Planners And Politicians Liberal Politics And Social Policy 1957 1968:

Planners and Politicians Penny Bryden, 1997 Canada's national social security system is a valued and integral part of our national character. However, with recent government cutbacks, the future of the welfare state is now in jeopardy. Focusing on the development of the Canada Pension Plan and Medicare, the cornerstones of Canada's social net, *Planners and Politicians* is a timely examination of the Liberal Party's role in the development of national social policies. **Planners and Politicians** Penny Bryden, 1997 This text explores the interrelationship between social programmes, federal-provincial relations, the role of the bureaucracy in devising and legitimizing policy, and the nature of political power in the modern Canadian state.

Cold Fire John Boyko, 2016-02-02 Forget all you think you know about the Kennedy years. With narrative flair and sparkling storytelling, acclaimed historian John Boyko explores the crucial period when America and its allies were fighting the Cold War's most treacherous battles. Canadians were trading sovereignty for security, and everyone feared a nuclear holocaust. At the centre of this story are three leaders. President John F. Kennedy pledged to pay any price to advance his vision for America's defence and needed Canada to step smartly in line. Fighting him at every turn was Conservative prime minister John Diefenbaker, an unapologetic nationalist trying to bolster Canada's autonomy. Liberal leader Lester Pearson, the Nobel Prize-winning diplomat, sought a middle ground. Boyko employs meticulous research and newly released documents to present shocking revelations. During the Cuban Missile Crisis, Canadian warships guarded America's Atlantic coast, and Canada suffered a silent coup d'état: Canada was involved in Kennedy's sliding America into Vietnam. Kennedy knew the nuclear missiles he was forcing on Canada would be decoys there only to draw Soviet nuclear fire. Kennedy's pollster and political adviser travelled to Ottawa under a fake passport to help defeat the Canadian government. And perhaps most startlingly, if not for Diefenbaker, Kennedy may have survived the bullets in Dallas. **People, Politics, and Purpose** Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of it, historian Peter Waite astutely remarked. *People, Politics, and Purpose* brings the historian's myriad tools to bear on Canadians, from prime ministers to lumberjacks to Indigenous leaders. Drawing on the rich details of biography, the contributors also address the larger questions of motivation: the so what that drives history. In the process, they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors. As such, the biographies in *People, Politics, and Purpose* are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada. This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally. Governing for the Long Term Alan M. Jacobs, 2011-03-28 In *Governing for the Long Term*, Alan M. Jacobs investigates the conditions under which elected governments invest in long-term social benefits at short-term social cost. Jacobs contends that along the path to adoption, investment-oriented policies must surmount three distinct hurdles to future-oriented state action: a problem of electoral risk.

rooted in the scarcity of voter attention a problem of prediction deriving from the complexity of long term policy effects and a problem of institutional capacity arising from interest groups preferences for distributive gains over intertemporal bargains Testing this argument through a four country historical analysis of pension policymaking the book illuminates crucial differences between the causal logics of distributive and intertemporal politics and makes a case for bringing trade offs over time to the center of the study of policymaking

Fearful Symmetry - The Fall and Rise of Canada's Founding Values Brian Lee Crowley,2013-07-27 In the 1960s Canada began a seismic shift away from the core policies and values upon which the country had been built A nation of makers transformed itself into a nation of takers Crowley argues that the time has come for the pendulum to swing back back to a time when Canadians were less willing to rely on the state for support when people went where the work was rather than waiting for the work to come to them Thought provoking meticulously detailed and ultimately polarizing Fearful Symmetry is required reading for anyone who is interested in where this country began where it s been and where it s going

Transforming the Prairies Shannon Stunden Bower,2024-11-01 Transforming the Prairies proposes a new understanding of Canada s Prairie Farm Rehabilitation Administration PFRA complicating common views of the agency as a model of effective government environmental management Between 1935 and 2009 the PFRA promoted agricultural rehabilitation in and beyond the Canadian Prairies with mixed and equivocal results The promotion of strip farming as a soil conservation technique for example left crops susceptible to sawfly infestations The PFRA s involvement in irrigation development in Ghana increased the local population s vulnerability to various illnesses And PFRA infrastructure construction intended to serve the public good failed to account for the interests of affected Indigenous peoples The PFRA is revealed as being a high modernist state agency that produced varied environmental outcomes and that contributed to consolidating colonialism and racism This investigation affirms the importance of engaging historical perspectives to help ensure that contemporary environmental management efforts support more just and sustainable futures

