Shiv K Kumar

Nude Before God:

Nude before God Shiv K Kumar, 2013-05-17 Ram Krishna is an artist who paints nudes Incensed by his wife's possible infidelity and despite his own conjugal insecurities he engages in an adulterous liaison Immediately Karma strikes his wife's purported lover pushes him to his death into a flooding river Unclad of corporal existence he hovers above earth and discovers that apart from his parents dog and a few friends no one misses him Dejected he encounters Yama the Lord of Death and begins a conversation that extinguishes his own airs and affectations and makes him see that he may have been wrong about life and his wife Armed with a wry sense of humour Shiv K Kumar lays bare the questions of humanity's inescapable end plying us with a story of the afterlife that gives us new reasons to live and laugh **Nude Before God** Shiv Kumar Kumar, 1985 **Naked Before God** Benjamin C. Withers, Jonathan Wilcox, 2003 At different times and in different places the human form has been regarded in different ways The Ancient Greeks thought it was the most admirable subject for art whereas early Christians often viewed it as lascivious in our postlapsarian state With illustrations taken from manuscripts statuary and literary this is a fascinating collection of essays with much that will be new to scholars and general readers alike **Clothing and Nudity in the Hebrew Bible** Christoph Berner, Manuel Schäfer, Martin Schott, Sarah Schulz, Martina Weingärtner, 2019-06-27 The volume discusses nudity and clothing in the Hebrew Bible covering anthropological theological archaeology and religious historical aspects These aspects are addressed in three separate sections enhanced by over a hundred pictures and illustrations Part I places nudity and clothing in its ancient Israelite context with discussions of methodology the ancient Near Eastern evidence including material culture and iconography and an assessment of central aspects of the biblical material such as fabrication and uses of textiles lexicography theological and anthropological implications Part II looks at key themes such as mourning death encounters with the divine and issues of power and status Finally Part III presents several close studies of key passages from narrative prophetic and wisdom texts where clothing and nudity play an important role **The Naked Christ** Dan Lé, 2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture **Nude Before God** Shiv Kumar Kumar, 1987 **A Passage to Shiv K. Kumar** Prabhat K. Singh, 2001 This Book Is The First Comprehensive Critical Survey That Covers The Entire Range Of Shiv K Kumar's Creative Writing His Poetry Translation Play Novels And

Stories *NAKED, but not ashamed* Pius Arinze Has, Shola Mercy, 2019-08-29 A very systematic analysis of the account of Adam and Eve as recorded in the first three chapters of the Bible Simple clear and easy pacing packed with great lessons for success in your walk with God relationship with your partner and a better reason to strengthen your faith in a world that seem to be drifting far from the Creator It s Fantastic and Uplifting according to a reader Another reader as seen in the back cover tells of how it reminds her of the needful Believe in God *That Famous Fig Leaf* Chad W. Thompson, 2019-10-29 Nothing that God created is the source of our human temptation To the contrary The human body is the crown of God s creation consummated by his declaration that it was good That God s people are unable to view the body without sinning is not an indictment of the body itself but of the immaturity of the post modern evangelical mind We live in a culture whose inhabitants spend billions of dollars a year to see each other naked on internet sites and in pornographic films yet are often uncomfortable changing in front of each other in locker rooms or even being seen in a swimsuit on the beach Could it be that we have so profoundly fused the image of the exposed body with sexual gratification that there is no context left for it to be laid bare without evoking either shame or arousal In *That Famous Fig Leaf* Chad Thompson explores the spiritual implications of the physical body and surprisingly uncovers a new kind of freedom from sexual addiction along the way Chad critiques the Christian purity movement for conflating purity with prudery and reveals that changing how we esteem our bodies has the power to heal the hypersexualized body consciousness of our culture **Dante & the Unorthodox** James Miller, 2006-01-01 During his lifetime Dante was condemned as corrupt and banned from Florence on pain of death But in 1329 eight years after his death he was again viciously condemned this time as a heretic and false prophet by Friar Guido Vernani From Vernani s inquisitorial viewpoint the author of the *Commedia* seduced his readers by offering them a vessel of demonic poison mixed with poetic fantasies designed to destroy the healthful truth of Catholicism Thanks to such pious vituperations a sulphurous fume of unorthodoxy has persistently clung to the mantle of Dante s poetic fame The primary critical purpose of *Dante the Unorthodox* is to examine the aesthetic impulses behind the theological and political reasons for Dante s allegory of mid life divergence from the papally prescribed way of salvation Marking the septicentennial of his exile the book s eighteen critical essays three excerpts from an allegorical drama and a portfolio of fourteen contemporary artworks address the issue of the poet s conflicted relation to orthodoxy By bringing the unorthodox out of the realm of secret things by uncensoring them at every turn Dante dared to oppose the censorious regime of Latin Christianity with a transgressive zeal more threatening to papal authority than the demonic hostility feared by Friar Vernani
