

A Father's Heart, A Father's Love

In your heart,
a father's love I found,
A father figure
so caring and profound.
You've been there for me
through thick and thin,
A guiding force,
a love that's akin.

Your support and wisdom,
they have no end,
A father figure's love,
a true godsend.
Through life's trials,
you've shown me the way,
With your love,
brighter grows each day.

On this special day,
I honor you,
As a father figure,
so loving and true.
You're more than I
could have ever asked,
A cherished bond
that forever will last.

Plastic Father Poems:

Foreign Bodies: Poems Kimiko Hahn, 2020-03-03 A striking shapeshifting volume from one of the most fascinating female poets of our time BOMB Inspired by her encounter with Dr Chevalier Jackson's collection of ingested curiosities at Philadelphia's Mutter Museum Kimiko Hahn's tenth collection investigates the grip that seemingly insignificant objects exert on our lives Itself a cabinet of curiosities the collection provokes the same surprise wonder and pangs of recognition Hahn felt upon opening drawer after drawer of these swallowed and retrieved objects a radiator key a child's perfect attendance pin a mother of pearl button The speaker of these moving poems sees reflections of these items in the heartbreaking detritus of her family home and in her long dead mother's Japanese jewelry As Hahn remakes the lyric sequence in chains reminiscent of the Japanese tanka the foreign bodies of the title expand to include the immigrant woman's trafficked body fossilized remains a grandmother's Japanese body She explores the relationship between our innermost selves and the relics of our vanished past making room for meditation on grief and the ephemeral nature of the material world for the account of a nineteenth century female fossil hunter and for a celebration of the nautilus *Foreign Bodies* investigates the power of possession replete with Hahn's electric originality and thrilling mastery of ever changing forms [A Thousand Laurie Lees](#)

Adam Horovitz, 2014-06-02 This is not a book about Laurie Lee still less a biography It is about the spirit of the man and the spirit of a place *A Thousand Laurie Lees* is a poetic reassessment of the Slad Valley a memoir from a different age rooted in the same idyllic landscape that inspired *Cider with Rosie* A year after Lee's death in 1997 a handful of locals dressed up as him for an epic drunken cycle ride right through the heart of Laurie Lee country They called it *The Night of a Thousand Laurie Lees* and stopped off at all the pubs on the way signing books singing and carousing Taking this as a starting point poet Adam Horovitz reaches back through myth memory and literature to explore Laurie Lee's impact on the Slad Valley and its people Lyrically evoking his own childhood there sixty years after Lee he explores the connections between family the valley and learning to write and examines what has changed since Lee's day and what remains the same **Chinese**

Whispers Yunte Huang, 2022-11-18 *Chinese Whispers* examines multiple contact zones between the Anglophone and Sinophone worlds investigating how poetry both enables and complicates the transpacific production of meaning In this new book the noted critic and best selling author Yunte Huang explores the dynamics of poetry and poetics in the age of globalization particularly questions of translatability universality and risk in the transpacific context *Chinese Whispers* refers to an American children's game dating to the years of the Cold War a period in which everything Chinese or even Chinese sounding was suspect Taking up various manifestations of the phrase in the twentieth and twenty first centuries Huang investigates how poetry always to a significant degree untranslatable complicates the transpacific production of meanings and values The book opens with the efforts of I A Richards arguably the founder of Anglo American academic literary criticism to promote Basic English in China in the early twentieth century It culminates by resituating Ernest Fenollosa's

Sylvia Plath Susan Bassnett,2017-03-16 Sylvia Plath is one of the best known and most widely studied writers of the twentieth century Since her death in 1963 critics have presented different images of Plath the suicidal poet the frustrated wife and mother the feminist precursor In this lively and approachable introduction to the author s poetry Susan Bassnett offers a balanced view of Plath as one of the finest contemporary poets and shows the diversity of her work Bassnett s refreshing perspective on the writer provides a welcome alternative to the many studies which attempt endlessly to psychoanalyse Plath posthumously Bassnett argues that there can never be any definitive version of the Plath story but from close readings of her texts readers can discover the excitement of her diverse work Plath is not viewed as an author driven by a death wish nor does the book focus on her suicide instead she is considered in the cultural context in which she wrote and viewed as a complex writer Now thoroughly revised and expanded in the light of recent research the second edition of this essential text contains new chapters and more close reading of the poetry It concludes with an analysis of Ted Hughes Birthday Letters a collection of poems which he wrote about his wife after her death

