

## **LUIS SPOTA: LAS SUSTANCIAS DE LA TIERRA**

Pocas biografías mexicanas han podido evocar una historia personal con la profundidad y el equilibrio que Elda Peralta ha conseguido al escribir la de Luis Spota. Compañera del novelista durante muchos años, su memoria recupera los avatares de esta larga convivencia, examina "lo pequeño, lo grande y lo secreto" que formaba la compleja personalidad de Spota, y reflexiona sobre los motivos y el sentido de su obra literaria. Periodista, funcionario, dramaturgo, guionista y director de cine, conductor de programas de televisión, escritor: la variedad de los empeños de Luis Spota y su decisión de llevarlos a cabo —en un marco que resultó siempre polémico—, confieren a su existencia la intensidad y la animación de una novela. Y en el trayecto episódico de la infancia solitaria y tímida a la creación de una de las obras más discutidas e incisivas del México actual, la biografía precisa el modo en que experiencias cotidianas, disposiciones anímicas, convicciones personales y vocación literaria se entrelazaron para definir los conflictos y las actitudes del escritor.

Elda Peralta asume las razones afectivas de su evocación, pero evita la superficialidad del panegírico. Como el novelista, encontró en la recreación literaria una forma de íntima honestidad, una forma de lealtad y respeto capaz de revelarnos "la luz y las flaquezas" del hombre excepcional que fue Luis Spota.