Transforming Labour Joan Sangster,2010-05-22 The increased participation of women in the labour force was one of the most significant changes to Canadian social life during the quarter century after the close of the Second World War Transforming Labour offers one of the first critical assessments of women s paid labour in this era a period when more and more women particularly those with families were going out to work Using case studies from across Canada Joan Sangster explores a range of themes including women s experiences within unions Aboriginal women s changing patterns of work and the challenges faced by immigrant women By charting women s own efforts to ameliorate their work lives as well as factors that re shaped the labour force Sangster challenges the commonplace perception of this era as one of conformity domesticity for women and feminist inactivity Working women s collective grievances fuelled their desire for change culminating in challenges to the status quo in the 1960s when they voiced their discontent calling for a new world of work and better opportunities for themselves and their daughters

Auto Pact Dimitry Anastakis,2005-11-26 The 1965 Canada United

States Automotive Trade agreement fundamentally reshaped relations between the automotive business and the state in both countries and represented a significant step toward the creation of an integrated North American economy Breaking from previous conceptions of the agreement as solely a product of intergovernmental negotiation Dimitry Anastakis's *Auto Pact* argues that the big three auto companies played a pivotal role and benefited immensely in the creation and implementation of this new automotive regime With the border effectively erased by the agreement the pact transformed these giant enterprises into truly global corporations Drawing from newly released archival sources Anastakis demonstrates that for Canada's automotive policy makers continentalism was a form of economic nationalism Although the deal represented the end of any notion of an indigenous Canadian automotive industry significant economic gains were achieved for Canadians under the agreement Anastakis provides a fresh and alternative view of the auto pact that places it firmly within contemporary debates about the nature of free trade as well as North American and indeed global integration Far from being a mere artefact of history the deal was a forebearer to what is now known as globalization

Walter Gordon and the Rise of Canadian Nationalism Stephen Azzi, 1999 From the 1950s to the 1970s Walter Gordon was the voice of English Canadian nationalism first as chair of the Royal Commission on Canada's Economic Prospects then as a minister in Lester B Pearson's cabinet and finally as founder and honorary chair of the Committee for an Independent Canada In the late 1960s many Canadians heeded Gordon's call for limits on the level of American investment in Canadian industry and joined with him to form a broad movement to limit American influence in Canada

Statesmen, Strategists, and Diplomats Patrice Dutil, 2023-06-15 Foreign policy is a tricky business Typically challenges and proposed solutions are perceived as disparate unless a leader can amass enough support for an idea that creates alignment And because the prime minister is typically the one proposing that idea Canadian foreign policy can be analyzed through the actions of these leaders *Statesmen Strategists and Diplomats* explores how prime ministers from Sir John A Macdonald to Justin Trudeau have shaped foreign policy by manipulating government structures adopting and rejecting options and imprinting their personalities on the process Contributors consider the impact of a wide range of policy decisions increasing or decreasing department budgets forming or ending alliances and pursuing trade relationships particularly as these choices affected the bureaucracies that deliver foreign policy diplomatically and militarily This innovative focus is destined to trigger a new appreciation for the formidable personal attention and acuity involved in a successful approach to external affairs

Deputy Ministers in Canada Jacques Bourgault, Christopher Dunn, 2014-01-01 This unique volume which deals with a uniquely significant topic reviews the role of deputy ministers within government providing a major new understanding of their responsibilities and interactions at both the federal and provincial levels

At Odds Suzanne Morton, 2003-12-15 Using a rich variety of historical sources Suzanne Morton traces the history of gambling regulation in five Canadian provinces Nova Scotia Quebec Ontario Manitoba and B C from the First World War to the federal legalization in 1969 This regulatory legislation designed to control gambling ended a

long period of paradox and pretence during which gambling was common but still illegal Morton skilfully shows the relationship between gambling and the wider social mores of the time as evinced by labour governance and the regulation of vice Her focus on the ways in which race class and gender structured the meaning of gambling underpins and illuminates the historical data she presents She shows for example as Old Canada the Protestant Anglo Celtic establishment declined in influence gambling took on a less deviant connotation a process that continued as charity became secularized and gambling became a lucrative fundraising activity eventually linked to the welfare state At Odds is the first Canadian historical examination of gambling a complex topic which is still met by moral ambivalence legal proscription and volatile opinion This highly original study will be of interest to the undergraduate history or social science student but will also hold the attention of a more general reader