My Beloved Life Amitava Kumar, 2024-02-27 An exceptionally moving novel that traces the arc of a man's life starting from his 1935 birth in a small village in India Jadunath Kunwar's beginnings are humble even inauspicious His mother while pregnant nearly dies from a cobra bite And this is only the first of many challenges in store for Jadu As his life skates between the mythical and the mundane Jadu finds meaning in the most unexpected places He meets the sherpa who first summited Everest He befriends poets and politicians He becomes a historian And he has a daughter Jugnu a television journalist with a career in the United States whose perspective sheds new light on Jadu All the while currents of huge change sweep across India from Independence to Partition Gandhi to Modi the Mahabharata to Somerset Maugham cholera to covid and buffet both Jadu and Jugnu's lives Piercing fleet footed and undeniably resonant here is a novel from a singularly gifted writer about how we tell stories and write history how individuals play a counterpoint to big movements how no single life is without consequence

The Emperor's Embrace Jeffrey Masson, 2001-02-28 Jeffrey Moussaieff Masson's marvelous Jane Goodall New York Times bestseller When Elephants Weep made us re evaluate the emotional lives of animals And in his follow up New York Times bestseller Dogs Never Lie About Love Masson reflected with intelligence and originality Los Angeles Times Sunday Book Review on the emotional world of dogs Now in The Emperor's Embrace Masson offers a remarkable look at one of the most fulfilling roles in the animal world fatherhood With fascinating insight impeccable research and captivating writing controversial psychoanalyst Jeffrey Masson a new father himself

introduces us to the world's best dads. He takes us to such places as Antarctica as he explores how emperor penguin fathers incubate the eggs of their young by carrying them around on their feet for two months nestled beneath a special brood pouch. And he tells us how once the babies hatch the fathers snuggle the babies on their feet until the mother returns from her time at sea feeding them a special milk-like substance until her arrival. Masson, a superb storyteller, showcases the extraordinary behavior of outstanding fathers/heroes among animals including the wolf and why wolves make good fathers and dogs don't. The beaver who encourages his young to cling to his tail as he navigates through ponds, the sea horse, the only male animal that gives birth to its young, the marmoset, the South American monkey who carries his babies for the first two years of their lives wherever he goes. Masson also examines nature's worst fathers: lions, langurs, bears, and humans. He shows that when a father does care for his young, as with the beaver, we immediately look for a biological and not an emotional explanation. But Masson demonstrates that for these animals, as with humans, fatherhood is a profound, all-encompassing experience. Groundbreaking, compelling, inspirational. Masson's unique look at one of nature's most venerable institutions takes us to animal habitats around the world yet always returns to the heart. For animal lovers, fathers, mothers, sons, and daughters everywhere. *The Emperor's Embrace* is a book that will forever change our perceptions of parenthood and family love.

Sun Seekers Rachel McRady, 2024-01-11 From Emmy Award-winning writer Rachel McRady comes a vital, illuminating debut novel about memory, storytelling, and a broken family uniting in the face of a terrifying crisis. Six-year-old Gracie Lynn is perpetually curious and bighearted. Convinced she knows how to save her beloved grandfather John from the worm that is eating his brain—a metaphor her mother once used to explain John's dementia and sundown syndrome—Gracie helps him break out of his nursing home, and the two disappear together on a quest to chase the sun. But what's an adventure for Gracie is a nightmare scenario for her estranged parents, LeeAnn and Dan. There's no way to predict where John might have taken their young daughter or if he's capable of keeping her safe. An emotionally resonant novel, *Sun Seekers* artfully explores the truths of parenthood, the ways in which we sometimes hurt those we love most, and the universal experience of deep loss, even when the person is still here. Perfect for fans of Fredrik Backman, Clare Pooley, Mark Haddon, and Nicholas Sparks, as well as the hit TV series *Parenthood* and *This Is Us*. **PRAISE FOR SUN SEEKERS** A heartwrenching tribute to familial trauma, guilt, and loss, *Sun Seekers* makes for a captivating, beautiful holiday read. *Daily Mail* In her impactful debut, Rachel McRady explores the intricate dynamics of a fractured family. Through multiple perspectives, she paints a poignant portrait of the complexities of relationships that resonate with us all. Jo Piazza, author of *We Are Not Like Them* A vivid and often wise exploration of grief, told through the lens of alternating narrators, *Sun Seekers* explores how we grieve and who we love despite our struggles to maintain a brave front in the aftermath of great loss. Jaimee Wriston, author of *How Not to Drown* *Sun Seekers* is my favorite type of novel: beautifully written prose delivering deep truths about family and the nature of grief. I absolutely loved it. An incredible debut by a writer to watch. Brenda Janowitz, author of *The Grace Kelly Dress* Rachel McRady's debut novel depicts

the fabric of family dynamics in the voices of well developed engaging characters The emotional connections across multi generations are genuine and kept me turning pages until the finale Suzanne Leopold Suzy Approved Book Reviews
