

Night of the Scorpion

Nissim Ezekiel

The poem is about the night when a woman (the poet's mother) in a poor village in India is stung by a scorpion. Her concerned neighbours come to offer advice and help. The neighbours, her husband and the local holy man try different cures. Time proves to be the best healer - *'After twenty hours / it lost its sting'*.

After her ordeal, the mother is merely thankful that the scorpion stung her and not the children.
