Platos Use Of Fallacy:

Plato's Use of Fallacy (RLE: Plato) Rosamond Sprague, 2012-11-12 There are many fallacious arguments in the dialogues of Plato The author argues that Plato was fully conscious of the fallacious character of at least an important number of these arguments and that he sometimes made deliberate use of fallacy as an indirect means of setting forth certain of his fundamental philosophical views Plato introduces them the author maintains for the purpose of working out their implications Plato is thus able to expose them for what they are to clear away possible lines of attack upon his own position and even to show that when the proper correction is applied his own views receive support

Plato's Use of Fallacy (RLE: Plato) Rosamond Sprague, 2012-11-12 There are many fallacious arguments in the dialogues of Plato The author argues that Plato was fully conscious of the fallacious character of at least an important number of these arguments and that he sometimes made deliberate use of fallacy as an indirect means of setting forth certain of his fundamental philosophical views Plato introduces them the author maintains for the purpose of working out their implications Plato is thus able to expose them for what they are to clear away possible lines of attack upon his own position and even to show that when the proper correction is applied his own views receive support

Plato's Use of Fallacy Rosamond Kent Sprague, 2017-12-22 Excerpt from Plato's Use of Fallacy A Study of the Euthydemus and Some Other Dialogues There is no doubt that there are many fallacious arguments in Plato's dialogues This book is an attempt to try out the hypothesis that Plato was fully conscious of the fallacious character of at least an important number of these arguments and that he sometimes made deliberate use of fallacy as an indirect means of setting forth certain of his fundamental philosophical views Of course there may well be arguments in the dialogues which Plato regarded as sound but which are in fact fallacious It is not my purpose to deny this nor to examine passages where Plato may have committed unintentional logical errors My purpose is rather to insist that in the case of certain specific fallacious arguments Plato was fully aware of the fallacy and used it for a purpose About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Plato's Use of Fallacy Rosamond Kent Sprague, 2003-01-01 *PLATO'S USE OF FALLACY* ROSAMOND KENT. SPRAGUE, 2018

Ascent to the Beautiful William H. F. Altman, 2020-10-21 With Ascent to the Beautiful William H F Altman completes his five volume reconstruction of the Reading Order of the Platonic dialogues This book covers Plato's elementary dialogues grappling from the start with F D E Schleiermacher who created an enduring prejudice against the works Plato wrote for beginners Recognized in antiquity as the place to begin Alcibiades Major was

banished from the canon but it was not alone with the exception of Protagoras and Symposium Schleiermacher rejected as inauthentic all seven of the dialogues this book places between them In order to prove their authenticity Altman illuminates their interconnections and shows how each prepares the student to move beyond self interest to gallantry and thus from the doctrinal intellectualism Aristotle found in Protagoras to the emergence of philosophy as intermediate between wisdom and ignorance in Symposium en route to Diotima's ascent to the transcendent Beautiful Based on the hypothesis that it was his own eminently teachable dialogues that Plato taught and bequeathed to posterity as his Academy's eternal curriculum Ascent to the Beautiful helps the reader to imagine the Academy as a school and to find in Plato the brilliant teacher who built on Homer Thucydides and Xenophon *Euthydemus* Plato,1993-01-01 This is the best translation available of a lively and challenging dialogue which sets before the reader profound questions about the use and misuse of reason Myles Burnyeat University of Cambridge *Ascent to the Good* William H. F. Altman,2018-11-29 At the crisis of his Republic Plato asks us to imagine what could possibly motivate a philosopher to return to the Cave voluntarily for the benefit of others and at the expense of her own personal happiness This book shows how Plato has prepared us his students to recognize that the sun like Idea of the Good is an infinitely greater object of serious philosophical concern than what is merely good for me and thus why neither Plato nor his Socrates are eudaemonists as Aristotle unquestionably was With the transcendent Idea of Beauty having been made manifest through Socrates and Diotima the dialogues between Symposium and Republic Lysis Euthydemus Laches Charmides Gorgias Theages Meno and Cleitophon prepare the reader to make the final leap into Platonism a soul stirring idealism that presupposes the student's inborn awareness that there is nothing just noble or beautiful about maximizing one's own good While perfectly capable of making the majority of his readers believe that he endorses the harmless claim that it is advantageous to be just and thus that we will always fare well by doing well Plato trains his best students to recognize the deliberate fallacies and shortcuts that underwrite these claims and thus to look beyond their own happiness by the time they reach the Allegory of the Cave the culmination of a carefully prepared Ascent to the Good

