin M. Kruse,2013-07-11 During the civil rights era Atlanta thought of itself as The City Too Busy to Hate a rare place in the South where the races lived and thrived together Over the course of the 1960s and 1970s however so many whites fled the city for the suburbs that Atlanta earned a new nickname The City Too Busy Moving to Hate In this reappraisal of racial politics in modern America Kevin Kruse explains the causes and consequences of white flight in Atlanta and elsewhere Seeking to understand segregationists on their own terms *White Flight* moves past simple stereotypes to explore the meaning of white resistance In the end Kruse finds that segregationist resistance which failed to stop the civil rights movement nevertheless managed to preserve the world of segregation and even perfect it in subtler and stronger forms Challenging the conventional wisdom that white flight meant nothing more than a literal movement of whites to the suburbs this book argues that it represented a more important transformation in the political ideology of those involved In a provocative revision of postwar American history Kruse demonstrates that traditional elements of modern conservatism such as hostility to the federal government and faith in free enterprise underwent important transformations during the postwar struggle over segregation Likewise white resistance gave birth to several new conservative causes like the tax revolt tuition vouchers and privatization of public services Tracing the journey of southern conservatives from white supremacy to white suburbia Kruse locates the origins of modern American politics Some images inside the book are unavailable due to digital copyright restrictions

Major Issues in the Federal Law of Employment Discrimination George Rutherglen,1996 **A Fair Share for All** United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions,2012 **Running Steel, Running America** Judith Stein,1998 The history of modern liberalism has been hotly debated in contemporary politics and the academy Here Judith Stein uses the steel industry long considered fundamental to the U S economy to examine liberal policies and priorities after World War II I **Chasing King's Killer** James L. Swanson,2018-01-02 An astonishing account of the assassination of America s most beloved and celebrated civil rights leader Martin Luther King by New York Times bestselling author James L Swanson NAACP Image Award Nominee Chicago Public Library Best Book of the Year Kirkus Reviews Best Young Adult Book of the Year James L Swanson s masterful work reveals in gripping style how one individual can impact history Booklist starred review In his meteoric thirteen year rise to fame Dr Martin Luther King Jr led a mass movement for Civil Rights with his relentless peaceful non violent protests public demonstrations and eloquent speeches But as violent threats cast a dark shadow over Dr King s life Swanson hones in on James Earl Ray a bizarre racist prison escapee who tragically ends King s life As he did in his bestselling Scholastic MG YA books *Chasing Lincoln's Killer* and *THE PRESIDENT HAS BEEN SHOT* Swanson transports readers back to one of the most shocking sad and terrifying events in American history More than eighty photographs captions bibliography various source notes and index included Historical

Dictionary of School Segregation and Desegregation Jeffrey Raffel, 1998-10-15 Throughout the nation's history from before the Civil War through Reconstruction across the years of lynchings and segregation to the Brown v Board of Education decision and the battles over busing no issue has divided the American people more than race and at the heart of the race issue has been the conflict over school segregation and desegregation Prior to the Civil War South Carolina enacted the first compulsory illiteracy law which made it a crime to teach slaves to write and other Southern states soon followed South Carolina's example After the Civil War schools for blacks were founded throughout the South including many Historically Black Colleges and Universities The 1896 Plessy v Ferguson Supreme Court decision established the principle of separate but equal education which led to decades of segregation With the 1954 Brown decision the Supreme Court overturned the separate but equal principle and the Civil Rights Act of 1964 empowered the federal government to affect school desegregation The process of desegregation continues to this day with much debate and mixed results Through more than 260 alphabetically arranged entries this comprehensive reference book describes persons court decisions terms and concepts legislation reports and books types of plans and organizations central to the struggle for educational equality The volume covers topics ranging from emotionally laden terms such as busing to complex legal concepts such as de facto and de jure segregation Each entry includes factual information a summary of different viewpoints and a brief bibliography The book includes an introduction which outlines the history of school segregation and desegregation along with a chronology and extensive bibliographic material Thus this reference is a complete guide to school segregation and desegregation in elementary secondary and higher education in the United States **Jim Crow** Nikki Brown, Barry M. Stentiford, 2014-10-28

This one volume reference work examines a broad range of topics related to the establishment maintenance and eventual dismantling of the discriminatory system known as Jim Crow Many Americans imagine that African Americans struggle to achieve equal rights has advanced in a linear fashion from the end of slavery until the present In reality for more than six decades African Americans had their civil rights and basic human rights systematically denied in much of the nation Jim Crow A Historical Encyclopedia of the American Mosaic sheds new light on how the systematic denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula An introductory essay frames the work and explains the significance and scope of this regrettable period in American history Written by experts in their fields the accessible entries will enable readers to understand the long hard road before the inception of the Civil Rights Movement in the 20th century while also gaining a better understanding of the experiences of minorities in the United States African Americans in particular
