Reisman, 2022-11-08 *Moral Complexities in Turn of the Millennium British Literature* offers a critical analysis of moral complexity and social responsibility in works by Kazuo Ishiguro Patrick McGrath Graham Swift Andrea Levy and Jeanette Winterson Mara Reisman argues that through their writing these authors reveal and upset literary cultural and political fictions and encourage readers to think carefully about language power community and social justice The book examines moral issues in two different ways how books by these authors address morally complex social political and cultural issues and how their books serve a moral function by challenging readers to be socially engaged Reisman provides an in depth analysis of *The Remains of the Day* *Asylum* *The Light of Day* *Small Island* and *The Daylight Gate* and uses these books to discuss twentieth and twenty first century British politics and culture These books address a wide variety of issues often associated with moral judgments war racism adultery maternal neglect murder professional misconduct witchcraft and religion Despite this diversity and settings that range from the seventeenth century to the late twentieth century these books include similar arguments about how empathy personal responsibility and civic engagement can create more productive social relations and a less divided world

Lady Windermere's Fan A Play About a Good Woman is a four act comedy by Oscar Wilde first produced 22 February 1892 at the St James's Theatre in London The play was first published in 1893 Like many of Wilde's comedies it bitinglly satirizes the morals of society The story concerns Lady Windermere who suspects that her husband is having an affair with another woman She confronts him with it but although he denies it he invites the other woman Mrs Erlynne to his wife's birthday ball

Angered by her husband's supposed unfaithfulness Lady Windermere decides to leave her husband for another lover. After discovering what has transpired Mrs Erlynne follows Lady Windermere and attempts to persuade her to return to her husband and in the course of this Mrs Erlynne is discovered in a compromising position. It is then revealed Mrs Erlynne is Lady Windermere's mother who abandoned her family twenty years before the time the play is set. Mrs Erlynne sacrifices herself and her reputation to save her daughter's marriage. The best known line of the play sums up the central theme:

Memory and Narrative Ethics Jacob Lothe, 2025-03-26 As the last survivors of the Holocaust pass away the challenge of maintaining and extending our knowledge of this critical historical event becomes increasingly urgent. Without the firsthand testimonies of survivors our understanding of the Holocaust is at risk of becoming diluted or distorted. The narratives that shape our collective memory whether through testimony, fiction or film are essential in preserving the true horror and lessons of the Holocaust. This fading firsthand knowledge could lead to a loss of the ethical and historical gravity of Nazi Germany's mass murder of around six million Jews. *Memory and Narrative Ethics* presents an original approach that combines narrative studies, memory studies, narrative ethics, narrative psychology and Holocaust studies to analyze how different forms of narrative preserve Holocaust memory. Through the approach of narrative hermeneutics and taking into account his own perspective as a European born after the Second World War Jakob Lothe offers insightful analysis of testimonies, non-fiction films, novels and film adaptations and demonstrates how these narratives constructively respond to the ethical challenge of remembering the Holocaust. By understanding and utilizing these diverse narrative forms we can maintain a vivid ethical and comprehensive collective memory of the Holocaust. This ensures that future generations grasp the historical significance and moral lessons of this atrocity even as direct survivor testimonies soon become scarce. *Notitia Venatica* Robert Thomas
