HUSBAND MATERIAL Emma Goldrick, 2011-07-15 HOLDING OUT FOR A HERO Dream Lover Though Rose told herself that she wasn t looking for another involvement it would be nice if the man of her dreams swept her off her feet But the trouble with daydreams about Mr Right was that sometimes you found him When Sam Horton arrived in town Rose instantly recognized Husband Material he also came as part of a family package with daughter included However foolish fantasies were one thing reality quite another Sam was acting as lawyer for Chad Westbrook local Romeo and cheater of widows who had hired him to sue Rose Emma Goldrick s light humorous touch gives readers a wonderful lasting impression Romantic Times HOLDING OUT FOR A HERO *The Douglas Kennedy Collection #1* Douglas Kennedy, 2012-12-18 Three amazing novels in one fabulous ebook by 1 internationally bestselling author Douglas Kennedy The Pursuit of Happiness Manhattan Thanksgiving eve 1945 The war was over and Eric Smythe s party was in full swing All his clever Greenwich Village friends were there So too was his sister Sara an independent outspoken young woman starting to make her way in the big city And then in walked Jack Malone a U S Army journalist just back from a defeated Germany a man whose world view was vastly different than that of Eric and his friends This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences both for themselves and for those closest to them for decades afterwards Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era The Pursuit of Happiness is a great tragic love story a tale of divided loyalties decisive moral choices and the random workings of destiny A Special Relationship About an hour after I met Tony Hobbs he saved my life Thirty seven year old American

journalist Sally Goodchild quite literally married her hero Both foreign correspondents both on assignment in Cairo they quickly fell in love and settled into domestic life in London From the outset Sally's relationship with both Tony and his hometown was an uneasy one she found both to be far more unfamiliar than imagined But her adjustment problems are soon overshadowed by a troubled pregnancy When she goes into premature labor there are doubts whether her child will survive unscathed And then out of nowhere Sally is hit by an appalling postpartum depression a descent into a temporary but very personal hell which even sees her articulating a homicidal thought against her baby However when she does manage to extricate herself from this desperate state she finds herself in a fresh new nightmare as she discovers that the man she thought knew her better than anyone loved her more than anyone now considers her an unfit mother and wants to bar her from ever seeing her child again State of the Union America in the 1960s was an era of radical upheaval of civil rights protests and anti war marches of sexual liberation and hallucinogenic drugs More tellingly it was a time when you weren't supposed to trust anyone over the age of thirty when if you were young you rebelled against your parents and their conservative values But not Hannah Buchan Hannah is a great disappointment to her famous radical father and painter mother Instead of mounting the barricades and embracing this age of profound social change she wants nothing more than to marry her doctor boyfriend and raise a family in a small town Hannah gets her wish But once installed as the doctor's wife in a nowhere corner of Maine boredom sets in until an unforeseen moment of personal rebellion changes everything For decades this one transgression in an otherwise faultless life remains buried But then in the charged atmosphere of America after 9/11 her secret comes out and her life goes into freefall

Fear Nothing Dean Koontz, 2012-07-31 If you're different enough the night is not your enemy the darkness is not intimidating the shadows are not terrifying You fear nothing Christopher Snow is different from all the other residents of Moonlight Bay different from anyone you've ever met For Christopher Snow has made his peace with a very rare genetic disorder that leaves him dangerously vulnerable to light His life is filled with the fascinating rituals of one who must embrace the dark He knows the night as no one else can its mystery its beauty its terrors and the eerie silken rhythms that seduce one into believing anything even freedom is possible Until the night Christopher Snow witnesses a series of disturbing incidents that sweep him into a violent mystery only he can solve a mystery that will force him to rise above all fears and confront the many layered secrets of Moonlight Bay and its strange inhabitants A place like all places that looks a lot different after dark
