**Dan S. Lunsford**

## **Police Strike 1919:**

*A City in Terror* Francis Russell, 2005-05-15 On September 9 1919 an American nightmare came true The entire Boston police force deserted their posts leaving the city virtually defenseless Women were raped on street corners stores were looted and pedestrians were beaten and robbed while crowds not only looked on but cheered The police strike and the mayhem that followed made an inconspicuous governor Calvin Coolidge known throughout America turning him into a national hero and eventually a president It also created a monster for two days more than 700 000 residents of Boston s urban core were without police protection and the mob ruled the streets *A City in Terror* Francis Russell, 1975 On

September 9 1919 an American nightmare came true More than three quarters of Boston s police force deserted their posts leaving the city virtually defenseless Their strike made an inconspicuous governor Calvin Coolidge known throughout America creating a national hero and eventually a president It also created a monster for two days more than 700 000 inhabitants of Boston s urban core were without police protection and the mob ruled the streets Stores were looted pedestrians were beaten and robbed while crowds of spectators cheered the attackers on women were raped on street corners The violence shocked a nation haunted by the specter of Red Revolution and many Americans were in fearful agreement with the grim prophecy of the Wall Street Journal LENIN AND TROTSKY ON THE WAY Viewed from any perspective the strike is a startling piece of history with far reaching political and social consequences Yet in order to comprehend fully the significance of this tragic but fascinating event one must perceive it through the minds and hearts of those who lived it This is precisely the task that Francis Russell one of the most respected historians of our time fulfills so ably Within the framework of an hour by hour account of the strike he weaves a remarkably vivid tapestry of time place and character which illuminates the spirit and sentiment of post World War I America It is a chilling study of an American city s stumble into darkness a glimpse into the past that holds grave implications for the future as recent events in Montreal and Baltimore make clear *A City in Terror* is essential reading for anyone interested in America s past or concerned about her future **The Boston Police Strike of 1919** Willard M. Oliver, 2023-09-15 At 5 45 p m on September 9 1919 Boston was effectively without a police force leaving the city victim to four days of crime looting and violence Ordered to disband their newly organized police union the officers voted to walk off their posts in protest leading to the greatest tragedy in American policing the Boston Police Strike of 1919 This is a compelling account of the historical antecedents that led to the strike and its complex political and societal ramifications Through meticulous research Oliver explores the perspectives and motivations of all involved from the police officers attempting to unionize to the city s leaders trying to retain command and control of its patrolmen *A City in Terror* Francis Russell, 1977 *The Boston Police Strike*, 1971 This text examines the issues associated with the September 1919 strike by Boston police officers They walked off the job after issuing demands for higher pay The fact the police did go on strike not only surprised the city of Boston Massachusetts which was the affected city but

also resulted in negative public opinions of police association with organized labor      **No Compromises** Eric S. Place,2012
