^C
Well I know a guy that's got a lot to lose,
^F
He's a pretty nice fella, kinda confused.
^C
He's got muscles in his head ain't never been used,
^{G G7}
He thinks he owns half of this town.

^C
Well he starts drinkin' heavy, gets a big red nose,
^F
Then he fights with his lady, until it shows.
^C
He takes her out to dinner, and buys her new clothes,
^{G C}
And that's the way that the world goes 'round.

Chorus:

^C
That's the way that the world goes 'round,
^F
You're up one day, the next you're down,
^C
It's half inch of water, but you think you're gonna drown,
^{G7 C}
That's the way that the world goes 'round.

I was sittin' in the bathtub, a-countin' my toes,
When the radiator broke, the water all froze.
I got stuck in the ice, without my clothes,
Naked as the eyes of a clown.

I was crying those ice cubes, hoping I'd croak,
When the sun came through the window, the ice all broke.
I stood up and laughed; I thought it was a joke,
That's the way that the world goes 'round.

Chorus.

Chorus.

Did you ever stand and shiver
While you were staring at a river?

That's the way that the world goes 'round. (repeat...)

Chorus.

That's the way that the world goes 'round,
That's the way that the world goes 'round.

White,2016-04-13 It was only a few years ago when God shed his light on me and anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me The grace of God bestowed on me the special gift that was given It burns in my soul and lets the words flow on this paper it is written May I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me To see the mighty hand of God the Creator of all things who used a humble servant and made her a child of the king **Life Now** Jansher,2024-07-30 The capability of today s man has become so narrow that it is painful to imagine Today s human life is reduced to working eating sleeping and reproducing First they placed today s man in a certain place then gave him the wrong values National values patriotism ideological values They caught him at a certain point They closed all avenues for him They took away his chances Today s man knows nothing about life He sees nothing of creation Today s man never knows how far the beauty of nature and divine creation is spread He knows nothing Because his whole life is spent fighting over things that are all lies and illusions his life is wasted fighting and struggling with his comrades He never gets anywhere That is why he is in agony Then few people take advantage of the facilities and the nations beat each other over the head they are busy enjoying life and creation The sole mission of humanity today is to provide land for certain groups to live on Human slavery today has become so brilliant that it has almost assumed the color of sanctity and godliness In the name of knowledge and education he learns the art of slavery in the first half of his life and in the second half he does his slavery They call it alive
