Let's Look at Japan A. M. Reynolds, 2019 Welcome to Japan Visit Mount Fuji Enjoy a meal of sushi Discover this country of islands and its people animals and traditions **A Peek at Japan** Florence E. Metcalf, 1992 Perfect binding Illustrated black white red cover Over 150 sketches calligraphy Fifteen beautiful photos Pronunciation guide English Japanese in different typestyles for clarity 146 pages 8 1/2 x 11 Born of Canadian missionaries in Japan author Florence Metcalf lived there 18 prewar years returned for the Allied occupation now teaches American students Japanese Japanese businessmen s wives English Seven or seventy A PEEK AT JAPAN provides a stressfree tool to learn everyday expressions useful phrases counting simple writing reading A FUN BOOK Descriptions of homelife customs festivals recipes songs with music folktales things unique to Japan are factual Charming illustrations by Japanese artists are current Now economically intermingled new curiosity about Japan prevails re language customs We must learn more about each other This book is valuable to language social studies teachers preschool through high school travellers students 4 H YMCA sister city groups Japanese owned business employees grandparents readers interpreting current events METCO PUBLISHING 15805 S E 12th Place Bellevue WA 98008 14 95 Washington State only tax 1 23 Shipping 2 05 in US each additional 0 75 Canada double Phone 1 206 746 2853 **Look at Japan** Nihon Kōtsū Kōsha, 1961 **Between Friends** 日本文学, Ryōhei Murata, Hisahiko Okazaki, 1985 *Look Japan*, 1993 **Japan**, 1926 **Japan - Restless Competitor** Dr Malcolm Trevor, Malcolm Trevor, 2013-12-16 In this important new and controversial study about the nature and focus of the Japanese economic agenda the author argues forcefully that the official mind set of leading bureaucrats top politicians and big business makes it virtually impossible for the western industrialized world to do business on an equal footing Put simply it is a question of western free market economics facing Japanese economic nationalism which is by its very nature both an expansive and a protectionist ideology International observers continue to ask is Japan changing or more forcefully is Japan capable of change Notions of reform and restructuring are today part of the Japanese lexicon but appear to hold little substance Trevor argues that any western notion of Japan changing fundamentally i e adopting western or Anglo Saxon philosophies is facile completely unrealistic This book is for everyone who wonders what motivates Japan s politico economic system and whether it is changing **Marriage and Marriageability** Chigusa Yamaura, 2020-07-15 How do the Japanese men and Chinese women who participate in cross border matchmaking individuals whose only interaction is often just one brief meeting come to see one another as potential marriage partners Motivated by this question Chigusa Yamaura traces the practices of Sino Japanese matchmaking from transnational marriage agencies in Tokyo to branch offices and language schools in China from initial meetings to marriage the visa application processes and beyond to marital life in Japan Engaging issues of colonial history local norms and the very ability to conceive of another or oneself as marriageable Marriage and Marriageability rethinks cross border marriage not only as a form of gendered migration but also as a set of practices that constructs marriageable partners and imaginable

marriages Yamaura shows that instead of desiring different others these transnational marital relations are based on the tactical deployment of socially and historically created conceptions of proximity between Japan and northeast China Far from seeking to escape local practices participants in these marriages actively seek to avoid transgressing local norms By doing so on a transnational scale they paradoxically reaffirm and attempt to remain within the boundaries of local marital ideologies

