Look Up Look Down Look All Around:

Look with Me Sandra Williams, 2012-08 *Look With Me* is a book of poetry storytelling for toddlers and preschoolers. It includes three short stories that provide stepping stones of adventure as seen through the eyes of a child. The words and illustrations encourage little thinkers, our children, to speak about what they see. Read along with your children and help them explore the world they see, hear, and imagine. Looking is part of the adventure in every child's journey of exploration. Encourage children to speak and share their thoughts as you dialogue with them about all the things that they see. One story, *Looking Together*, is especially dedicated to children without sight. Looking is not just about what is seen with the eyes but what you hear and feel in your heart and mind. The book is written and designed to encourage children to talk and share ideas as each story ends with a question.
