Hoyt, 2016-08-18 Excerpt from Notes Historical and Bibliographical on the Laws of New Hampshire There is no evidence that prior to 1641 either Portsmouth or Dover had adopted a formal code of laws Still it is not to be inferred that these communities were lawless or destitute of some kind of regulations for the conduct of their public affairs They certainly had the laws and customs of England which they brought with them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