Plato's Self-corrective Development of the Concepts of Soul, Forms, and Immortality in Three Arguments of the Phaedo Martha C. Beck,1999 This study argues both that the proofs are ultimately unconvincing and that Plato was aware of the problems The Phaedo is shown as a truly dialectical philosophical conversation about the immortality of the soul

Rhetorical Argumentation Christopher W. Tindale,2004-05-27 The study of argumentation has primarily focused on logical and dialectical approaches with minimal attention given to the rhetorical facets of argument Rhetorical Argumentation Principles of Theory and Practice approaches argumentation from a rhetorical point of view and demonstrates how logical and dialectical considerations depend on the rhetorical features of the argumentative situation Throughout this text author Christopher W Tindale identifies how argumentation as a communicative practice can best be understood by its rhetorical features **Patterns in Plato's Thought** J.M.E. Moravcsik,1973-11-30 In his teachings and through his choice of

the dialogue form as a mode of communication Plato emphasized the communal aspect of intellectual work The need for having a community work together is nowhere more apparent than when the intellectual task set is that of interpreting the ancient philosophers Those of us who were fortunate enough to spend some of our years as students at Oxford found that among our most inspiring experiences were the meetings of the Oxford Aristotelian Society as well as the seminars in which B Phil students discussed Plato and Aristotle Up until the past few years no such group existed on the West Coast In the fall of 1970 some of us got together to form the West Coast Greek Philosophy Conference which was within a short time renamed by Prof T Rosenmeyer as the Aristotelians of the West Unincorporated In our monthly meetings we translate and discuss Greek philosophic texts For the past two years the group has been working on Aristotle's Physics

Plato's Dialogues Gerald Alan Press, 1993 These essays by philosophers philologists and historians exemplify both the pluralism and shared values of recent scholarship on Plato's dialogues and philosophy They emphasise the interdependence of ideas literary and dramatic elements and the historical and cultural contexts

Plato's Introduction of Forms R. M. Dancy, 2004-09-16

Scholars of Plato are divided between those who emphasize the literature of the dialogues and those who emphasize the argument of the dialogues and between those who see a development in the thought of the dialogues and those who do not In this important book Russell Dancy focuses on the arguments and defends a developmental picture He explains the Theory of Forms of the *Phaedo* and *Symposium* as an outgrowth of the quest for definitions canvassed in the Socratic dialogues by constructing a Theory of Definition for the Socratic dialogues based on the refutations of definitions in those dialogues and showing how that theory is mirrored in the Theory of Forms His discussion notable for both its clarity and its meticulous scholarship ranges in detail over a number of Plato's early and middle dialogues and will be of interest to readers in Plato studies and in ancient philosophy more generally

The Play of Character in Plato's Dialogues Ruby Blondell, 2002-06-27 This book attempts to bridge the gulf that still exists between literary and philosophical interpreters of Plato by looking at his use of characterization Characterization is intrinsic to dramatic form and a concern with human character in an ethical sense pervades the dialogues on the discursive level Form and content are further reciprocally related through Plato's discursive preoccupation with literary characterization Two opening chapters examine the methodological issues involved in reading Plato as drama and a set of questions surrounding Greek character words especially *ethos* including ancient Greek views about the influence of dramatic character on an audience The figure of Sokrates qua Platonic hero also receives preliminary discussion The remaining chapters offer close readings of select dialogues chosen to show the wide range of ways in which Plato uses his characters with special emphasis on the kaleidoscopic figure of Sokrates and on Plato's own relationship to his dramatic hero

Plato's Craft of Justice Richard D. Parry, 1996-01-01 This book traces the development of Plato's analogy between craft and virtue from *Euthydemus* and *Gorgias* through the central books of the *Republic* It shows that Plato's middle dialogues develop and extend rather than reject philosophical positions taken in the

