Poisoned Embrace:

Poisoned Embrace Osborne,1997-11-01 **The Poisoned Embrace** Lawrence Osborne,1993 Since the days of the Early Fathers sex and death have formed a theological equation known as sexual pessimism an aversion to the carnal which consequently elevates the virginal and the chaste Here Osborne gives a bracing account of how we imagine one of the most intimate aspects of our lives *Poisoned Embrace* Lawrence Osborne,1994-08-30 The *Poisoned Embrace* is a provocative investigation into the history of sexual pessimism as it has evolved in Western theology throughout the ages Since the days of the Early Fathers sex and death have formed a theological equation known as sexual pessimism This aversion to the carnal and its consequent elevation of the virginal and the chaste springs not from Christianity but from Gnosticism Osborne examines the art mythologies and traditions of Christendom and distinguishes thematic archetypes the Virgin the Witch the Leper the Noble Savage the Jew the Oriental the Androgyne and Don Juan He traces our now glorified ideal of sexual passion back to the Troubadours and Northern Mystics and explores how the Passion of the Cross relates the ideas of sublime passion and therapeutic energy **Farewell Espana** Howard M. Sachar,2013-08-21 *Farewell Espana* transcends conventional historical narrative With the lucidity and verve that have characterized his numerous earlier volumes Howard Sachar breathes life into the leading dramatis personae of the Sephardic world the royal counselors Samuel ibn Nagrela and Joseph Nasi the poets Solomon ibn Gabirol and Judah Halevi the philosophers Moses Maimonides and Baruch Spinoza the statesmen Benjamin Disraeli and Pierre Mendes France the warriors Moshe Pijade and David Elazar the fabulous charlatans David Reuveni and Shabbatai Zvi In its breadth and richness of texture Sachar's account sweeps to the contemporary era of Mussolini Hitler and Franco poignantly traces the fate of Balkan Sephardic communities during the Holocaust and their revival in the Land and State of Israel Not least of all the author offers a tactile dimension of immediacy in his personal encounters with the storied venues and current personalities of the Sephardic world *Farewell Espana* is a window opened on a glowing civilization once all but extinguished and now flickering again into renewed creativity **Sex Positives?** Thomas Foster,Carol Siegel,Ellen E. Berry,1997 The feminist pornography debates are centered around the opposition between pro censorship factions and the pro sex radicals or sex positives But what exactly is the relationship between these debates and postmodern theories of reading and performativity What happens to these debates when they are placed in the context of colonial or U S racial histories What is the history behind today's sexual radicalism How radical is it In the first section of *Sex Positives* Nicola Pitchford Naomi Morgenstern Victoria L Smith and Gabrielle N Dean focus on the recent sex wars in U S feminism especially within lesbian culture Elissa J Rashkin Gaurav Desai and James Smalls broaden the terms of the sex wars debates in the second section to include sexualized racial and colonial representations from Chicana African and African American perspectives Finally Sander L Gilman Laura Ciolkowski and Laura Frost explore a variety of historical contexts for understanding contemporary forms of sexual representation and the repression of such representations *The Raven*

Eça de Queiroz Maria Filomena Mónica, 2005

The first literary biography in English of E a de Queiroz the Portuguese Dickens *Seventy-Seven Clocks* Christopher Fowler,2005-11-29 The odd couple of detection the brilliant but cranky detectives of London s Peculiar Crimes Unit return in a tense atmospheric new thriller that keeps you guessing until the final page This time Bryant and May are up against a series of bizarre murders that defy human understanding and a killer no human hand may be able to stop A mysterious stranger in outlandish Edwardian garb defaces a painting in the National Gallery Then a guest at the exclusive Savoy Hotel is fatally bitten by what appears to be a marshland snake An outbreak of increasingly bizarre crimes has hit London and fittingly come to the attention of the Peculiar Crimes Unit Art vandalism an exploding suspect pornography rat poison Gilbert and Sullivan musicals secret societies and not a single suspect in sight The killer they re chasing has a dark history a habit of staying hidden and time itself on his side Detectives John May and Arthur Bryant may have finally met their match and this time they re really working against the clock *Preludes and Harmonies* Conrad M. R. Bonacina,1908 [Antisemitism in the German Military Community and the Jewish Response, 1914-1938](#) Brian E. Crim,2014-04-17 Antisemitism in the German Military Community and the Jewish Response 1914 1938 explores how German World War I veterans from different social and political backgrounds contributed to antisemitic politics during the Weimar Republic The book compares how the military right wing veterans and Jewish veterans chose to remember their war experiences and translate these memories into a political reality in the postwar world Antisemitism addresses several neglected issues First there is relatively little scholarship discussing antisemitism in the imperial German army and the impact former imperial officers had on the antisemitic predilections of veteran associations This subject deserves attention given that veteran politics during the Weimar Republic were of tremendous significance to the collapse of democracy and the rise of National Socialism and that the primary architects of the Third Reich and the Final Solution were either World War I veterans or had been members of paramilitary organizations in the interwar period The second issue addressed is how veterans influenced the definition of Aryan identity or how race came to be perceived through the prism of war and political violence Since German Jews had to fight both accusations of shirking military service and the perception of the Jew as effeminate the manner in which these veterans tried to reforge Jewish identity and their relationship with their former comrades is an extraordinarily important issue The third issue concerns situational antisemitism or the process by which an organization expressed an opinion or policy concerning Jews in response to internal dissension and external influences *Bram Stoker's Dracula* Carol Margaret Davison,1997-11-01 Winner of the 1997 International Association of the Fantastic in the Arts Best Non fiction Book In 1897 Archibald Constable Company published a novel by the unheralded Bram Stoker That novel Dracula has gone on to become perhaps the most influential novel of all time To commemorate the centennial of that great novel Carol Margaret Davison has brought together this collection of essays by some of the world s leading scholars The essays analyze Stoker s original novel and celebrate its legacy in popular culture The continuing presence of Dracula and vampire fiction and films provides proof

that as Davison writes Dracula is alive and sucking Dracula is a Gothic mandala a vast design in which multiple reflections of the elements of the genre are configured in elegant sets of symmetries It is also a sort of lens bringing focus and compression to diverse Gothic motifs including not only vampirism but madness the night spoiled innocence disorder in nature sacrilege cannibalism necrophilia psychic projection the succubus the incubus the ruin and the tomb Gathering up and unifying all that came before it and casting its great shadow over all that came and continues to come after its influence on twentieth century Gothic fiction and film is unique and irresistible from the Preface by Patrick McGrath *Sexing the Millennium* Linda Grant,1994 Joan Smith has said that Linda Grant is on the side of sex and on the side of women and *Sexing the Millennium* is a compellingly thorough examination of the colossal social shifts catalyzed by that brief period when sex was free from the threats of both pregnancy and disease
