Joan K. Nichols

Matter Of Conscience The Trial Of Anne Hutchinson:

Matter of Conscience Joan K. Nichols,1993-01-01 Recounts Anne Hutchinson s struggle with the Puritan Church over its rigid theocratic control of the Massachusetts Bay Colony her trial for heresy and sedition and banishment from the colony

A Matter of Conscience Joan Kane Nichols,1993 Recounts Anne Hutchinson s struggle with the Puritan Church over its rigid theocratic control of the Massachusetts Bay Colony her trial for heresy and sedition and banishment from the colony

The Trial of Anne Hutchinson Theodore J. Nottingham,2010-08-15 The Matter of Anne Hutchinson Christopher Kone,2025-09-24 Harvard University claims Anne Hutchinson a Puritan wife and mother as a founding cause of their institution Anne s peers considered her a Jezebel In modern times she is acclaimed as a pioneer of women s rights In 1637 she was banished from Massachusetts In 1638 she was excommunicated from the church Today a statue of Anne stands on the Massachusetts State House lawn What is certain about Anne is that she was the eye of the Antinomian Controversy that swept over the nascent Massachusetts Bay Colony from 1636 to 1638 Though Anne is often viewed by historians through the colony s religious structure the controversy threatening the colony swirled around the Protestant Reformation s doctrine of salvation Author Christopher Kone untangles the matter of Anne Hutchinson by employing various processes of history that consider theology and government As theology lives within the real world social political and legal aspects are also applied to the matter of Anne The story told is a part of the vibrant history of America and its revolutions It is a story of the past that reflects on our time Anne Hutchinson Darlene R. Stille,2006-08 A biography of Anne Hutchinson **Trial of the**

Century: Anne Hutchinson, Puritan Rule Breaker Kathiann M. Kowalski,2018-12-15 Anne Hutchinson was a religious leader who was outspoken against the Boston Church in the early 1600s She argued against the church s legalistic interpretations and rules and spoke publicly about her own beliefs This was a time in which it was dangerous to speak out against the church especially for a woman Hutchinson was eventually tried in court for her bold actions This innovative play takes readers to Hutchinson s trial capturing this moment in U S history Historical photographs enrich Hutchinson s story Stage directions costume and prop notes and character descriptions guide readers through a smooth performance **Anne Hutchinson** Beth Clark,Arthur M. Schlesinger, Jr.,2000 At a time when women were seen and not heard Hutchinson spoke her mind and shared her divergent religious views *10 Women who Helped Shape America* Sarah Glasscock,1996 This collection highlights the lives of only ten American women but there are many many more who have contributed in significant ways to our country *Trial* Susan Kuklin,2013-12-24 Reading Trial The Inside Story is like simultaneously watching a court case on TV and hearing the inner thoughts of the participants This case is going to take you on a journey into an underground world Prosecutor Leemie Kahng The burden of proof is always on the prosecution Defense Attorney Glen Garber Over one third of high school students don t know basic civics Here is an exciting way to teach them America s system of justice Susan Kuklin whose nonfiction books for young readers have won many awards gives readers the inside

story of a dynamic contemporary court case and uses exclusive interviews with all the participants to explain what happened. Kuklin had unparalleled access to the prosecution, the defense, the judge, and even after the case, the jury in a dramatic case involving a kidnapping ring in New York's Chinatown. First, the prosecution describes a plot in which hard men try to take advantage of defenseless immigrants, beat them, and extort thousands of dollars from their impoverished families. Then the defense takes us behind the scenes of the shadowy deals struck in jail where criminals might turn on anyone to bargain for lighter sentences. In intimate interviews, Kuklin learns what motivates the tough Korean immigrant prosecutor and the die-hard liberal defense attorney and uses every explosive courtroom exchange to clearly explain legal concepts such as hearsay, evidence, leading witnesses, presumption of innocence, and admissibility of evidence. With every twist and turn of the judge's rulings, readers will be on the edge of their seats wondering who will win the case while simultaneously becoming their own legal experts. This engaging story of the law at work provides a hands-on way to learn about our courts and laws for young readers who stage mock trials at school or watch cases on TV.

Let's Hear It for the Girls Erica Bauermeister, Holly Smith, 1997-03-01. Bravo. They've given adults and young girls a much-needed treasure map of heroines, and she roars. It blazes an important path in the forest of children's literature. Jim Trelease.

American Jezebel Eve LaPlante, 2009-04-25. In 1637 Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner not comely for her sex. Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank, as some have portrayed her, but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies, making her the midwife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

Literature Connections to American History K6 Lynda G. Adamson, 1997-09-15. Identifying thousands of historical fiction novels, biographies, history trade books, CD-ROMs, and videotapes, this book helps you locate resources on American history for students. Each book presents information in two sections. In the first part, titles are listed according to grade levels within eras and further organized according to product.

