Poisoned Love:

Poisoned Love Caitlin Rother, 2010-01-01 Rother is the next Ann Rule Gregg Olsen ACCIDENT SUICIDE OR MURDER On November 6 2000 paramedics answered a call to find Kristin Rossum 24 sobbing Her husband Greg de Villers wasn't breathing She claimed he had overdosed on drugs after learning she was leaving him But family and friends who knew of Greg's distaste for drugs weren't buying Kristin's story AMERICAN BEAUTY Rossum was a brainy blonde beauty whose talent for toxicology had won her a post at the San Diego County Medical Examiner's Office But her sweet smile masked a dark side She'd developed a taste for methamphetamine in high school and six months after her marriage to Greg she'd begun seeking secret trysts with other men TOXIC PASSION At the time of her husband's death Rossum was engaged in an illicit affair with her married boss Investigators found that the Medical Examiner's Office was missing supplies of meth and fentanyl the narcotic that had killed her husband With each clue discovered another piece of Rossum's good girl facade fell away What the world would eventually see was the true face of a murderer and the hand of justice Rother has written another ripped from the headlines page turner Library Journal An exciting page turner from a first rate reporter M William Phelps New York Times bestselling author Riveting an emotional and gripping tale from beginning to end Aphrodite Jones New York Times bestselling author Rother gets to the heart of a very compelling story with an eye for detail A must read for true crime fans Robert Scott New York Times bestselling author Caitlin Rother hooks you from the prologue on Suzy Spencer New York Times bestselling author Includes dramatic photos *Poisoned Love* Carlton Smith, 2025-06-25 Kathy Augustine was a controversial two term Nevada State Controller In 2003 her husband Chuck died of an apparent stroke Only a month later she married Chaz Higgs an ER nurse who it was later revealed had attended to her late husband just before his death Three years later fifty year old Kathy died after a heart attack the result her family and friends believed of a stressful political campaign But when an autopsy of Kathy's body revealed no signs of heart disease investigators dug deeper into Kathy's case only to find the presence of a powerful paralyzing emergency room drug in Kathy's system A jury would later charge Nurse Chaz with murder in the first degree But could Kathy's first husband also have been the victim of Chaz's treachery And just how much did Kathy know This is the shocking true story of a family torn apart by lies medical crime and POISONED LOVE

From Sex to Superconsciousness Osho, 2002 Extemporaneous talks given by the author in Mumbai India **Sex Matters** Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in Sex Matters Sex to Superconsciousness Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune Sex Matters begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in

response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology's way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

The Murder Mystique Laurie Nalepa, Richard Pfeifferman, 2013-02-07 Although they account for only ten percent of all murders those attributed to women seem especially likely to captivate the public This absorbing book examines why that is true and how some women literally get away with murder Combining compelling storytelling with insightful observations the book invites readers to take a close look at ten high profile killings committed by American women The work exposes the forces that underlie the public's fascination with female killers and determine why these women so often become instant celebrities Cases are paired by motive love money revenge self defense and psychopathology Through them the authors examine the appeal of women who commit murders and show how perceptions of their crimes are shaped The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print True crime aficionados will be fascinated by the minute descriptions of what happened and why while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined

Body Parts Caitlin Rother, 2025-02-25 Now updated with shocking details about the identity of Wayne Adam Ford's first victim revealed 25 years after her death the brand new edition of a true crime classic from New York Times bestselling author Caitlin Rother delves into the disturbing mind and brutal crimes of the Humboldt County serial killer now on Death Row I hurt some people With these words a tearful man hinted at a deadly crime leading investigators to uncover a horrifying saga of abuse tragedy and serial murder When Wayne Adam Ford walked into the Humboldt County Sheriff's Office in November 1998 with a woman's body part in his jacket pocket the 36 year old truck driver wasn't a suspect in any crime After a lengthy investigation spanning four California counties and a sensational trial he was convicted of the torture and murder of four women His first victim whom he dismembered would remain unidentified for 25 years While serving honorably in the Marine Corps Ford had learned life saving techniques that gave him structure and purpose But a severe head injury worsened pre-existing emotional problems rendering him unable to suppress his dark sexual impulses Knowing he would kill again he enlisted his brother's help to turn himself in Award winning investigative

journalist Caitlin Rother drew on previously sealed testimony and interviewed key players in the case including Ford's brother and father to write this intimate and psychologically resonant narrative Extensively updated with the inside details of how Ford's first victim was recently identified through DNA testing and forensic genealogy this classic true crime story continues to haunt us **Fools** Kol,2012-11 All anyone wants is to be read like a page turner opened flipped through enjoyed People want to be connected with used loved if only privately by an exclusive person or set of people We want to be read like books because we write ourselves like books narratives of character theme plot And we read ourselves too what we've written in our minds It's scary says Ana her brow coldly sweats Imagine it's a dreamscape I say squinching The trees are sleepwalkers They sway and breathe Their canopies are the umbragical skulls of scatterbrained giants from Fools

