Paperbound Books in Print ,1991   **Books in Print** ,1991   Books in Print Supplement ,1988   **The Cambridge Companion to Utopian Literature** Gregory Claeys,2010-08-05 Using a combination of historical and thematic approaches this volume engages with the fascinating and complex genre of utopian literature   *American Babylon* Philip S. Gorski,2020-03-31 Why did 81 percent of white evangelicals vote for Donald Trump in 2016 And what does this tell us about the relationship between Christianity and democracy in the United States American Babylon places our present political moment against a deep historical backdrop In Part I the author traces the development of democratic institutions from Ancient Greece through to the American Revolution and of Christian political theology from Augustine to Falwell Part II charts the decline of democratic governance within American churches explains the capture of evangelical Christianity by the Republican Party and denounces the fateful embrace between white Christian nationalists and right wing populists that culminated in Trump s victory An accessible and timely book American Babylon is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of divinity history political science religious studies and sociology   **Children's Books in Print** ,1993   **Paperbound Book Guide for Colleges** ,1972   Book News ,1890   **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles   **Annual Paperbound Book Guide for High Schools** ,1969   **The Whites of Their Eyes** Jill Lepore,2011-08-08 From acclaimed bestselling historian Jill Lepore the story of the American historical mythology embraced by the far right Americans have always put the past to political ends The Union laid claim to the Revolution so did the Confederacy Civil rights leaders said they were the true sons of liberty so did Southern segregationists This book tells the story of the centuries long struggle over the meaning of the nation s founding including the battle waged by the Tea Party Glenn Beck Sarah Palin and evangelical Christians to take back America Jill Lepore Harvard historian and New Yorker staff writer offers a careful and concerned look at American history according to the far right from the rant heard round the world which launched the Tea Party to the Texas School Board s adoption of a social studies curriculum that teaches that the United States was established as a Christian nation Along the way she provides rare insight into the eighteenth century struggle for independencea history of the Revolution from the archives Lepore traces the roots of the far right s reactionary history to the bicentennial in the 1970s when no one could agree on what story a divided nation should tell about its unruly beginnings Behind the Tea Party s Revolution she argues lies a nostalgic and even heartbreaking yearning for an imagined past a time less troubled by ambiguity strife and uncertainty a yearning for an America that never was The Whites of Their Eyes reveals that the far right has embraced a narrative about America s founding that is not only a fable but is also finally a variety of fundamentalism anti intellectual antihistorical and dangerously antipluralist In a new afterword Lepore addresses both the recent shift in Tea Party rhetoric from the Revolution to the Constitution and the diminished role of scholars as political

commentators over the last half century of public debate **Industries of Architecture** Katie Lloyd Thomas,Tilo Amhoff,Nick Beech,2015-11-06 At a time when the technologies and techniques of producing the built environment are undergoing significant change this book makes central architecture s relationship to industry Contributors turn to historical and theoretical questions as well as to key contemporary developments taking a humanities approach to the Industries of Architecture that will be of interest to practitioners and industry professionals as much as to academic researchers teachers and students How has modern architecture responded to mass production How do we understand the necessarily social nature of production in the architectural office and on the building site And how is architecture entwined within wider fields of production and reproduction finance capital the spaces of regulation and management techniques What are the particular effects of techniques and technologies and above all their inter relations on those who labour in architecture the buildings they produce and the discursive frameworks we mobilise to understand them **The Annual American Catalogue** ,1890 **Interpreting the Self** Diane Bjorklund,2000-04-15 In this ambitious study Diane Bjorklund explores the historical nature of self narrative Examining over 100 American autobiographers published in the last two centuries she discusses not only well known autobiographies such as Mark Twain and Andrew Carnegie but also many obscure ones such as a traveling book peddler a minstrel a hotel proprietress an itinerant preacher a West Point cadet and a hoopskirt wire manufacturer Bjorklund draws on the colorful stories of these autobiographers to show how their historical epoch shapes their understandings of self A refreshingly welcome approach to this intriguing topic Bjorklund s extensive and systematic approach to her source material is impressive and enriches our understanding of this essential subject Virginia Quarterly Review Bjorklund studies both famous and obscure writers and her clear prose style and copious quotations provide insight into the many aspects of the changing American self Library Journal United States Cumulative Book Auction Records ,1950 **The Literary World** ,1889 **The Handbook of Banking Technology** Tim Walker,Lucian Morris,2021-02-22 Competitive advantage in banking comes from effective use of technology The Handbook of Banking Technology provides a blueprint for the future of banking with deep insight into the technologies at the heart of the industry The rapid evolution of IT brings continual change and demand for investment yet keeping pace with these changes has become an essential part of doing business This book describes how banks can harness the power of current and upcoming technology to add business value and gain a competitive advantage you ll learn how banks are using technology to drive business today and which emerging trends are likely to drive the evolution of banking over the next decade Regulation is playing an ever increasing role in banking and the impact of regulatory change on technology and the management of it are discussed while mandatory changes put pressure on many of our high street banking brands their ability to adapt and utilise technology will have a fundamental impact on their success in the rapidly changing marketplace Technology costs can amount to 15 per cent or more of operational costs and bank leaders need to be able to make informed decisions about technology investments in light of the potential benefits This

book explores the depth and breadth of banking technology to help decision makers stay up to date and drive better business Assess your current technology against the new banking paradigms Procure the systems needed to protect the bottom line Implement newer technology more efficiently and effectively Ensure compliance and drive value with appropriate technology management Technological change is driven by mass adoption of new channels innovation from new entrants and by banks themselves as a means of increasing revenue and reducing costs The Handbook of Banking Technology offers a comprehensive look at the role of technology in banking and the impact it will have in the coming years   *New American Supplement to the Latest Edition of the Encyclopaedia Britannica, a Standard Work of Reference in Art, Litterature, Science, History, Geography, Commerce, Biography, Discovery and Invention* ,1897   **Victorian Yellowbacks & Paperbacks, 1849-1905: Frederick Warne & Co. ; Sampson Low & Co** Chester W. Topp,1999 Dr Chester W Topp has spent 30 years compiling the definitive bibliography of over 25 publishers of Victorian Yellowbacks and Paperbacks Based on his own extensive library of 1700 Yellowbacks and 1900 19th century paperbacks and an exhaustive search of every major trade and literary journal of the last century this series of bibliographies represents a unique and major accomplishment in bibliographic studies in the tradition of Jacob Blanck Michael Sadleir Joseph Sabin and others   *Subject Guide to Books in Print* ,1993