type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject

The Trial of Anne Hutchinson Michael P. Winship, Mark C. Carnes, 2022-07-01 The Trial of Anne Hutchinson re creates one of the most tumultuous and significant episodes in early American history the struggle between the followers and allies of John Winthrop governor of the Massachusetts Bay Colony and those of Anne Hutchinson a strong willed and brilliant religious dissenter The controversy pushed Massachusetts to the brink of collapse and spurred a significant exodus The Puritans who founded Massachusetts were poised between the Middle Ages and the modern world and in many ways they helped to bring the modern world into being The Trial of Anne Hutchinson plunges participants into a religious world that will be unfamiliar to many of them Yet the Puritans passionate struggles over how far they could tolerate a diversity of religious opinions in a colony committed to religious unity were part of a larger historical process that led to religious freedom and the modern concept of separation of church and state Their vehement commitment to their liberties and fears about the many threats these faced were passed down to the American Revolution and beyond

Colonial America in Literature for Youth Joy L. Lowe, Kathryn I. Matthew, 2003 In this book Colonial America is defined as the years from 1607 when Jamestown was founded to 1776 when the American Revolution began following the signing of the Declaration of Independence The focus of the book is on the English settlements that fought for independence from England and became the United States of America

Women as Sites of Culture Susan Shifrin, 2017-03-02 Exploring the ways in which women have formed and defined expressions of culture in a range of geographical political and historical settings this collection of essays examines women s figurative and literal roles as sites of culture from the 16th century to the present day The diversity of chronological geographical and cultural subjects investigated by the contributors from the 16th century to the 20th from Renaissance Italy to Puritan Boston to the Polish Lithuanian Commonwealth to post war Japan from parliamentary politics to the politics of representation provides a range of historical outlooks The collection brings an unusual variety of methodological approaches to the project of discovering intersections among women s studies literary studies cultural studies history and art history and expands beyond the Anglo and Eurocentric focus often found in other works in the field The volume presents an in depth investigative study of a tightly constructed set of crucial themes including that of the female body as a governing trope in political and cultural discourses the roles played by women and notions of womanhood in redefining traditions of ceremony theatricality and spectacle women s iconographies and personal spaces as resources that have shaped cultural transactions and evolutions and finally women s voices speaking and writing both as authors of cultural record and destiny Throughout the

volume the themes are refracted chronologically geographically and disciplinarily as a means to deeper understanding of their content and contexts Women as Sites of Culture represents a productive collaboration of historians from various disciplines in coherently addressing issues revolving around the roles of gender text and image in a range of cultures and periods

Miraculous Plagues Cristobal Silva,2015-12 This title examines the forms and conventions of colonial epidemiology in order to re imagine New England s early literary history as a function of the narrative legal and theological responses to regional and generational patterns of illness in the 17th and early 18th centuries

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu,2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index

American History through Its Greatest Speeches Jolyon P. Girard,Darryl Mace,Courtney Michelle Smith,2016-12-05 What did America s greatest orators say regarding significant issues and concerns throughout United States history This three volume set examines hundreds of the most historically significant speeches from colonial times to the modern era allowing readers to consider exactly what the speakers said and to better understand the motivations behind each speech as well as the effect on the audiences that heard them This essential reference work presents the most important and historically significant speeches delivered since colonial times providing in essence a documentary history of the United States through these public utterances Readers can witness American history unfold firsthand through these stirring and at times controversial speeches from Patrick Henry s fiery words calling for an American revolution through the words of the 19th century abolitionists and Lincoln s immortal Gettysburg Address and up through the 20th century with President Wilson s famous Fourteen Points FDR reminding Americans that the only thing they had to fear was fear itself and George W Bush responding to the attacks of September 11 For students teachers librarians and general readers this indispensable work provides essential reference resources on the speeches of great significance in American history Each speech is prefaced by a contextual headnote that provides essential background information and specific details about the speech This three volume set also includes a timeline a historical review of each era biographical sketches of each speaker and anecdotal sidebars containing additional information about the speech or speakers

The Broadview Anthology of American Literature Concise Volume 1: Beginnings to Reconstruction Derrick R. Spires,Rachel Greenwald

Smith, Christina Roberts, Joseph Rezek, Justine S. Murison, Laura L. Mielke, Christopher Looby, Rodrigo Lazo, Alisha Knight, Hsuan L. Hsu, Michael Everton, Christine Bold, 2023-02-06 Guided by the latest scholarship in American literary studies and deeply committed to inclusiveness social responsibility and rigorous contextualization The Broadview Anthology of American Literature balances representation of widely agreed upon major works with a thoroughgoing reassessment of the canon that emphasizes American literature's diversity variety breadth and connections with the rest of the Americas This concise volume represents American literature from its pre contact Indigenous beginnings through the Reconstruction period offering a more streamlined alternative to the full two volume set covering the same timespan Highlights of Concise Volume 1 Beginnings to Reconstruction Complete texts of Mary Rowlandson's captivity narrative Narrative of the Life of Frederick Douglass An American Slave and Benito Cereno In depth thematic sections on such topics as Rebellions and Revolutions Print Culture and Popular Literature and Expansion Native American Expulsion and Manifest Destiny More extensive coverage of Indigenous oral and visual literature and African American oral literature than in competing anthologies Full author sections in the anthology are devoted to authors such as Anne Hutchinson Sor Juana In's de la Cruz Briton Hammon Jane Johnston Schoolcraft Jos Mar'a Heredia Black Hawk and many others Extensive online component offers well over a thousand pages of additional readings and other resources
