

A sunset over a body of water with mountains in the foreground. The sky is a warm orange and yellow, and the water reflects the light. The mountains in the foreground are dark and silhouetted.

Stop looking for angels, and start looking for angles.
There are options. Settle in for the long haul and then
try each and every possibility, and you'll get there.
When people ask where we are, what we're doing, how
that "situation" is coming along, the answer should be
clear: We're working on it. We're getting closer. When
setbacks come, we respond by working twice as hard.
