Man Of War:

"Yankton", Yacht and Man-of-war Malcolm Francis Willoughby, 1935 *Collier's*, 1928 **Old Man's War** John Scalzi, 2007-04-01 Perfect for an entry level sci fi reader and the ideal addition to a veteran fan's collection John Scalzi's Old Man's War will take audiences on a heart stopping adventure into the far corners of the universe John Perry did two things on his 75th birthday First he visited his wife's grave Then he joined the army The good news is that humanity finally made it into interstellar space The bad news is that planets fit to live on are scarce and aliens willing to fight for them are common The universe it turns out is a hostile place So we fight To defend Earth a target for our new enemies should we let them get close enough and to stake our own claim to planetary real estate Far from Earth the war has gone on for decades brutal bloody unyielding Earth itself is a backwater The bulk of humanity's resources are in the hands of the Colonial Defense Force which shields the home planet from too much knowledge of the situation What's known to everybody is that when you reach retirement age you can join the CDF They don't want young people they want people who carry the knowledge and skills of decades of living You'll be taken off Earth and never allowed to return You'll serve your time at the front And if you survive you'll be given a generous homestead stake of your own on one of our hard won colony planets John Perry is taking that deal He has only the vaguest idea what to expect Because the actual fight light years from home is far far harder than he can imagine and what he will become is far stranger Old Man's War Series 1 Old Man's War 2 The Ghost Brigades 3 The Last Colony 4 Zoe's Tale 5 The Human Division 6 The End of All Things Short fiction After the Coup Other Tor Books The Android's Dream Agent to the Stars Your Hate Mail Will Be Graded Fuzzy Nation Redshirts Lock In The Collapsing Empire At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **One Man's War** Richard Beale, 2015-11-05 Actor Richard Beale was a young officer in the Royal Navy during the Second World War In the summer of 2014 he sat down to write a memoir of that time now more than 70 years ago The result is an engaging and often humorous account of his wartime service in the Royal Navy from just prior to joining up until his demobilisation and subsequent return to civilian life During his naval career Richard rose from a humble rating to become commander of a series of coastal patrol craft the last of which was HMS ML 135 sailing one from the UK to Malta and latterly covering the Royal Navy's campaign in Greek and Croatian waters including minesweeping duties His story includes accounts of a number of key engagements including one in which he was badly wounded and encounters with Greek bandits and British spies But it is not simply a naval memoir as he also recalls memories of love affairs special friendships and the enduring companionship of his beloved spaniel Simon who accompanied him in the initial stages of his career **Rich Man's War** David Williams, 2011-03-15 In Rich Man's War historian David Williams focuses on the Civil War experience of people in the Chattahoochee River Valley of Georgia and Alabama to illustrate how the exploitation of enslaved blacks and poor whites by a planter oligarchy generated overwhelming class conflict across the South eventually leading to Confederate defeat This

conflict was so clearly highlighted by the perception that the Civil War was a rich man's war and a poor man's fight that growing numbers of oppressed whites and blacks openly rebelled against Confederate authority undermining the fight for independence. After the war however the upper classes encouraged enmity between freedpeople and poor whites to prevent a class revolution. Trapped by racism and poverty the poor remained in virtual economic slavery still dominated by an almost unchanged planter elite. The publication of this book was supported by the Historic Chattahoochee Commission.

Not Just a Man's War Yihong Pan, 2024-09-01 In 1931 Japan began a brutal occupation of Manchuria and in 1937 China and Japan entered a full scale war that ended with Japan's defeat in 1945. The War of Resistance became the Chinese experience of the Second World War. Yet women scarcely get a mention in most accounts of the fourteen year conflict. Through interviews published reminiscences and oral histories *Not Just a Man's War* uncovers the extraordinary stories of ordinary Chinese women during the war. Communist women speak of fighting as soldiers for a good war and contributing to the party's rise to power. Nationalist women attribute their survival to the strength of the human spirit while acknowledging tremendous suffering. Women from the working poor and the middle classes describe the hardships of Japanese aggression and in their narratives refuse to be ignored as passive beings. In speaking up the victims of sexual violence become survivor activists demanding justice. These women demonstrate a striking autonomy regardless of political association socioeconomic status or education. By attending to their insights *Not Just a Man's War* produces a multi faceted inclusive narrative of China's War of Resistance.

Rich Man's War, Poor Man's Fight Jeanette Keith, 2004 During World War I thousands of rural southern men black and white refused to serve in the military. Some failed to register with the draft while others deserted after being inducted. Jeanette Keith traces southern draft resistance to several sources.

The Anglo-Boer War (1899-1902): White man's war, black man's war, traumatic war André Wessels, 2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa. However with due course this war also involved more and more black brown and to some extent Asian people.
