This is a rags-to-riches tale of the man Charlie Chaplin said would take his mantle and who went on to make millions laugh around the world for over five decades. Here are the hardships, tragedies and triumphs that gave him his inspiration. From the days working the seasons at Scarborough to the unforgettable and endearing character Norman Pitkin, the little man in a tight-fitting suit, read of his rapid climb up the showbiz ladder.

A Mother's Tears Soo Cham, 2009

Seed of the Gods Rod De Bowes, 2015-03-31 Archaeological Professor Hiram May has stumbled upon a secret chamber inside a crumbling Chimu Temple in Peru. Paintings on pottery in the chamber tell the story of an expedition which may have taken their most sacred religious treasures into the mountains just before the Inca invaded and conquered them. Professor May gathers a small expedition and attempts to follow the clues on the pottery, but the Andes are vast and unexplored in the region he believes the lost town lies. Christopher Allen is an ex-cop visiting Peru with friends. A chance encounter with Professor May secures him an invitation to join the expedition. Renting an airplane for the professor, they take to the air and soon locate what could be the lost city. Wasting no time, Professor May and the expedition start the grueling trek to the ruins. But the pilot also understands what they have found and makes a deal with local guerrillas for a share of any treasure if he leads them to the city. Reaching the city, first the expedition has begun mapping and exploring the city when the guerrillas attack. Chris and expedition member Tammy Hanson manage to escape and flee into the forbidding mountains. Chased by the guerrillas, they stumble onto a secret that could shake the very foundations of science and religion and usher in a new era of technological advancement and enlightenment. All they have to do is fight off the guerrillas, rescue any survivors of the attack, and make it

Indian Antiquary, 1881 At a time when each Society had its own medium of propagation of its researches in the form of Transactions, Proceedings, Journals, etc., a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects. This encouraged Jas. Burgess to launch the *Indian antiquary* in 1872. The scope was in his own words as wide as possible, incorporating manners and customs, arts, mythology, feasts, festivals, and rites, antiquities, and the history of India. Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India, and the *West Indian antiquary* also dealt with local legends, folklore, proverbs, etc. In short, *Indian antiquary* was entirely devoted to the study of MAN, the Indian, in all spheres. Introduction to facsimile volumes published 1985.
