Hill, 2016-04-12 As a child John Kerrison was so obsessed with becoming a drummer that he made a snare drum from a biscuit tin and wallpaper. Tutored by the legendary Jim Marshall, he turned professional at the age of thirteen. I quit school at fifteen. The headmaster said choose academia or Rock Roll. I chose Rock Roll. John's drum kit survived being loaned to Keith Moon and he played on the same bill as The Rolling Stones. As a scooter riding Mod, he experienced the swinging 1960s firsthand and contributed to the deafening arrival of Hard Rock performing in bands alongside future Deep Purple legends Rod Evans, Nick Simper, Ian Gillan and Roger Glover. In 1971 a traumatic spinal cord injury abruptly ended John's promising career as a drummer. Eventually he surfaced from the depths of despair and found an innovative way of regaining his ability to play a full drum kit. **The Hartford County Directory**, 1885 **Steel Drivin' Man** Scott Reynolds Nelson, 2006-09-28 The ballad John Henry is the most recorded folk song in American history and John Henry the mighty railroad man who could blast through rock faster than a steam drill is a towering figure in our culture. In *Steel Drivin' Man* Scott Reynolds Nelson recounts the true story of the man behind the iconic American hero, telling the poignant tale of a young Virginia convict who died working on one of the most dangerous enterprises of the time: the first rail route through the Appalachian Mountains. Using census data, penitentiary reports and railroad company reports, Nelson reveals how John Henry, victimized by Virginia's notorious Black Codes, was shipped to the infamous Richmond Penitentiary to become prisoner number 497 and was forced to labor on the mile-long Lewis Tunnel for the C & O railroad. Equally important, Nelson masterfully captures the life of the ballad of John Henry, tracing the song's evolution from the first printed score by blues legend W. C. Handy to Carl Sandburg's use of the ballad to become the first folk singer to the upbeat version by Tennessee Ernie Ford. Attractively illustrated with numerous images, *Steel Drivin' Man* offers a marvelous portrait of a beloved folk song and a true American legend. **[Must**

John's Song of Life Jerome P. Vanora, 2008-06-17 Framed as a philosophical dialogue between teacher and student centered on a question of supreme interest to all thinking persons whether man's soul or essence is immortal the work is an attempt to reach a conclusion by integrating into a coherent whole various diverse influences in the life of the author Inspired by various sources Eastern and Western and many years of personal soul searching the dialogue reflects an optimism in the face of pain or loss that is the result of the author's lifelong passion for philosophy When it was first suggested to the author that a brief introduction to John's Song of Life might be helpful to the reader his initial reaction was that the dialogue should speak for itself After some reflection however he came to the conclusion that a few words about his background and how this work came to be written might be of interest to at least some of his readers The effort to philosophically bridge the gap between East and West made herein is the result of the author's attempt after many years of study and reflection to assimilate and integrate into a coherent whole if possible differing influences in his life and specifically to summarize a personal faith which is both religious and philosophic Born and raised a Catholic in New York the author readily acknowledges his debt of gratitude for the invaluable education religious and secular he received at the parochial schools he attended over the course of twelve years Then after starting college over forty five years ago he was introduced one fateful day by a friend to Samuel Weiser's bookstore at 845 Broadway in New York There he discovered a

veritable treasure house of countless gems of Eastern wisdom One of the staff was especially helpful and introduced him to the works of Paul Brunton an Englishman who became an authority on Yoga and India s higher philosophy In a short while the author who had theretofore read only Western philosophy in school became a serious student of Eastern philosophy and in the process a pretty good customer of the bookstore Eventually one of the proprietors was instrumental in the author s acquisition of some of Paul Brunton s letters from a dealer in California The author never became a professional philosopher He went from college to law school and thereafter chose a legal career with the State of New York He did remain a student of Eastern philosophic thought And was fortunate enough over the years to have enjoyed many peaceful weekends of quiet reflection at St Ignatius Retreat House in Manhasset New York It is in this vein that he offers his own reflections for whatever they may be worth to other seekers after truth What is it really that we seek One author John Levy aptly says that the words ultimate reality refer to a hunger which concepts even creeds entirely fail to meet a hunger that is innate in every enquiring person Can this hunger ever be satisfied That ancient classic of Eastern wisdom the Ashtavakra Gita repeatedly enjoins us to be happy This command implies that man s innate hunger and heartfelt longing for the Ultimate can be completely satisfied notwithstanding the failure of finite human intellect to comprehend It But does Western wisdom agree Happily the answer is yes The Judeo Christian tradition includes the beautiful Book of Psalms where we find the famous injunction Be still and know that I am God Psalms 46 10 Clearly these words indicate that knowledge of God awaits the man or woman who can find the stillness behind the ever moving mind But in our hectic society can such stillness ever be found What is Yoga if not a discipline to achieve such an end That such a discipline has existed in the West as well as the East though under a different label is clear from the English mystical classic The Cloud of Unknowing The author in examining life as Socrates urged is an optimist at heart In the dialogue whic *The Life of John Kalb, Major-General in the Revolutionary Army* Friedrich Kapp,1884 *The Gospel according to John* D.
