Gerdt, Patricia Trenton, 2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET

Jimmy Ernst Donald Burton Kuspit, Jimmy Ernst, 2000 This long overdue monograph relates the fascinating story of the son of great surrealist master Max Ernst and a Jewish mother killed in the Holocaust

Max Ernst and Alchemy M. E. Warlick, 2013-05-01 Surrealist artist Max Ernst defined collage as the alchemy of the visual image Students of his work have often dismissed this comment as simply a metaphor for the transformative power of using found images in a new context Taking a wholly different perspective on Ernst and alchemy however M E Warlick persuasively demonstrates that the artist had a profound and abiding interest in alchemical philosophy and often used alchemical symbolism in works created throughout his career A revival of interest in alchemy swept the artistic psychoanalytic historical and scientific circles of the late nineteenth and early twentieth centuries and Warlick sets Ernst s work squarely within this movement Looking at both his art many of the works she discusses are reproduced in the book and his writings she reveals how thoroughly alchemical philosophy and symbolism pervade his early Dadaist experiments his foundational work in surrealism and his many collages and paintings of women and landscapes whose images exemplify the alchemical fusing of opposites This pioneering research adds an essential key to understanding the multilayered complexity of Ernst s works as it affirms his standing as one of Germany s most significant artists of the twentieth century

Jewish Ideas of France Meredith Scott, Nick Underwood, 2025-06-12 This innovative exploration of Jewish experiences in France and the Francophone world through nuanced questions and representations offers an intertwining of perspectives that challenge geographical chronological and theoretical boundaries Engaging the transnational it brings together studies highlighting the importance of migration diaspora identity and empire for Jewish communities in metropolitan France and beyond New and emerging scholars are invited into conversation with established thinkers to capture the present and future of French Francophone and Jewish Studies Because identities are layered and multifaceted the multidisciplinary studies in this volume are intended to illustrate how frameworks interact overlap and shift The result of these efforts is a collection of essays that reveals the complex

interplay between French and Jewish identities and how they have changed over time Grounded in historical literary visual sociological and legal analyses they delve into questions of gender race religion empire migration culture and communal life Taken together they problematize the categories often created to make meaning of complex dynamics This book is an important secondary source for researchers undergraduate and graduate students and general readers interested in world history Jewish Studies French Studies European Studies and immigration and diaspora studies Those Not-So-Still Small Voices Thom Hunter,2000-09-01 Anyone who has had children for more than a day knows parenting is about as easy as swimming the backstroke across the Atlantic Ocean Rewarding yes Enjoyable yes Enlightening yes Challenging for sure Easy No way Parenting can be difficult and painful but sometimes love stops us right in our tracks overwhelms us Sometimes life just turns over and spills out joy Russell is having a bad hair day Patrick s latest hamster has disappeared Lauren is wearing her most outlandish dress up clothes and is out visiting elderly neighbor ladies Donovan has wiggled a loose front tooth all week and now it s finally under his pillow Zachary yearns to go camping alone with his father but has to put up with the whole family going along instead There is no syrup for the Saturday morning pancakes Laundry is piling up everywhere Meet Zachary Russell Donovan Patrick and Lauren the lively brood of Thom and Lisa Hunter As the head of this energetic household Thom often feels like an air traffic controller at a major airport But as he determinedly guides his children in the way they should go he is surprised to find himself learning from them And each day has new lessons to teach and new blessings to bestow With gentle humor and delightful storytelling skill Thom Hunter explores the joys and trials of Christian parenting through real life tales from the front lines Poignant bittersweet and often profound these episodes will elicit chuckles from parents who have been there as well as provide comfort and encouragement for those just embarking on their parenting journey *Prague, Capital of the Twentieth Century* Derek Sayer,2021-11-09 The story of modernity told through a cultural history of twentieth century Prague Setting out to recover the roots of modernity in the boulevards interiors and arcades of the city of light Walter Benjamin dubbed Paris the capital of the nineteenth century In this eagerly anticipated sequel to his acclaimed *Coasts of Bohemia A Czech History* Derek Sayer argues that Prague could well be seen as the capital of the much darker twentieth century Ranging across twentieth century Prague s astonishingly vibrant and always surprising human landscape this richly illustrated cultural history describes how the city has experienced and suffered more ways of being modern than perhaps any other metropolis Located at the crossroads of struggles between democratic communist and fascist visions of the modern world twentieth century Prague witnessed revolutions and invasions national liberation and ethnic cleansing the Holocaust show trials and snuffed out dreams of socialism with a human face Yet between the wars when Prague was the capital of Europe s most easterly parliamentary democracy it was also a hotbed of artistic and architectural modernism and a center of surrealism second only to Paris Focusing on these years Sayer explores Prague s spectacular modern buildings monuments paintings books films operas exhibitions and much more A place where the utopian
