

**MAC COSMETICS AND ACQUILINI INC.  
CELEBRATE THE EVER-CHANGING RELATIONSHIP  
BETWEEN ART AND BEAUTY.**

The Deck of Cards was conceived by Acquilini Inc., who were inspired by MAC Cosmetics' renowned imaging and makeup artistry. Working with the MAC creative team, the idea grew as some of the world's most renowned designers, musicians and artists created unique body designs that became this provocative deck of playing cards. The response was phenomenal. All the designs submitted were not only original and creative but reflected the individual personalities of the well-known participants.

Over a period of two weeks, models and artists donated their time and subjected themselves to long hours of nude body painting, to creating the images that photographer Richard Lutz has captured with his lens.

The cards are available in select MAC stores worldwide and sales will benefit the MAC AIDS Fund. The fund originated in 1994 and has raised millions of dollars, through the sales of MAC Viva Glam Lipsticks, to help men, women and children living with HIV and AIDS.

We would like to thank the following people for donating their time and talent to this project. Without them it would not have been possible.
