Introducing Margot Robbie
 There is much to admire about 29 year old Margot Robbie Since arriving in Hollywood from her native Australia 10 years ago she has been in two dozen movies and is one of the best actresses in Hollywood today She also founded her own production company and in 2017 made Time magazine s list of the 100 most influential people in the world So what is Robbie s secret to success Though her talent is a key factor it s her drive and her contributions to reshaping Hollywood for women that have made her stand out As an actress Robbie is extremely versatile In her breakthrough role she starred as the tough Brooklyn accented Naomi LaPaglia in The Wolf of Wall Street clearly outshining her male costar Leonardo DiCaprio Robbie went on to play a wide range of other characters including Jane Porter Tarzan s love interest in The Legend of Tarzan and Harley Quinn a crazy roller skating psychiatrist in Suicide Squad But it wasn t until 2017 when Robbie played the real life figure skater Tonya Harding in I Tonya that her acting won the hearts of everyone The movie which Robbie also produced earned her an Academy Award nomination for Best Actress Growing up Margot Robbie knew she had to fight her way to the top She was born on a farm in Queensland Australia and her father abandoned the family when Robbie was little leaving her mother to raise her and her three siblings While studying drama in high school Robbie held three jobs to help make ends meet Later she got a role in a popular Australian TV soap opera after calling the company multiple times and refusing to take no for an answer Three years later she left the show for Hollywood Besides acting Robbie has done notable work in film production With I Tonya under her belt Robbie took on new projects such as Birds of Prey featuring Harley Quinn and Promising Young Woman about a tragedy stricken vengeance seeking young woman It s not surprising that female characters are the focus of these films Speaking publicly Robbie pointed out that many women in Hollywood have to struggle for the right to earn a living and the right to be heard Through acting and film production Robbie gives women stronger representation in the movie business and that s certainly a welcome contribution
