Tolstoy graf Leo Tolstoy, 1998 Although Tolstoy s fame rests on his novels he was also a prolific dramatist Because his plays are satirical didactic and colored by complex peasant dialect

earlier translations have been seriously flawed These imperfect translations coupled with Tolstoy s famous polemics against Shakespeare and Chekhov have reinforced the general misapprehension that Tolstoy was not a dramatist Now noted Slavic philologist Marvin Kantor and Tatiana Tulchinsky have prepared the first complete English translation of the great writer s plays This volume contains plays written during the years 1894 to 1910 including Peter the Breadman And the Light Shineth in Darkness The Living Corpse The Wisdom of Children The Traveler and the Peasant The Cause of It All **Joseph Stalin** David R. Marples,Alla Hurska,2022-08-23 The figure of Stalin continues to intrigue fascinate and repel historians into the 21st century while in the Russian Federation he has returned to the status of a figure to be respected principally as the leader who led his country through industrialization and militarization enabling it to defeat Nazi Germany in the Second World War thereby saving Europe and much of the world from the brown plague of Fascism He presided over some of the most cataclysmic events of the 20th century some of which he was the architect collectivization of agriculture famine the Purges and the Second World War Joseph Stalin A Reference Guide to His Life and Works captures his life and legacy It features a chronology an introduction offers a brief account of his life a dictionary section lists entries on Stalin s associates from the period of the Russian Empire in the late 19th century to the leader s death in 1953 and beyond highlighting their careers and the main events **A Double Garland** Thomas P. Hodge,2000 Thomas P Hodge has produced the first literary historical study of the art song enterprise in Russia s Golden Age A Double Garland investigates the interrelationship of poetry and music in Russia specifically the relations between poets and composers from 1800 to 1850 Hodge focuses on three major composers of art songs Alyab ev Verstovskii and Glinka He surveys their choices of text and after some preliminary metrical and structural analysis proceeds to a detailed consideration of the dynamics of poet composer interaction from various points of view Hodge presents both the major and minor poets of this period in the context of Russian musical life Based on extensive archival research this study will appeal to specialists in Russian poetry and musicologists **Kutuzov** Alexander Mikaberidze,2022 A Russian war hero who defeated Napoleon and became a mythic military figure Alexander Mikaberidze s latest book is the first modern English language biography of Mikhail Golenischev Kutuzov the famed Russian Field Marshal and central character of Leo Tolstoy s epic War and Peace One of the most important military minds of the period he is credited with defeating Napoleon and saving Russia though his fame is not limited to the Napoleonic wars As it often happens with national heroes Kutuzov gradually became larger than life a messianic character who led Holy Russia against the evils of the Revolution and anarchy the Soviet leaders later exploited his personality for even more grandiose schemes The real Kutuzov was gradually replaced by a mythical character who appeared at a time of great danger to save Russia The impact of this propaganda can be still seen in modern Russia In 2000 the public opinion poll showed that majority of the Russians consider Kutuzov as the Person of the 19th Century far ahead of famous writers Alexander Pushkin and Leo Tolstoy composer Peter Tchaikovsky or scientist Dmitry Mendeleyev while the 2017

public opinion poll placed Kutuzov in the top twenty of the most distinguished historical personalities in world history slightly behind Napoleon. As much as Kutuzov is venerated in Russia, he remains an overlooked figure in the West, with Western historiography comprising of just a handful of titles in English, French, or German; the vast majority of them translations of older Soviet works or derived from them. This book provides a new biography of the field marshal, examining his personal life and military/diplomatic accomplishments and relying on a wide range of primary and secondary sources as well as Russian archival material. Mikaberidze offers a fresh look at the historical figure whose character remains elusive but whose accomplishments are irrefutable.