Megalies Lodovico Balducci,2014-02-28 Make it up dammit Just lie How can you expect to become a physician if you don't learn how to lie I used to recommend to junior medical students the first day they walked into a ward I shared the wisdom accumulated in more than thirty years I had survived thanks to a carefully woven web of lies The mother of all lies holds there is an objective good such as money power or prestige We are expected to pursue it at the cost of denying ourselves our unique living truth This book narrates the journey of Lodovico Balducci in his discovery of the living truth the ability to give and receive unconditional love Agape is purposeful determined and committed love inspired by our own mystery the most intimate needs and inspiration Agape allowed Balducci to convert his worst liabilities such as depression into his most valuable assets when ministering to the suffering Agape showed Balducci that he was sacred that is endowed with a mission only he can accomplish that sacrifice the recognition of one's sacredness is the meaning of existence and that redemption the paying of somebody else's debt for the common good is the goal of personal sacrifice *A Companion to Shakespeare's Works, Volume I* Richard Dutton,Jean E. Howard,2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's tragedies contains original essays on every tragedy from Titus Andronicus to Coriolanus as well as thirteen additional essays on such topics as Shakespeare's Roman tragedies Shakespeare's tragedies on film Shakespeare's tragedies of love Hamlet in performance and tragic emotion in Shakespeare

Words and the Poet R. O. A. M. Lyne,1998 Readers familiar with Dr Lyne's last book on Virgil will know what to expect

There is the same clarity of expression and layout the same care to make his use of special terminology unambiguous the same passionate belief to use his own words that nothing in Vergil is without purpose of explanation Dr Lyne undoubtedly makes the reader think and sharpens his perception of Virgil he imparts much interesting factual information in a clear orderly style and his passion to know what can be found in Virgil's text is genuine and attractive Greece and Rome To a surprising extent Vergil avoids artifices of poetic diction like archaism and grecism preferring ordinary language words that were the common stock of the Latin tongue or even and this remarkably often words that conventional poets generally avoided at all costs as too ordinary prosaisms colloquialisms In this he shares the taste of his contemporary Horace The present book identifies and categorizes such diction in Vergil But more importantly it shows how such comparatively unpromising material is converted by the poet's methods of combination *iunctura* into poetry Parallels are drawn with Horace's procedures and Vergil's boldness stressed Horace combines words in such a way as to make them new Vergil's combinations veritably extort unexpected and novel sense Horace can put prosaic words to work in spite of their unpromising familiarity Vergil more vigorously exploits them The Vergilian techniques of extortion and exploitation are richly illustrated in this book Not all Vergil's characteristic methods merit such violent descriptions His use of the traditional simile narrative through imagery is characterized by discretion and guile but at key points links up with those more forceful methods Guileful too is the way in which he may persuade some neutral word to acquire a special sense over a stretch of text or the way he may incite us to pursue a sequence of related effects Vergilian narrative through imagery and his techniques of incitement and acquisition are also fully explained in this richly original and informative book

Canzoniere Petrarch, 1999-05-22 Mark Musa in editing and translating Petrarch's *Canzoniere* has performed a wonderful service to the English speaking reader Here in one volume are included the poet's own selection of the best lyric verse he wrote throughout his life accompanied by brief but useful notes Chronicles As well as skillful and fluent verse renderings of the 366 lyrics that make up this milestone in the development of Western poetic tradition Musa offers copious and up to date annotation to each poem along with a substantial sensitive and intelligent introduction that is genuinely helpful for the first time reader and thought provoking for Petrarch scholars and other medievalists Choice The 366 poems of Petrarch's *Canzoniere* represent one of the most influential works in Western literature Varied in form style and subject matter these scattered rhymes contains metaphors and conceits that have been absorbed into the literature and language of love In this bilingual edition Mark Musa provides verse translations annotations and an introduction co authored with Barbara Manfredi

