Noun Phrase Licensing

Jeffrey T. Runner

Noun Phrase Licensing:

Noun Phrase Licensing Jeffrey T. Runner, 2013-08-21 First Published in 1998 **Noun Phrase Licensing and Interpretation** Jeffrey T. Runner, 1995 Noun phrase licensing and interpretation Jeffrey Thomas Runner, University of Massachusetts at Amherst. Graduate Linguistic Student Association, 1995 Noun phrase licensing and interpretation Jeffrey T. Runner, 1995 **The Elliptical Noun Phrase in English** Christine Günther, 2013 This book presents a detailed analysis of structural as well as pragmatic aspects underlying the phenomenon of noun ellipsis in English Here Günther examines the structure of elliptical noun phrases to account for the conditions on noun ellipsis and those on one insertion with special emphasis on the oft neglected parallels between the two She also examines the use of noun ellipsis with adjectives in order to shed light on this under researched phenomenon drawing on data from the British National Corpus

Licensing Without Case Theodore Frank Levin, 2015 Abstract Case is a conjectured syntactic property of noun phrases that accounts for aspects of their distribution and form that do not otherwise follow from their PF and LF content Chomsky 1981 1986 Chomsky Lasnik 2008 Traditionally Case Theory consists of two core components i noun phrase licensing noun phrases must be licensed through syntactic dependencies capturing their distribution and ii noun phrase morphology the licensing of noun phrases influences their morphological realization capturing their form In work over the past decade or two however the distribution of noun phrases is largely ensured by the properties of clausal heads independently of Case e.g. Schütze 1993 2000 Marantz 1991 2000 Chomsky Sigurdsson 1991 2009 These considerations have led to or been accompanied by theories that shift the determination of case morphology to PF e.g. Marantz 1991 McFadden 2004 Bobaljik 2008 Sigurdsson 2009 2010 If these analyses are correct there may be no role for Case in syntax at all In this dissertation I argue that nominals must indeed be licensed during the course of a well formed derivation However nominal licensing does not require Case feature valuation as is commonly assumed Chomsky 2000 2001 I demonstrate that Case features can survive the derivation unvalued Preminger 2011 2014 Kornfilt Preminger 2015 This conclusion invalidates the common view that nominals are licensed through obligatory Case feature valuation and phenomena that have commonly received Case theoretic explanations based on such obligatory valuation are accorded alternative analyses Nevertheless I demonstrate that presence/absence of the functional head K₀ in the nominal projection does affect the distribution of nominals in ways reminiscent of but not identical to traditional Case theory I identify three groups of nominals that enter the derivation without K₀ the objects of Pseudo Noun Incorporation constructions the objects of Antipassive constructions and the in situ subjects of Balinese and Malagasy In each case those nominals which entirely lack KP the locus of Case features display unique distributional constraints not captured under previous analyses of these phenomena I suggest that the conditions under which nominals can be licensed without Case K₀ demonstrate that K₀ is relevant for nominal licensing The result of this argumentation is a recasting of the core components of Case Theory Noun phrase licensing is achieved by the K₀ head itself cf. Bittner Hale

1996a b Its presence absence accounts for aspects of a nominal s distribution and form that do not otherwise follow from its PF LF content Noun phrase morphology is indirectly determined by how Case features hosted at K0 are valued if at all

The Polysynthesis Parameter Mark C. Baker, 1996-01-04 This book investigates in detail the grammar of polysynthetic languages those with very complex verbal morphology Baker argues that polysynthesis is more than an accidental collection of morphological processes rather it is a systematic way of representing predicate argument relationships that is parallel to but distinct from the system used in languages like English Having repercussions for many areas of syntax and related aspects of morphology and semantics this argument results in a comprehensive picture of the grammar of polysynthetic languages Baker draws on examples from Mohawk and certain languages of the American Southwest Mesoamerica Australia and Siberia

The Design of Agreement Sandra Chung, 1998 Sandra Chung proposes that linguistic theory must recognize not one but two agreement relations a featural relation that lies behind agreement s impact on the form of words and a configurational relation that lies behind agreement s impact on syntactic structure She identifies the two relations and argues that neither can be reduced to the other Chung offers the most comprehensive analysis of the syntax of Chamorro that has appeared to date and relates her proposals to what is known about analogous constructions in English Italian Irish Japanese Maori and other languages

Adjective attribution Michael Rießler, 2016-07-15 This book is the first typological study of adjective attribution marking Its focus lies on Northern Eurasia although it covers many more languages and presents an ontology of morphosyntactic categories relevant to noun phrase structure in general Beside treating synchronic data the study contributes to historical linguistics by reconstructing the origin of new types specifically in the language contact area between the Indo European and Uralic families

Semantics - Noun Phrases and Verb Phrases Paul Portner, Klaus Heusinger, Claudia Maienborn, 2019-02-19 Gain a deeper understanding of essential research on the semantics of noun phrases and verb phrases Clear explanations of significant recent research bring complex issues to life with expert guidance on topics of debate within the field The book gives readers valuable insights into topics such as definiteness specificity genericity aspect aktionsart and mood It also discusses directions for future research Written by a world class team of authors these highly cited articles are here in paperback for the first time since their original publication An essential reference for researchers in the area

Noun Phrase Licensing Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Noun Phrase Licensing free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Noun Phrase Licensing free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Noun Phrase Licensing free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Noun Phrase Licensing. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Noun Phrase Licensing any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Noun Phrase Licensing Books

1. Where can I buy Noun Phrase Licensing books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Noun Phrase Licensing book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Noun Phrase Licensing books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Noun Phrase Licensing audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

- perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