early dialogues *Socratic Philosophy and Its Others* Denise Schaeffer, Christopher Dustin, 2013-06-20 The overall aim of the volume is to explore the relation of Socratic philosophizing as Plato represents it to those activities to which it is typically opposed The essays address a range of figures who appear in the dialogues as distinct others against whom Socrates is contrasted most obviously the figure of the sophist but also the tragic hero the rhetorician the tyrant and the poet Each of the individual essays shows in a different way that the harder one tries to disentangle Socrates own activity from that of its apparent opposite the more entangled they become Yet it is only by taking this entanglement seriously and exploring it fully that the distinctive character of Socratic philosophy emerges As a whole the collection sheds new light on the artful ways in which Plato not only represents philosophy in relation to what it is not but also makes it strange to itself It shows how concerns that seem to be raised about the activity of philosophical questioning from the point of view of the political community for example can be seen upon closer examination to emerge from within that very enterprise Each of the essays then goes on to consider how Socratic philosophizing can be defined and its virtues defended against an attack that comes as much from within as from without The volume includes chapters by distinguished contributors such as Catherine Zuckert Ronna Burger Michael Davis Jacob Howland and others the majority of which were written especially for this volume Together they address an important theme in Plato's dialogues that is touched upon in the literature but has never been the subject of a book length study that traces its development across a wide range of dialogues One virtue of the collection is that it brings together a number of prominent scholars from both political science and philosophy whose work intersects in important and revealing ways A related virtue is that it treats more familiar dialogues Republic Sophist Apology Phaedrus alongside some works that are less well known Theages Major Hippias Minor Hippias Charmides and Lovers While the volume is specialized in its topic and approach the overarching question about the potentially troubling implications of Socratic philosophy and the Platonic response should be of interest to a broad range of scholars in philosophy political science and classics Routledge Library Editions: Plato Various, 2021-12-02 Plato is perhaps the best known and most widely studied of all the ancient Greek philosophers A pupil of Socrates and teacher of Aristotle his ideas have inspired and influenced scholars of nearly every era His famous series of dialogues have become a standard part of the western philosophical canon from the Euthyphro and Gorgias of his early period the Republic Phaedrus and Symposium of his middle period to the Theaetetus and Laws of his late period The Routledge Library Edition makes available in a single set an outstanding range of scholarship devoted to Plato's philosophical work Routledge Library Editions Plato makes available in a single set an outstanding range of scholarship devoted to Plato's philosophical work The 21 volumes provide detailed analysis of his writings and philosophical ideas From the classic works of Francis Cornford G C Field and A E Taylor to more recent approaches and interpretations this set provides libraries and scholars with a century of outstanding scholarship on this key philosopher **Plato's Republic** Richard Kraut, 1997 Bringing between two covers the most influential and accessible

articles on Plato's Republic this collection illuminates what is widely held to be the most important work of Western philosophy and political theory It will be valuable not only to philosophers but to political theorists historians classicists literary scholars and interested general readers Visit our website for sample chapters **Who Speaks for Plato?** Gerald Alan Press, 2000 These essays examine a crucial premise of traditional readings of Plato's dialogues that Plato's own philosophical dialogues can be read off the statements made in the dialogues by Socrates and other leading characters The text argues that no character should be read as Plato's mouthpiece Plato's Protagoras Olof Pettersson, Vigdis Songe-Møller, 2016-11-30 This book presents a thorough study and an up to date anthology of Plato's Protagoras International authors papers contribute to the task of understanding how Plato introduced and negotiated a new type of intellectual practice called philosophy and the strategies that this involved They explore Plato's dialogue looking at questions of how philosophy and sophistry relate both on a methodological and on a thematic level While many of the contributing authors argue for a sharp distinction between sophistry and philosophy this is contested by others Readers may consider the distinctions between philosophy and traditional forms of poetry and sophistry through these papers Questions for readers attention include To what extent is Socrates preferred mode of discourse and his short questions and answers superior to Protagoras method of sophistic teaching And why does Plato make Socrates and Protagoras reverse positions as it comes to virtue and its teachability This book will appeal to graduates and researchers with an interest in the origins of philosophy classical philosophy and historical philosophy

If you ally infatuation such a referred **Platos Use Of Fallacy** books that will meet the expense of you worth, get the extremely best seller from us currently from several preferred authors. Platos Use Of Fallacy Introduction

In today's digital age, the availability of Plato's Use Of Fallacy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Plato's Use Of Fallacy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Plato's Use Of Fallacy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Plato's Use Of Fallacy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Plato's Use Of Fallacy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Plato's Use Of Fallacy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Plato's Use Of Fallacy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Platos Use Of Fallacy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Platos Use Of Fallacy books and manuals for download and embark on your journey of knowledge?

FAQs About Platos Use Of Fallacy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Platos Use Of Fallacy is one of the best book in our library for free trial. We provide copy of Platos Use Of Fallacy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Platos Use Of Fallacy. Where to download Platos Use Of Fallacy online for free? Are you looking for Platos Use Of Fallacy PDF? This is definitely going to save you time and cash in something you should think about.
