

A young woman with long dark hair, wearing a dark sleeveless top, sits on a black metal chair at a small round table. A young man with blonde hair, wearing a dark t-shirt and light-colored shorts, sits opposite her, resting his head on his hand. The table has several glasses on it. They are outside a building with large windows, and the scene is lit with warm, ambient light from the building and streetlights. The background is dark, suggesting it is nighttime.

Thine is the Kingdom: A Novel Abilio Estevez,2012-01-31 Reading Abilio Estevez s Thine Is the Kingdom is a little like attending a cocktail party blindfolded a million conversations are all happening at the same time and you have to work to figure out just who s talking But this remarkable novel out of Cuba is worth the extra effort Set in a run down enclave of pre Castro Havana known as the Island the story follows the fortunes of its residents through a magical realist dreamscape of fantasy history life death love and the weather There is the crazy Barefoot Countess the pastry vendor Merengue and the bookstore owner Rolo There is Miss Berta who lives with her always sleeping 90 year old mother Dona Juana and Irene who lives with her not yet out of the closet gay son Lucio Professor Kingston the Jamaican English teacher Casta Diva a would be opera singer Chavito the carver of poor imitations of classical statues Vido the adolescent voyeur Mercedes and her blind sister Marta who dreams of Florence the cast is enormous and cacophonous The book hopscotches among characters tenses first second and third person narratives often within the same paragraph as Estevez plunges us headlong into the inner thoughts dreams and fears of his multitude of dramatis personae On this page it is best to use the future tense a generally inadvisable practice It has already been written that Chacho had gotten back from Headquarters just past four in the afternoon and that he was the first to notice the coming storm The following day after the events that will soon be narrated had taken place Chacho will begin to talk less and less and less until he decides to take to bed And as it is best not to abuse this generally inadvisable tense it is just and proper that we leave Chacho to his silence until such a time as he should reappear as God wills it in this narration In less accomplished hands this hodgepodge of voices narrative threads and personalities might have added up to literary bedlam But there is method in Estevez s madness as the story gradually emerges in the meantime the sheer force of his prose and sly commentary on his own inventions carry the reader through
