**Planet-X, Comets & Earth Changes** James M. McCanney, 2002      Ephod of God Joan Anglely, 2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the mysteries of God      **Surviving Planet-X Passage** James M. The Return of Planet X is an educational informational source examining all aspects of this controversial subject including the record of X's Ancient Science of Prophecy its Phantom Astronomy Forbidden Archaeology and the Signs Of Its Approach This book examines the history and prophecy of Earth's many cultures throughout the millennia and their voluminous references to the reality of X's periodic passages The most current hypothesis used to examine X's next return through the solar system centers around the fact that X's extended orbit approximately every 3 600 years first passing through the solar system then back out again suggests that its destructive cycle occurs in two phases The first phase begins with X's initial pass through in 2009 separated by three years until its second phase This passage marks X's return leg back into deep space beginning again its 3 600 year long trek through the heavens X's last return visit through the solar system most likely coincided with the Hebrew's exodus from Egypt estimated around 1447 BC roughly 3 459 years ago Did God somehow come to Moses aid by staging a cosmic event that no one today understands The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012 According to ancient Mayan cosmology time as we know it on Earth will reach its climax on that date Written across the scroll of time and space the author believes Planet X will first return in 2009 and again in 2012

*Planet X - God's Endgame* David Meade,2013-04

Planet X was the subject of free and open debate among astronomers and scientists decades ago Harrington searched for the same object that famous astronomers such as Percival Lowell also searched for He published a paper on where he believed he would find Planet X and traveled to New Zealand with his own telescope to observe his discovery After his trip Harrington was silenced by a bizarre onset of esophageal cancer and died before he could publish his findings Following his death an anonymous obituary stated that he had been disappointed with his research However Harrington's widow rejected this notion she believed her husband was murdered to silence him before he could alert the world to proof of Planet X's existence This object what we call Planet X exists and it is inbound How do we know Both current data and the ancients tell us so If you've noticed the alarming and ever increasing pace of catastrophic Earth changes doesn't it make sense to become informed about the root cause Why has the US installed a huge telescope in Antarctica the only real viewpoint for Planet X As a Southern Hemisphere observation post Chile would have been much easier The South Pole

Telescope cost billions and took years to put into operation The Hubble has been used to monitor this situation with PX very closely and through an observatory in Kilauea Hawaii as well Planet X is why we have the Seed Vault in Greenland Planet X is why governments have spent trillions in deep underground bases This is a book that will take the reader deep into the mystery and the truth

**The Hunt for Planet X** Govert Schilling,2010-01-24 Ever since the serendipitous discovery of planet Uranus in 1871 astronomers have been hunting for new worlds in the outer regions of our solar system This exciting and ongoing quest culminated recently in the discovery of hundreds of ice dwarfs in the Kuiper belt robbed Pluto from its planet status and led to a better understanding of the origin of the solar system This timely book reads like a scientific who done it going from the heights of discovery to the depths of disappointment in the hunt for Planet X Based on many personal interviews with astronomers the well known science writer Govert Schilling introduces the heroes in the race to be the first in finding another world bigger than Pluto

**Mortal Jigsaw Puzzle** Grieving Patriot,2012-01-16 The Mortal Jigsaw puzzle follows the struggles of a heroic urban vice principal as he attempts to control a large high school teetering on the verge of chaos During the course of an infamous day known as Fat Lip Friday the ghetto principal tries valiantly to keep control of his school in the midst of a full blown gang war Immersed in an environment replete with urban music violence verbiage and dress the reader is bombarded with shocking images of life in the modern hood As the visceral educational conflagration unfolds the protagonist Jose Perez unexpectedly catches glimpses of a diabolical conspiracy of which street gangs are just a small part Thanks to his keen senses Mr Perez slowly collects the pieces to a profoundly disturbing global puzzle comprised of codes lyrics art and symbols of Egyptian Masonic and satanic origin While attempting to place the gratuitous carnage and depravity of the inner city into perspective Mr Perez accidentally stumbles upon an interdisciplinary mind control plan which draws upon religion politics economics psychology marketing history and the occult Alarmed by his findings Mr Perez warns his community of their pending doom only to be hunted down by the very debt cattle whom he tries to save from oblivion In the end both his community and his nation are condemned to fall under this nefarious plot as this educators quixotic mission abruptly ends with an ominous knock on his front door

**2052 Prophecies** Paul V Suffriti,2012-09-01 Mankind may be on the brink of extinction This story begins with a family living in an underground bunker in the year 2052 while the world above is in total chaos Nicholas and his family escaped their home in Denver and are now in New Mexico trying to survive an apocalyptic event caused by an approaching comet The earth has been subject to natural and man made disasters never before experienced by man In the bunker Nicholas reflects back on the past forty years of his life He remembers the joyful times and the tragic events that changed everything He relives the taking down of America by terrorist groups the battle of Armageddon in the Middle East natural disasters caused by great earthquakes and asteroids that changed the landscape around the world and the great

plague that killed a third of the world's population In this doomsday scenario 2052 Prophecies The Last 40 Years puts readers in the bunker alongside Nicholas and his terrified family huddled together as the earth shakes violently from the comet's approach Is it in the Prophecies that mankind will survive Originally from Massachusetts *Nemesis* Claude Burghen, 2004-05 *To Catch a Comet*, 1989 Designed as a teaching supplement for the classroom This booklet provides teachers with the information they need to incorporate the study of the comet into their existing lessons Pp
