## **Pointing The Way 1959 1961:**

Pointing the Way Harold Macmillan, 1977      *European Decolonization* Martin Thomas, 2017-05-15 This collection brings together twenty one key articles that explore the nature and impact of colonial withdrawal Ranging across all the European colonial powers the articles discuss various aspects of decolonization including the role of political violence changing popular attitudes to empire and the inter actions between colonial conflict and Cold War      The Wind of Change L. Butler, S. Stockwell, 2013-06-27 Harold Macmillan s Wind of Change speech delivered to the South African parliament in Cape Town at the end of a landmark six week African tour presaged the end of the British Empire in Africa This book the first to focus on Macmillan s Wind of Change comprises a series of essays by leading historians in the field      A Savage War of Peace Alistair Horne, 2006-10-10 The Algerian War lasted from 1954 to 1962 It brought down six French governments led to the collapse of the Fourth Republic returned de Gaulle to power and came close to provoking a civil war on French soil More than a million Muslim Algerians died in the conflict and as many European settlers were driven into exile Above all the war was marked by an unholy marriage of revolutionary terror and repressive torture Nearly a half century has passed since this savagely fought war ended in Algeria s independence and yet as Alistair Horne argues in his new preface to his now classic work of history its repercussions continue to be felt not only in Algeria and France but throughout the world Indeed from today s vantage point the Algerian War looks like a full dress rehearsal for the sort of amorphous struggle that convulsed the Balkans in the 1990s and that now ravages the Middle East from Beirut to Baghdad struggles in which questions of religion nationalism imperialism and terrorism take on a new and increasingly lethal intensity A Savage War of Peace is the definitive history of the Algerian War a book that brings that terrible and complicated struggle to life with intelligence assurance and unflagging momentum It is essential reading for our own violent times as well as a lasting monument to the historian s art      *The Macmillan-Eisenhower Correspondence, 1957-69* E. *Ascendance and British Retreat in the Persian Gulf Region* W. Fain, 2008-07-07 This book critically examines the origins of American diplomacy in the greater Persian Gulf region arguing that it was the inability of the United States to contend effectively with the disintegration of British imperial authority in the Gulf that eventually led it to assume its current role in the region

American-British-Canadian Intelligence Relations, 1939-2000 David Stafford, Rhodri Jeffreys-Jones, 2000 During the second half of the 20th century intelligence co operation between the three North Atlantic powers of America Britain and Canada played a vital role in Western struggles against Nazi Germany Imperial Japan Soviet Russia and their lesser allies As demonstrated in the case studies in this volume World War II cemented loose and often informal inter allied agreements on security intelligence that had preceded it and created new and important areas of close and formal co operation in such areas as codebreaking and foreign intelligence But what was the true nature of this co operation Wartime myths have obscured much of the reality and while the western powers undoubtedly benefited from the dividends of these agreements during the Cold War that followed they also experienced restrictions on national sovereignty whose costs have often caused controversy while the search for co operation frequently provided cause for friction *Reluctant European* Stephen Wall, 2020-09-25 In 2016 the voters of the United Kingdom decided to leave the European Union The majority for Leave was small Yet in more than 40 years of EU membership the British had never been wholeheartedly content In the 1950s governments preferred the Commonwealth to the Common Market In the 1960s successive Conservative and Labour administrations applied to join the European Community because it was a surprising success whilst the UK's post war policies had failed But the British were turned down by the French When the UK did join more than 10 years after first asking it joined a club whose rules had been made by others and which it did not much like At one time or another Labour and Conservative were at war with each other and internally In 1975 the Labour government held a referendum on whether the UK should stay in Two thirds of voters decided to do so But the wounds did not heal Europe remained them not us The UK was on the front foot in proposing reform and modernisation and on the back foot as other EU members wanted to advance to ever closer union As a British diplomat from 1968 Stephen Wall observed and participated in these unfolding events and negotiations He worked for many of the British politicians who wrestled to reconcile the UK's national interest in making a success of our membership with the sceptical even hostile strands of opinion in parliament the press and public opinion This book tells the story of a relationship rooted in a thousand years of British history and of our sense of national identity in conflict with our political and economic need for partnership with continental Europe **Supermac** D R Thorpe, 2010-09-09 Great grandson of a crofter and son in law of a Duke Harold Macmillan 1894 1986 was both complex as a person and influential as a politician Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression he was a Tory rebel an outspoken backbencher opposing the economic policies of the 1930s and the appeasement policies of his own government Churchill gave him responsibility during the Second World War with executive command as Viceroy of the Mediterranean After the War in opposition Macmillan was one of the principal reformers of the Conservatives and after 1951 back in government served in several important posts before becoming Prime Minister after the Suez Crisis Supermac examines key events including the controversy over the Cossacks repatriation the