From Rights to Needs Raymond B. Blake, 2009-07 This book explores the family allowance phenomenon from the idea's debut in the House of Commons in 1929 to the program's demise as a universal program under the Mulroney government in 1992 Although successive federal governments remained committed to its underlying principle of universality party politics bureaucracy federal provincial wrangling and the shifting priorities of citizens eroded the rights based approach to social security and replaced it with one based on need In tracing the evolution of one social security program within a national perspective *From Rights to Needs* sheds new light on how Canada's welfare state and social policy has been transformed over the past half century

Ontario since Confederation Lori Chambers, Edgar-Andre Montigny, James Onusko, Dimitry Anastakis, 2024-10-01 In the more than two decades since the publication of *Ontario Since Confederation A Reader* Ontario Canada North America and the world have experienced a whirlwind of profound changes This new edition brings together leading scholars to present a new and expansive view of Ontario's social political and economic history Building on the strengths of the first edition the second edition reflects on the dramatic changes in historical practice and understanding that have marked the last two decades Taking a chronological approach and broadening the theme of state and society the book explores important topics such as the environment gender continentalism urban growth and Indigenous issues This timely update to *Ontario Since Confederation* features new and revised chapters as well as new discussion questions designed to stimulate and guide readers to make connections between and across the entire book Bringing together a wide range of perspectives approaches and frameworks *Ontario Since Confederation* sheds light on historical changes in Canada's most populous province across more than one and a half centuries

The Wages of Relief Eric Strikwerda, 2013 *The Wages of Relief* examines the Depression experiences of three municipal governments Edmonton Saskatoon and Winnipeg and the individuals and families who relied on them for unemployment relief through the 1930s

Canadian Public Budgeting in the Age of Crises G. Bruce Doern, Allan M. Maslove, Michael J. Prince, 2013 A broad look at attempts to address economic crises by various governments with insights into how budget decisions are made

Extraordinary Canadians: Tommy Douglas Vincent Lam, 2011-03-08 Once voted the greatest Canadian of all time

Tommy Douglas was a prairie politician who believed in democratic socialism the crucial role of civil rights and the great potential of cooperation for the common good He is best known as the Father of Medicare Born in 1904 Douglas was a championship boxer and a Baptist minister who later exchanged his pulpit for a political platform A powerful orator and tireless activist he sat first as a federal MP and then served for 17 years as premier of Saskatchewan where he introduced the universal health insurance system that would eventually be adopted across Canada As leader of the national NDP he was a staunch advocate of programs such as the Canada Pension Plan and was often the conscience of Parliament on matters of civil liberties In the process he made democratic socialism a part of mainstream Canadian political life Giller Prize winning author Vincent Lam an emergency physician who works on the front lines of the health care system brings a novelist's eye to the life of one of Canada's greats

Art of Sharing Mary Janigan, 2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The Art of Sharing tells the dramatic history of Canada's efforts to save itself The introduction of federal equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec's insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The Art of Sharing makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century

Seven Days in Halifax Robert Ashe, 2025-10-07 Halifax today lives with the results of bad decisions made decades ago A container port accessible only through narrow downtown streets A park bridge and port on the spot where Africville was demolished A mega interchange going nowhere finally torn down The thoughtless power brokers who made these decisions are long gone but Haligonians still live now with the choices they made Yet for seven days in 1970 Nova Scotians saw a brilliant spotlight shone on the city's power structure exposing incompetence ignorance racism and lies In Seven Days in Halifax Robert Ashe presents this forgotten event in the city's life Twelve highly qualified outsiders including a passionate Black pastor a feisty Canadian labour leader and a no holds barred journalist spent a week in a public investigation of the city and how it worked Each evening Nova Scotians were glued to live television broadcasts where the 12

experts grilled local authorities The event called Encounter was a one off But it showed how a local power structure can fail a city s citizens and face no consequences Robert Ashe s story of Encounter explains much about Halifax s recent history and offers timely lessons on the importance of accountability on the part of those in the city s power structure today
