GAZING INTO OUR CRYSTAL BALL W.R. Sharp, 2024-04-30 Our philosophies and perils of wisdom related to our lifetime highlights will be shared with the reader in the pages ahead I S L Sharp will adorn the chapters with poetry and song lyrics to enhance our philosophies in our book entitled GAZING INTO OUR CRYSTAL BALL W R Sharp through his written essays stories and philosophies will try to give you a glimpse of his many travels highlights of his science career and stories of his moments with his loved ones which will provide our readers insight into his in depth knowledge And hopefully the stories and expressions of feelings through the reading of my poetry and lyrics will bring happiness and awareness of beauty to our readership As my co author my brother W R Sharp wrote in one of his essays Welcome to the Eighty Teens He too was welcomed to this age by cataracts and dental complications However he felt that these golden years should be celebrated as we gaze into our own crystal ball of life He thinks life is a journey and it is always spinning as if encapsulated in a fortune telling crystal ball It encounters multiple experiences opportunities transitions challenges and obstacles as we march through time toward our afterlife Nevertheless life can be quite fulfilling and coming of age is a continuous process facing all of us who live a long life In this ball the most important transformations involve coming of age in its earlier stages in one's education career pathway partnerships parenting or mentoring skills of others post careers retirement and facing our afterlife The latter changeover is especially challenging for those without partners and children unless in the crystal ball of life they prospered from self love and independence Fortunately the existence of public and private retirement facilities will accommodate some of these retirees The two of us have always imagined the existence of an afterlife metaverse as we march forward in our lives Optimistically we both hope to be able to learn lessons in

the spinning ball from our present lives and accomplishments and in our next life accomplish all of our unaccomplished earthly goals Maybe if you the reader gaze closer at your own life s crystal ball you will see that your life turns out the way it was meant to be whether it is happy or sad Who knows The magic of it all is that you were able to live on this earth for just a blink of an eye no matter what your real life s experiences were on this life altering planet And on the day when you finally transition into the mysterious afterlife a new window of opportunities will unfold for you to explore that will be overwhelming to you At that time you will have the freedom to embrace new possibilities for yourself that were not accessible to you during your existence on this Earth