The Anime Companion 2 Gilles Poitras,2005-06-01 Become an expert on cultural details commonly seen in Japanese animation movies comics and TV shows The Review of the Churches ,1892 **Family and Social Policy in Japan** Roger Goodman,2002-11-26 Table of contents *Japan's Subnational Governments in International Affairs* Purnendra Jain,2006-03-13 1 Contexts conceptual comparative and Japanese 2 Japanese SNGs as international actors domestic dimensions 3 International exchanges SNGs lead with a soft approach 4 International cooperation a strategic edge 5 Economic diplomacy 6 Hard diplomacy SNGs and national security **Japan at the Millennium** David W. Edgington,2003 Japan today is at an important historical juncture Buffeted in recent years by rapid economic social and political change yet still very much steeped in custom and history the nation has become an amalgam of the traditional and the modern As a result the country has become increasingly difficult to categorize How are we to represent today s Japan effectively and fairly predict its future This critical multi disciplinary collection explores the convergence of past and future in contemporary Japan Contributors comment on a wide range of economic socio cultural and political trends such as the mobilization of Japanese labour the burgeoning Ainu identity movement and the shifting place of the modern woman and conclude that despite the rapid changes many of the traditional facets of Japanese society have remained intact institutional change they assert is unlikely to occur quickly and Japan must find alternate ways to adjust to twenty first century pressures of global competition and interdependence A pleasure to read this broad volume will be welcomed by upper level undergraduates graduates and specialists in Japanese studies The Voluntary and Non-Profit Sector in Japan Stephen Osborne,2003-09-02 The voluntary and non profit sector is an important and emerging feature of Japanese society It is a response both to the changing nature of this society and to political and social trends that have encouraged the Japanese government to see this sector as a potential provider of public services It is also part of the emergence of civil society in Japan This book explores the roots of the societal challenges that voluntary and non profit organisations face in Japan and evaluates their future impact on Japanese society Containing contributions from leading researchers internationally as well as from key practitioners from Japan this book is essential reading for any student of Japanese studies or the international non profit sector **Embedded Racism** Debito Arudou,2021-11-26 Despite domestic constitutional provisions and international treaty promises Japan has no law against racial discrimination Consequently businesses around Japan display Japanese Only signs denying entry to all foreigners on sight Employers and landlords routinely refuse jobs and apartments to foreign applicants Japanese police racially profile foreign looking bystanders for invasive questioning on the street Legislators administrators and pundits portray foreigners as

a national security threat and call for their segregation and expulsion Nevertheless Japan s government and media claim there is no discrimination by race in Japan therefore no laws are necessary How does Japan resolve the cognitive dissonance of racial discrimination being unconstitutional yet not illegal Embedded Racism untangles Japan s complex narrative on race Starting with case studies of hundreds of Japanese Only exclusionary businesses it carefully analyzes the social construction of Japanese identity through laws public policy jurisprudence and media messages It reveals how the concept of a Japanese has been racialized to the point where one must look Japanese to have equal civil and human rights in Japan Completely revised and updated for this Second Edition including landmark events like the 2020 Tokyo Olympics the Covid Pandemic and the Carlos Ghosn Case Embedded Racism is the product of three decades of research and fieldwork by a scholar living in Japan as a naturalized Japanese citizen It offers a perspective into how Japan s entrenched misunderstood and deliberately overlooked racial discrimination not only undermines Japan s economic future but also emboldens white supremacists worldwide who see Japan as their template ethnostate The Japan Daily Mail ,1875 **Japan's System of Official Development Assistance** Micheline Beaudry,Chris M. Cook,International Development Research Centre (Canada),1999 Japans System of Official Development Assistance Contemporary Portraits of Japanese Women Yukiko Tanaka,1995-04-30 As Japan shifted from an agricultural country before 1950 to an industrialized nation in less time than any other developed country women felt the pressure of the shift Husbands worked longer hours leaving all the household chores and child rearing to their wives while fulfilling their responsibilities as corporate soldiers The economy was fueled by a diligent well educated low paid workforce but gender role division became even more rigid Household incomes rose and improvement in areas such as diets transportation and leisure were made modern appliances also made it possible for mothers to have part time jobs But pollution also rose as did prices and crowded living conditions began to impinge on family life Tanaka who has spent many years looking back at her country from an American perspective examines marriage motherhood employment independence women s movements and old age for women in Japan over the last 50 years **U.S.-Japan Relations** Richard B. Finn, Japan's Foreign Policy in the 1990s R. Drifte,1996-05-07 This book looks at Japan s foreign policy at the regional and global level from a power perspective It argues that Japan is no longer an economic superpower while satisfying itself with the posture of a political pygmy Instead Japan is increasingly translating its economic power into influence over the perceptions intentions options and material circumstances of other people This new power posture has been referred to as civilian power but is no less effective for national interest than military power was in the past The present economic difficulties and the political upheaval have not significantly dented Japan s power

Look At Japan Introduction

In today's digital age, the availability of Look At Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Look At Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Look At Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Look At Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Look At Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Look At Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Look At Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users

to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Look At Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Look At Japan books and manuals for download and embark on your journey of knowledge?
