[Art and Selfhood](#) Antony Aumann,2019-02-14 On Art and Selfhood lies at the intersection of existentialism and the philosophy of art On the philosophy of art side it addresses questions about why art matters and how we ought to appreciate it On the existentialism side it attends to questions pertaining to authenticity or authentic selfhood That is to say it focuses on issues and problems having to do with our personal identity or our sense of who we are The goal of the book is to bring together these two topics in a productive manner by showing that works of art matter partly because they can help us with the project of selfhood In other words works of art are important in part because they can offer us much needed guidance and support as we try to figure out who we really are To make the case for this thesis On Art and Selfhood draws on the works of the Danish thinker S ren Kierkegaard 1813 55 It mines his writings for insights regarding aesthetics and personal identity and then uses these insights to contribute to current discussions of these topics Thus the book speaks not only to those with interests in contemporary analytic philosophy but also to those with interests in historical scholarship on Kierkegaard [Black Popular Music in Britain Since 1945](#) Jon Stratton,Nabeel Zuberi,2016-04-15 Black Popular Music in Britain Since 1945 provides the first broad scholarly discussion of this music since 1990 The book critically examines key moments in the history of black British popular music from 1940s jazz to 1970s soul and reggae 1990s Jungle and the sounds of Dubstep and Grime that have echoed through the 2000s While the book offers a

history it also discusses the ways black musics in Britain have intersected with the politics of race and class multiculturalism gender and sexuality and debates about media and technology Contributors examine the impact of the local the ways that black music in Birmingham Bristol Liverpool Manchester and London evolved differently and how black popular music in Britain has always developed in complex interaction with the dominant British popular music tradition This tradition has its own histories located in folk music music hall and a constant engagement since the nineteenth century with American popular music itself a dynamic mixing of African American Latin American and other musics The ideas that run through various chapters form connecting narratives that challenge dominant understandings of black popular music in Britain and will be essential reading for those interested in Popular Music Studies Black British Studies and Cultural Studies

David Kavanagh,2006-09 A unique six year compilation of British rural news interspersed with the author s own observations on birds mammals fish and aspects of Britain s countryside today Most rural subjects are covered in a comprehensive snapshot of country life at the start of the new Millennium From December 1999 to February 2006 scores of different issues are compressed into hundreds of bite sized easily digested articles From angling to animal rights campaigns foxhunting to farming game shooting to wildlife conservation a diverse collection of views comment and advice is presented The batty and the bizarre also get a look in as do the controversial and the downright crazy With its packed pages A Country Pillow Book could become a bedside companion for the rural researcher or a useful tool for the country loving insomniac     **Defending the Rock** Nicholas Rankin,2017-09-05 Adolf Hitler s failure to take Gibraltar in 1940 lost him the Second World War But in truth the formidable Rock jutting between the Mediterranean and the Atlantic was extraordinarily vulnerable Every day ten thousand people crossed its frontier to work spy sabotage or escape It was threatened by Spain Vichy France Italy and Germany After the USA entered the war Gibraltar became General Eisenhower s strategic headquarters for the invasion of North Africa and the battle for the Mediterranean     **The Poetics and Politics of Diaspora** Jerome C. Branche,2014-08-21

This book studies the creative discourse of the modern African diaspora by analyzing poems novels essays hip hop and dub

poetry in the Caribbean England Spain and Colombia and capturing diasporan movement through mutually intersecting axes of dislocation and relocation and efforts at political group affirmation and settlement or location Branche's study connects London's multimillion dollar riots of 2011 and its antecedents associated with the West Indian settler community to the discontent and harrowing conditions facing black immigrants to contemporary Spain as gateway to Fortress Europe It links the brutal massacres that target Colombia's dispossessed and displaced poor and mainly black throwaway citizens victims of the drug trade and neoliberal expansionism to older Caribbean stories that tell of the original spurts of capitalist greed and the colonial cauldron it created at the center of which lay the slave trade In revisiting the question of what really has awaited Afro descendants at the end of the Middle Passage this volume brings transatlantic slavery the making of weak postcolonial states that bleed people and the needle's eye of racial identification together through a close reading of rappers black radicals dub poetry and novelists from Europe Africa and the Americas Branche at once demonstrates the existence of an archive of Afro modern diasporan discursive production and just as importantly points toward a historically rooted theoretical framework that would contain its liberatory trajectory

### **Inside**

**Babylon** Winston James,Clive Harris,1993 The varied experience of the Caribbean diaspora in Britain with its difficult and fractured history is reflected in this distinctive and lively collection The contributors to Inside Babylon show how employers and police psychiatrists and welfare services help to channel black people into residential and occupational ghettos Clive Harris Bob Carter and Shirley Joshi analyse the economic destiny of Afro Caribbeans in Britain Going beyond the familiar prisms of race relations and reductionist class analysis they illuminate the radicalizing dynamic of British capitalism in the postwar period Errol Francis provides a shocking account of the experience of black people at the hands of psychiatrists in Britain Cecil Gutzmore finds the Notting Hill carnival to be a litmus test of racist formations in both the media and the state as well as evidence of the resilience of the black community Amina Mama and Claudette Williams explore the position of women in black communities while Gail Lewis focuses on their characteristic patterns of employment In a powerful concluding essay Winston James charts the unfolding of a new Afro Caribbean identity in Britain and debunks the notion that racist structures by themselves create a homogeneous black community Publisher