The Romantic World of Puccini Iris J. Arnesen, 2009-10-21 Giacomo Puccini composer of some of the world's most popular operas including La Boheme Tosca and Madama Butterfly was also a highly literary person who based his librettos on existing works of literature This work explores that literary inheritance in an effort to enhance the listener's appreciation of the operatic experience The author argues that the majority of Puccini's operas compose a grand cycle that finds its roots in the romance genre of 12th century France serving to celebrate the strong independent heroine Via a close examination of the source works the librettos and the scores this book offers fresh perspective on Puccini's legacy

John Ruskin, C.S. Lewis--On the Christ of a Religious Economy, 3.2 P. H. Brazier, 2014-01-16 C S Lewis On the Christ of a Religious Economy II Knowing Salvation opens with a discussion of the Anscombe Lewis debate the theological issues relating to revelation and reason Christ the Logos This leads into Lewis on the Church the body of Christ and his understanding of religion how is salvation enacted through the churches how do we know we are saved This concludes with for Lewis the question of sufferance and atonement substitution and election deliverance and redemption heaven hell resurrection and eternity Christ's work of salvation on the cross What did Lewis say of humanity in relation to God now Immanuel God with us incarnate crucified resurrected and ascended for humanity What of Lewis's own death and that of his wife What does this tell us about the triune God of Love who is Love This volume forms the second part of the third book in a series of studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work

The Mystery of Lewis Carroll Jenny Woolf, 2010-03-04 A new biography of Lewis Carroll just in time for the release of Tim Burton's all star Alice in Wonderland Lewis Carroll was brilliant secretive and self contradictory He reveled in double meanings and puzzles in his fiction and his life Jenny Woolf's The Mystery of Lewis Carroll shines a new light on the creator of Alice In Wonderland and brings to life this fascinating but sometimes exasperating human being whom some have tried to hide Using rarely seen and recently discovered sources such as Carroll's accounts ledger and unpublished correspondence with the real Alice's family Woolf sets Lewis Carroll firmly in the context of the English Victorian age and answers many intriguing questions about the man who wrote the Alice books such as Was it Alice or her older sister that caused him to break with the Liddell family How true is the gossip about pedophilia and certain adult women that followed him How true is the romantic secret which many think ruined Carroll's personal life Who caused Carroll major financial trouble and why did Carroll successfully conceal that

person's identity and actions Woolf answers these and other questions to bring readers yet another look at one of the most elusive English writers the world has known *Women of the Twelfth Century, Volume 3* Georges Duby, 1998-08-03 In this volume Georges Duby studies the relationship between the Church and women in twelfth century Europe By that time the Church had begun to see the evolving roles and expectations of women as serious matters resulting in a wide range of clerical writings addressing the woman question Drawing on these writings Duby describes how women were thought to embody particular sins such as sorcery disobedience and licentiousness He evaluates Eve's role in man's fall from grace in the Garden of Eden and analyzes the reasoning behind the view that women are unstable curious frivolous creatures He also notes that these charges are leveled against women even as praise is heaped upon them for the conventional virtues they exhibit in their roles as wives and mothers As the final installment in Duby's three volume study of French noblewomen of the twelfth century Eve and the Church is the last work of this superb historian It will be of interest to scholars of medieval history and women's history as well as to anyone interested in current debates about women and religion Georges Duby 1919-1996 was a member of the Académie française and for many years held the distinguished chair in medieval history at the Collège de France His books include *The Three Orders* *The Age of Cathedrals* *The Knight the Lady and the Priest* *Love and Marriage in the Middle Ages* and *History Continues* all published by the University of Chicago Press **Tristan** Mark Chinca, 1997-04-10 This book offers a concise introduction to Gottfried von Strassburg's *Tristan* The work is approached both through its context and through a close reading of key passages of the text The contextual reading compares Gottfried with his predecessors Beroul Eilhart and Thomas in order to reveal his independent response to the problems and possibilities with which he was confronted by his material The close textual reading builds up a distinctive interpretation of the work in which particular attention is paid to Gottfried's reworking of literary tradition his use of religious analogies and his awareness of the fictive potential of literary language A concluding chapter examines Gottfried's medieval reception through the work of his continuators Ulrich von Turheim and Heinrich von Freiberg and the *Herzmaere* of Konrad von Wurzburg
