She was adored by most everyone that knew her. She always did as she was asked and always without question. Growing up she carefully spun a cocoon around herself in preparation for a beautiful butterfly to be born into adulthood. Life however had a different plan. In fact when her cocoon broke open it wasn't Maddie May the beautiful butterfly. It was Tashia the poisonous viper that emerged. She had been through so much and spent too many years investing in Jon Nova. She wasn't about to let anyone take what belonged to her. No matter what she had to do or who she had to do it to.
