

The book cover features a surreal, painterly style. At the top, a large, muscular arm with a black wristband reaches down from a dark, starry sky. Below the arm, the title 'REVOLUTION CALLING' is written in a large, yellow, gothic-style font. In the center, two young men with long dark hair and serious expressions are shown from the chest up. They are wearing dark clothing; the one on the left has a necklace with a pendant. Behind them is a two-story school building with many windows, some of which are blue-tinted. The foreground is dark and shadowy, suggesting a night scene. The overall mood is mysterious and rebellious.

REVOLUTION CALLING

A NOVEL
RAY VAN HORN, JR.

Novel And Revolution

Peter Zarrow

Novel And Revolution:

The Novel and Revolution Alan Swingewood, 1975 **Rise to Rebellion** Jeff Shaara, 2002-03-26 Jeff Shaara dazzled readers with his bestselling novels *Gods and Generals* *The Last Full Measure* and *Gone for Soldiers* Now the acclaimed author who illuminated the Civil War and the Mexican American War brilliantly brings to life the American Revolution creating a superb saga of the men who helped to forge the destiny of a nation *Revolution. A Novel* John Davys Beresford, 1921 **A Soldier of the Revolution** Ward S. Just, 2002 Ward Just took time off from the editorial page of *The Washington Post* to write his first novel *A Soldier of the Revolution* the story of a young man who is sent to South America to work for an American **The Russian Revolutionary Novel** Richard Freeborn, 1985-02-28 Professor Freeborn's book is an attempt to identify and define the evolution of a particular kind of novel in Russian and Soviet literature the revolutionary novel This genre is a uniquely Russian phenomenon and one that is of central importance in Russian literature The study begins with a consideration of Turgenev's masterpiece *Fathers and Children* and traces the evolution of the revolutionary novel through to its most important development a century later in Pasternak's *Doctor Zhivago* and the emergence of a dissident literature in the Soviet Union Professor Freeborn examines the particular phases of the genre's development and in particular the development after 1917 the early fiction which explored the relationship between revolution and instinct such as Pilnyak's *The Naked Year* the first attempts at mythmaking in Leonov's *The Badgers* and Furmanov's *Chapayev* the next phase in which novelists turned to the investigation of ideas exemplified most notably by Zamyatin's *We* the resumption of the classical approach in such works as Olesha's *Envy* which explore the interaction between the individual and society and finally the appearance of the revolutionary epic in Gorky's *The Life of Klim Samgin* Sholokhov's *Quiet Flows the Don* and Alexey Tolstoy's *The Road to Calvary* Professor Freeborn also examines the way this kind of novel has undergone change in response to revolutionary change and he shows how an important feature of this process has been the implicit assumption that the revolutionary novel is distinguished by its right to pass an objective independent judgement on revolution and the revolutionary image of man This is a comprehensive and challenging study of a uniquely Russian tradition of writing which draws on a great range of novels many of them little known in the West As with other titles in this series all quotations have been translated *Revolution and the Historical Novel* John McWilliams, 2017-12-15 John McWilliams has written the first much needed account of the ways the promise and threat of political revolution have informed masterpieces of the historical novel The jolting sense of historical change caused by the French Revolution led to an immense readership for a new kind of fiction centered on revolution counter revolution and warfare which soon came to be called the historical novel During the turbulent wake of The Declaration of the Rights of Man promptly followed by the phenomenon of Napoleon Bonaparte the historical novel thus served as a literary hybrid in the most positive sense of that often dismissive term It enabled readers to project personal hopes and anxieties about revolutionary change back into national history While immersed in the fictive lives

of genteel often privileged heroes readers could measure their own political convictions against the wavering loyalties of their counterparts in a previous but still familiar time McWilliams provides close readings of some twenty historical novels from Scott and Cooper through Tolstoy Zola and Hugo to Pasternak and Lampedusa and ultimately to Marquez and Hilary Mantel but with continuing regard to historical contexts past and present He traces the transformation of the literary conventions established by Scott's Waverley novels showing both the continuities and the changes needed to meet contemporary times and perspectives Although the progressive hopes imbedded in Scott's narrative form proved no longer adaptable to twentieth century carnage and the rise of totalitarianism the meaning of any single novel emerges through comparison to the tradition of its predecessors A foreword and epilogue explore the indebtedness of McWilliams's perspective to the Marxist scholarly tradition of Georg Lukacs and Frederic Jameson while defining his differences from them This is a scholarly work of no small ambition and achievement What Never Happened a Novel of the Revolution Thomas Seltzer, 2019-03-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The French Revolution and the English Novel (Classic Reprint)** Allene Gregory, 2015-07-09 Excerpt from The French Revolution and the English Novel This study in the tendenz novel was begun with the idea of paralleling Dr Hancock's book The French Revolution and the English Poets in furnishing detailed consideration of a literary form which Professor Dowden's general treatment of the period necessarily presents in outline merely It is evident however that the Revolutionary poets and the Revolutionary novelists must rest their claims to our interest on different grounds A discussion of Wordsworth Coleridge Byron and Shelley needs no justification But it must be confessed that the novelists we are about to consider can not escape the condemnation of mediocrity There is scarcely one of them whose work has lived through the intervening century What then shall be our apology for invading their well merited obscurity There are two distinct uses of the historical methods in the study of literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing

imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The French Revolution and the English Novel Allene Gregory 1887-1947 Allen,2016-05-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Revolution and the Word Cathy N. Davidson,2004-09-30 Now greatly expanded this classic study has been updated to include the major controversies developments in literary cultural theory over the past two decades It traces the co emergence of the United States as a nation the literary genre of the novel
